Department of Agriculture, Trade and Consumer Protection – Chapter 160

Subchapter I — General Requirements and Definitions

ATCP 160.01 Definitions. As used in this chapter:

- (1) “Breed class” and “breeding class” mean a specific breed within a class such as holstein in the dairy class.
- (2) “Class” means a grouping in which exhibits may be entered, including an animal breed or age group for animal exhibits; a type of produce, crop or food; or a specific age, age group or educational grade level of exhibitor.
- (3) “Danish judging system” means a judging system that allows for multiple first, second, third and fourth class selections as provided in s. ATCP 160.91 (4) (b).
- (4) “Department” as it relates to the organizational structure of a fair, means an animal species, production group, or other principal classification of exhibits. As used in any other context, “department” means the state of Wisconsin department of agriculture, trade and consumer protection.
- (5) “Division” means one of 3 exhibitor group classifications for a fair and is limited to junior division, open division and senior citizens division.
- (6) “Entry class” means a class in which the fair allows exhibitors to submit entries.
- (7) “Exotic domestic animal” means an animal that is not a common farm animal.
- (8) “Lot” or “lot number” means the numerical designation assigned by a local fair for a specific category of exhibits within a class.
- (9) “Market class” means a class that includes animals of a certain weight for the breed class that can be sold for slaughter.
- (10) “Premium” means a monetary prize that a county or district fair awards to an exhibitor after judging all competing exhibits in the class to which the premium pertains.
- (11) “Regular judging system” means a judging system that allows for one first, second, third and fourth class selection as provided in s. ATCP 160.91 (4) (c).
- (12) “Self determined project” means a project that meets all of the following criteria:
 - (a) It is approved by the fair board.
 - (b) Its subject matter is related to any of the junior fair departments 9, 10, 13 to 16, 18, or 20 to 29.
 - (c) It does not fall into a defined entry class within any department.
 - (d) It is carried out by a 4-H member enrolled in a designated 4-H project or alternative project that follows 4-H guidelines, or by a member of another youth organization that does equivalent work.History: Cr. Register, November, 1990, No. 419, eff. 12-1-90; cr. (5), Register, July, 1995, No. 475, eff. 8-1-95; CR 11-037: renum. (1) to (5) to be (2), (4), (5), (8), (10), cr. (1), (3), (6), (7), (9), (11), (12) Register April 2012 No. 676, eff. 5-1-12.

ATCP 160.02 Premium requirements. (1) GENERAL.

- (a) The state aid authorized by s. 93.23 (1), Stats., may be paid on net premiums paid by a county or district fair. The department may withhold state premium aid from any fair that does not enforce animal health provisions under ch. ATCP 10 that are applicable to animals exhibited at the fair. State aid will be paid only on premiums actually paid by bank check or draft.
- (b) No deductions may be made from premium money won by an exhibitor. Premiums may, however, be withheld where exhibition rules established by the fair association are violated. A written statement of violation shall be submitted to the department to

justify action taken by a local fair.

(c) Premiums offered shall be definite in amount. No decrease or increase in published premiums may be made because of the financial condition or the organization or for any other reason.

(d) State aid may be paid on no more than 2 premiums awarded an exhibitor under one premium or lot number in open division individual livestock classes, except poultry and rabbits, and no more than one premium in all other classes, including poultry and rabbits.

(e) No county or district fair may receive state aid for a premium awarded to any exhibitor in the open division if that exhibitor entered the same exhibit in the junior division at the same county or district fair. This paragraph does not apply if the exhibit was entered in the junior division only as part of a herd group, carcass class or performance class.

(f) No state aid will be paid on the cost of ribbons, cups, trophy, prizes or entertainment contests.

(2) **PREMIUM LISTS.** (a) Premiums for which state aid is requested by county and district fairs shall conform with the uniform premium list and other requirements set forth in these rules. Fairs requesting state aid for net premiums shall submit to the department a printed copy of the premium list used at the fair, as required under s. ATCP 160.92 (3) (c).

(b) The officers of each fair shall mail a copy of the premium list to other associations, societies, or boards conducting a fair in Wisconsin upon request.

(c) Sections ATCP 160.01 through 160.07 and 160.91 shall be published in premium books used by a fair for which state aid is requested.

(3) **ENTRY FEES.** (a) A county or district fair may charge an exhibitor an entry fee. The entry fee may not exceed 10% of the sum of all premiums offered to exhibitors in the same class for which the entry fee is charged. In lieu of an entry fee, a county or district fair may charge stall rents for horses, cattle, sheep, goats, swine, poultry, rabbits or pets.

