

BLACK POINT COFFEE

Black Point Coffee is a specialty coffee roaster on Black Point Road in Scarborough, Maine. Our mission is to provide our customers with the best freshly roasted coffee experience. We connect the Portland community with coffees sourced from conscientious growers using colorful landscape artwork from local artists that complement the farmers' passion for growing their coffee beans.

Mexico Organic, shade-grown Mexico Chiapas coffee from Sierra Madre, one of the world's most diverse forest reserve areas. Small farmers sell their lots through a cooperative processor. Primarily Bourbon varietal, the flavor notes in the medium roast are tangerine, peach, and caramel with a round finish.

Ethiopia Natural coffee processed from Guki, Sidamo, in southern Ethiopia. Shade grown at 1800-1900 meters, this coffee has lots of body and sweetness and flavor notes of blueberry, strawberry, and watermelon. The Guji tribe, part of the Oromo nation, works to reduce mining and save the land's sacred canopy.

Peru Fully washed USDA-certified fair trade and organic coffee grown at 1500-1700 meters. "The Ladies of San Ignacio" is a women-growers cooperative in the Cajamarca region of Peru. The patio drying process brings out flavors of apricot, caramel, pear, brown sugar, and baked apples.

Body Scrub An exfoliant whip made with Organic Coconut Oil, Organic Black Point Organic Coffee, Sea Salt from Vancouver, Canada, organic peppermint, bentonite clay, and organic raw honey.

Food Rub For fish, meat, and vegetables. This rub includes dark roasted and freshly ground Black Point Coffee, Sea Salt from Vancouver, British Columbia, Organic Garlic Crystals, and Organic Smoked Paprika. Just a sprinkle is magic. It's perfect for Salmon, Scallops, Steak, Tofu, and even Roasted Eggplant.

Cold Brew Crafted in small batches and made fresh each week. Concentrated in 16-oz. ball jars, it can be mixed with ice and milk to your preferred level of dilution. It is available at the Market and our roasting shop. Bring back the jar and get \$2 off your next order.