(b) Exhibitors in department 35 shall not be required to purchase an exhibitor’s ticket. Any other exhibitor may be required, if no entry fee is charged, to purchase an exhibitor’s season ticket at a price not to exceed that charged for a non-exhibitor’s season ticket.

(4) **SPLIT FAIR DATES.** (a) For purposes of this subsection, “split fair dates” occur when a fair organization judges exhibits or contests and pays premiums at more than one time or at more than one location during the calendar year.

(b) Except as provided under par. (c), the department may not pay state aid for a fair having split dates unless the department gives advance written approval for a split fair. The department may approve split fair dates only if the fair organization justifies the split dates based on extreme hardship. If the department approves split dates, all blue ribbon winners shall repeat their demonstrations or exhibits at the regular fair dates unless the department grants a hardship exemption. An exhibitor may use audio-visual media, still photography or an educational display to repeat a demonstration or exhibit.

(c) The department may pay state aid for the following exhibits or contests in a fair having split dates, regardless of whether the department approves those split dates in advance:

1. Clothing revue.
2. Demonstrations.
3. Favorite foods revue.
4. Dogs.
5. Small animals.
6. Rocketry.
7. Shooting sports.

8. Other exhibits and contests that are similar to those identified in subds. 1. to 7. History: Cr. Register, November, 1990, No. 419, eff. 12-1-90; r. and recr. (1) (e) and am. (3) (a), Register, July, 1995, No. 475, eff. 8-1-95; r. and recr. (4), Register, November, 2000, No. 539, eff. 12-1-00; correction in (2) (a) made under s. 13.93 (2m) (b) 7., Stats., Register, November, 2000, No. 539; CR 08-075: am. (1) (a) Register April 2009 No. 640, eff. 5-1-09; CR 11-037: am. (1) (a), (3) (a), (b), cr. (4) (c) 8. Register April 2012 No. 676, eff. 5-1-12.

ATCP 160.03 Exhibition requirements. A county or district fair shall meet all of the exhibition requirements of this section to be eligible for state premium aid.

(1) No fair society or other organization sponsoring a county or district fair shall require an exhibitor to become a member of the organization in order to enter an exhibit at the fair, nor shall the sponsoring organization make any deduction from an exhibitor's premium as a donation to the fair society, or require an exhibitor in any other way to make a donation to the society.

(2) State aid may not be approved for out-of-state exhibits or for separate classes of local and non-local exhibitors. Aid may not be approved for payment of premiums to an exhibitor having an out-of-state address but claiming Wisconsin residency unless the fair secretary provides the department with an affidavit that the exhibitor's residence is geographically located within the state.

(3) State aid may be paid only on articles or animals actually on display in an exhibit building or actually shown in the show ring on regular fair dates unless approval for split fair dates is obtained under s. ATCP 160.02 (4). State aid may not be paid on Dairy Herd Improvement Association records, transportation aid, production contests or other special educational exhibits unless prior approval is obtained under s. ATCP 160.04 (8).

(4) State aid may not be paid on exhibits removed from the fair grounds before 4 p.m. of the last day of the fair, or such other later time as may be specified by the fair, without prior approval of the department. Authority for earlier removal may be granted by the department in case of meat animal sales or other special classes, if requested before the beginning of the fair. In other hardship cases, approval may be granted by the local fair. Exhibits in dog obedience and small animal pet classes may be judged during the regular fair but are not required to remain present during the entire fair. The local fair may prescribe the length of time junior fair exhibitors of horses shall keep their animals on the grounds.

History: Cr. Register, November, 1990, No. 419, eff. 12-1-90.

ATCP 160.04 Junior fair division; general. (1) In the junior fair division, the department may pay state aid on prizes offered to exhibitors who are under 20 years of age on January 1 of the current fair year. A county or district fair board may establish subgroups within a junior fair entry class based on the exhibitor's grade in school. The department may not pay state aid on prizes for club parades, club floats, song contests, or a project which is not an exhibit or demonstration at the fair.

(2) All exhibitors in the junior fair division shall be members of 4-H, FFA, a scouting program, a breed group, or another recognized youth organization under adult leadership that has an education program appropriate to that organization and is approved by the fair board.

(3) Exhibits in the junior fair shall be the product of the exhibitor's own labor. An exhibit may include a study project, merit project or other special project, a skill area, or a supervised occupational experience in which the exhibitor is regularly enrolled, provided that

the fair board approves the project, skill area, or supervised occupational experience as an exhibit.

(4) State aid may not be used to award more than one premium to any exhibitor in any department in the junior fair division, except that:

(a) A premium may be awarded to each member of a group that collectively owns and enters a livestock exhibit in departments one to 5 of subch. IV.

(b) An exhibitor may receive a separate premium for showmanship where authorized under subch. IV.

(c) An exhibitor may receive more than one premium in a department for which additional premiums are specifically authorized under subch. IV.

(5) Under subch. IV, within each of the junior fair departments 9, 10, 13 to 16, 18, and 20 to 29, a fair board may establish one or more entry classes for self-determined projects that are related to that department. The fair board may establish class entry criteria, including student grade level criteria. Entry classes are open to 4-H members enrolled in a designated 4-H project or an alternative project that follows 4-H project guidelines, and to members of other youth organizations that do equivalent work and apply equivalent guidelines. Exhibits may be judged using the regular or Danish judging system. For each entry class, a fair board may pay first-place to fourth-place premiums at any of the following levels designated by the board:

(a) Premium level one: \$2.00, \$1.75, \$1.50, \$1.25.

(b) Premium level 2: \$2.50, \$2.25, \$2.00, \$1.75.

(c) Premium level 3: \$3.00, \$2.75, \$2.50, \$2.25.

(6) If 16 or more animals, items or articles are entered in any junior fair class, the class may be divided into 2 or more approximately equal groups according to weight, age or other identifying characteristic and each group judged as a class.

(7) Special educational exhibits may [be] established if the proposal is presented to the Wisconsin association of fairs before October 1 of the year preceding its proposed establishment and the exhibit is approved by the department.

(8) Within any junior fair department under subch. IV, a county or district fair may establish special classes where none are specified under subch. IV. Special classes may include classes for grade and crossbred females in the beef, swine, sheep and horse departments. Premiums for special classes created under this subsection shall be equal to premiums for comparable classes established in the same department under subch. IV.

ATCP 160.05 Open division; general requirements.

(1) The total maximum premiums set forth for all places in any open division livestock class, excluding poultry and rabbits, may be divided into premiums for a greater number of places, but the maximum premium offered for any additional place shall not be higher than the maximum for last place in the class.

(2) All animals in any open division class shall be owned by the exhibitor, except as provided in s. ATCP 160.09.

History: Cr. Register, November, 1990, No. 419, eff. 12-1-90; CR 11-037: r. (2), renum. (3) to be (2) Register April 2012 No. 676, eff. 5-1-12. ATCP 160.07 Classes; general requirements.

- (1) Classes may be combined if the number of entries in several single classes is insufficient. If any classes are combined, state aid shall be limited to the maximum total premiums listed for a single class of animals, items or articles in that department.
- (2) (a) Except as provided under par. (b), no county or district fair may receive state aid for premiums awarded for sexually intact male dairy cattle, beef cattle, sheep, goats, swine or horses unless those animals are registered purebreds. Registered purebred status shall be documented by a certificate of registry from the appropriate breed association or society, or by a copy of the application for registration.
- (b) Paragraph (a) does not apply to dairy cattle exhibited at a county or district fair if a national breed association certifies that those dairy cattle are recorded in that breed association's qualified herd book which records the genealogy of that breed.
- (3) Any animal entered as part of a group class may also be exhibited in a class for individual animals.
- (4) Boars may not be entered as an exhibit in the swine department unless their tusks have been removed.
- (5) The age of an animal, for purposes of determining its entry class under this chapter, shall be determined as of the opening day of the fair.

Subchapter V — Judging and Accounting

ATCP 160.91 Judging regulations. (1) Judging shall be done at county and district fairs by individuals who are registered with the department and who have knowledge, training or experience in the specific class or classes to be judged as determined by the department. Judging shall be done in accordance with the requirements of s. ATCP 160.92 (3) (a). In no case shall any person who is an officer or director of a fair be eligible to judge exhibits at such fair; nor shall any person interested directly or indirectly in exhibits shown in any department of a fair be eligible to judge articles or animals in that department.

(2) Each judge at a county or district fair shall be provided with a copy of the fair's premium book or list of entry classes at least 7 days prior to the opening date of the fair.

(3) No animal or article, irrespective of the number of entries in the class in which it is entered, shall be awarded a higher rating than its merit would entitle it to in comparison to the standard of perfection in the class.

(4) (a) No state aid will be paid on premiums awarded under the Danish system in any classes except in the junior and educational departments.

(b) When classes in the junior and educational departments are judged according to the Danish system, 4 group placings shall be awarded in any class. When there are less than 8 exhibitors in the class, there shall not be more than 2 in the first group, not more than 4 in the first 2 groups and not more than 6 in the first 3 groups. If there are 8 or more entries in the class, there shall not be more than

5% in the first group, not more than 50% in the first 2 groups, and not more than 75% in the first 3 groups.

(c) The number of awards in the last group placing may be increased to the extent necessary to give awards to all exhibitors.

(5) If any class of exhibits at a county or district fair is judged according to the regular system, the judges for that class may give only one first-place, one second-place, one third-place and one fourth-place award in that class.

Animal Health Regulations

Fairs and Shows in Wisconsin: 2021 Season

This is a summary of animal health requirements for fairs, shows and exhibitions only. They are not necessarily the same as requirements for importing animals into Wisconsin or moving them within the state for other purposes. They may change if animal diseases occur in Wisconsin or elsewhere, so you should always check our website or contact us for current information. Ref. s. ATCP 10.87, Wis. Admin. Code

<p>General Requirements for show organizers</p>	<p>All fairs or exhibitions of any length must obtain, review, and keep for five years all required records and test results:</p> <ul style="list-style-type: none"> • Exhibitor's name and address • Animal identification (number, type, description, and, when required, official identification (see requirements for different animals below)) • Documents showing compliance with disease testing and other health requirements • Livestock premises number, if any, where animals originated • Documentation showing legal importation to the event (if applicable) and, when required, movement to the event (see requirements for different animals below) • For swine, a record of any swine transported directly to a slaughtering establishment • For swine, a record of any swine transported to an animal market where all animals sold at the market sale for that day were shipped directly to a slaughtering establishment <p>Fairs or exhibitions lasting more than 24 hours must appoint a licensed veterinarian to inspect all animals daily.</p> <p>Please note: Except in specific circumstances, if an animal already bears an official 840 eartag, that eartag must not be removed and additional official eartags must not be applied. Instead the existing eartag must be read and recorded when a record of that animal is required. (Ref. s. ATCP 10.045, Wis. Admin. Code)</p> <p>These regulations apply to all fairs and exhibitions, including additional events (like rodeos, shows, or other organized events) that occur in conjunction with the fair.</p>
<p>Diseases</p>	<p>Animals that show evidence of having contagious or infectious diseases may not be commingled (or housed/kept) with other animals at a fair, show, or other exhibition in such a way as to allow disease to spread. Such animals should not attend the fair, show, or exhibition. Animals may be denied entry if they arrive at these events with contagious or infectious diseases, isolated and/or removed if they develop disease after arriving, or be subject to other action as would be necessary to control disease.</p> <p>Bovine animals with ringworm, mange, warts or scab will be removed from the fair or exhibition premises, unless the veterinarian in charge finds warts or ringworm lesions are incapable of transmitting disease.</p>

Cattle and bison

Cattle from within Wisconsin have no requirements for tests or health documents.

Cattle from outside Wisconsin must:

- Be accompanied by certificate of veterinary inspection (CVI or health certificate) documenting official animal identification (ID) and all required tests and certifications
- Have at least one form of official individual ID (including steers)
- Meet all of Wisconsin's normal requirements for import (see https://datcp.wi.gov/Pages/Programs_Services/CattleBison.aspx)

Acceptable animal IDs for all cattle from outside Wisconsin

- USDA metal ear tag number that is part of the National Uniform Eartagging System (NUES)(starts with state 2-digit code, also known as "brite" tag); this includes the orange brucellosisvaccination tag
- 15-digit "840" tags (visual or RFID)
- Valid only if applied before March 11, 2015:
 - Manufacturer-coded RFID tag - 15-digit number with the first three digits in 900s
 - American ID tag – 8 to 12-digit number prefaced with "USA"

Brucellosis requirements for cattle from outside Wisconsin

No cattle from outside Wisconsin are currently required to be brucellosis tested or vaccinated to come to fairs and shows in Wisconsin

Tuberculosis (TB) requirements for cattle from outside Wisconsin

For requirements by state, see: https://datcp.wi.gov/Pages/Programs_Services/CattleBison.aspx

Cattle from Michigan's Modified Accredited Zone (for cattle from Michigan's TB Free Zone, see requirements by state above) also need:

- Import permit
- To originate from a herd that has a negative whole-herd TB test within 12 months before arrival in Wisconsin that includes all animals 1 year and older
- Negative individual TB tests within 60 days before entering Wisconsin
- To return directly to the state of origin after the show, and there must be a statement on the CVI that they will be doing so

For information on obtaining an import permit:

- Online https://datcp.wi.gov/Pages/Programs_Services/AnimalMovementPermits.aspx
- Email DATCPAnimalImports@wi.gov
- Call 608-224-4872

Cattle from Canada must meet current federal requirements to enter the United States. (See <https://www.aphis.usda.gov/regulations/vs/iregs/animals/downloads/ca-protocol-imp-cattle-bison.pdf>)

Requirements are subject to change as conditions warrant. For current information, check https://datcp.wi.gov/Pages/Programs_Services/CattleBison.aspx.

Swine

Swine from within Wisconsin need a Wisconsin intrastate certificate of veterinary inspection (CVI or health certificate):

Note: *Herd of origin means the herd in which the pigs currently reside, likely the exhibitor's herd. When pigs are purchased from a herd, the herd from which they originate is the herd of origin for the seller. Once the purchased pigs are added into the buyer's herd (even if the buyer's herd only consists of one or just a few animals), the buyer's herd becomes the new herd of origin and that herd must meet testing requirements to move pigs again.*

- Stating that the entire herd of origin was inspected on the farm within 30 days before the show and showed no signs of disease.
- **Non-terminal Exhibitions:** All swine must have a PRRS (Porcine Reproductive and Respiratory Syndrome) and PEDv (Porcine Epidemic Diarrhea virus) test of the herd of origin within 90 days of the exhibition. Include test date, type, and results on the CVI. For swine originating from herds with positive tests, include the herd plan number on the CVI.
- **Terminal Exhibitions:** No testing requirements.

Note: *Terminal Exhibitions are those at which the swine go directly from the fair/show to the slaughtering establishment OR to a slaughter only market sale. If going to a slaughter only market sale, contact the Division of Animal Health fair inspector for required information to collect.*

Note: *If the fair intends to use a load-out facility, contact the Division of Animal Health in advance to discuss requirements that must be met.*

Swine from outside Wisconsin need a certificate of veterinary inspection that includes the following:

- The negative results of the PRRS test from the swine's herd of origin conducted within 90 days prior to movement into Wisconsin including test date, type, and results.
- The negative results of the PEDv test from the swine's herd of origin conducted within 90 days prior to movement into Wisconsin including test date, type, and results.
- A statement that the veterinarian has inspected the entire herd of origin within the past 30 days and that no clinical signs of PRRS and PEDv or any other apparent disease was present at the time of inspection
- Official individual identification (ID)
- If the herd of origin tests positive for PRRS and/or PEDv, contact the Department of Agriculture, Trade and Consumer Protection at 608-224-4872 for options.

Acceptable methods of ID for swine are:

- USDA silver ear tag
- USDA 840 ear tag, either visual or RFID
- Breed association tattoo if the pig is a purebred and the tattoo is registered
- An ear tag with the premises identification number and a unique identifier
- Ear notch if the pig is a purebred and the notch is registered

Requirements are subject to change as conditions warrant. For current information and for PRRS and PEDv testing options, check

https://datcp.wi.gov/Pages/Programs_Services/SwineMovement.aspx.

Sheep and goats

Note: *These rules do not apply to non-domestic sheep and goats. See Exotic Ruminants below.*

Sheep and goats from within Wisconsin need:

- If sexually intact, need official individual identification (ID) *at any age*.
- If not sexually intact, need official individual ID if they are *12 months or older*.
- See below for Official ID options.
- Cannot be under restriction for movement to fairs and shows.
- Sheep and goats that go to a market or slaughter establishment after the fair should have an owner hauler statement to move from the fair to the market/slaughter establishment.

Sheep and goats from outside Wisconsin need:

- Certificate of veterinary inspection (CVI or health certificate) and official individual ID for all animals.
- See below for Official ID options.
- See below for additional requirements for goats from Michigan's Tuberculosis Modified Accredited Zone.
- Sheep and goats that go to a market or slaughter establishment after the fair should have an owner hauler statement to move from the fair to the market/slaughter establishment.

Official Identification includes:

- Scrapie ear tags (including tags on neckstraps for animals with absent/injured ears or without official tattoos – see DATCP Website*)
- USDA 840 ear tags
- Legible breed tattoos (see DATCP Website* and NOTE below)
- Legible scrapie tattoos (see DATCP Website* and NOTE below)
- Approved microchips (Electronic Identification/EID) – There are many requirements that need to be met to use microchips including a requirement for accompanying tattoos. See DATCP Website* and NOTE below.
- **NOTE:** *All sheep and goats that may go through a market or to slaughter and require Official Identification must be eartagged with Official ID. Official ID in the form of a tattoo or Electronic Implantable Identification (EID) is no longer sufficient when moving through a market or going to slaughter.*
- **NOTE:** *If a Wisconsin origin animal is neutered, less than 12 months of age, and moving through a market after the fair, the market may require Official ID in the form of an ear tag.*
- *For more information on official identification and for owner hauler statements see DATCP Website at https://datcp.wi.gov/Pages/Programs_Services/OfficialID.aspx

Goats from Michigan's Tuberculosis (TB) Modified Accredited Zone also need:

- Import permit
- To originate from a herd that has a negative whole-herd TB test within 12 months before arrival in Wisconsin that includes all animals 1 year and older
- Negative individual TB tests within 60 days before entering Wisconsin
- To return directly to the state of origin after the show, and there must be a statement on the CVI that they will be doing so

Waushara County Fair

Wautoma, WI

Junior Division Entry and Exhibit Information

Entry information:

All entries will be made through the Fair Entry online program. Information on accessing this program can be found on the Waushara County Fair Website: <http://www.wausharacofair.com/>. Directions for the online entry process are also found at this site.

Entries must be completed **no later than July 9, 2021 at 11:59 pm.** Changes to entries can be made up to that date and time. You will receive a print out of your entries upon completion of the entry process. **No** additional entries or changes can be made after this date.

Entry fee is \$5.00 for all junior division exhibitors except 4-H Cloverbuds. 4-H Cloverbuds do **not** pay an entry fee. The fee includes an exhibitor's pass which allows admission to the fairgrounds. Payment can be made by check to Waushara County Fair and mailed to UW-Extension, PO Box 487, Wautoma WI 54982 by July 31st. An invoice is available at the end of the entry process. No exhibit tags will be given until the entry fees are paid.

All exhibitors in the Junior Division must be members of 4-H, FFA, FCCLA, Boy Scouts, Girls Scouts or any other youth organization serving Waushara County under adult supervision or leadership and with an educational program approved by the local fair. Exhibits are to be a result of the educational program offered by the organization of which the youth is a member of. Exhibitors must be under 19 years of age as of January 1 of the current year. In departments where grades are specified, the grade to be used is the grade the exhibitor was enrolled in on January 1 of the current calendar year.

To assist 4-H members in matching up their projects with fair departments, please refer to "Relationship of Junior Division Departments to 4-H Projects" at the back of this book.

Only one premium may be received by an individual in competition for each item listed in the fair book. No animal or article shall be entered in competition for more than one premium except as part of a herd group, carcass class, or a performance class.

Exhibit Information

Exhibits in the Junior Division Class must be the current project year's work of the exhibitor in the project or projects in which he or she is enrolled or project year's work which the youth had planned to enter in the 2020 Waushara County Fair.

Animals must be shown by the exhibitor in order to receive a premium and placing. If the fair judging schedule creates an unresolvable conflict because an exhibitor is to show animals in 2 departments at the same time, the exhibitor must receive prior permission of the department superintendent to have their animals shown by another designated junior class exhibitor.

Each exhibitor bears the responsibility of seeing that exhibits shown meet all requirements. Any attempt toward misrepresentation will automatically cancel premium earned. Entries in Junior division that do not meet the rules for junior division and/or the department that they are being exhibited in are to be lowered one placing from what the entry deserved.

Where exhibit calls for poster, the size must be 14" x 22", unless otherwise specified. Displays are to be no larger than 48" x 36" x 8". This does not apply to entries in Department 20 as photography entries are not posters.

Any changing of exhibitor's tags will automatically disqualify the exhibit from judging. Any exhibit bearing the incorrect entry tag will not be placed.

All animals or articles while on exhibit, are to be at the risk of the owner, although the Fair Association pledges itself to the utmost vigilance to secure articles from loss or injury. No animal will be allowed to run at large on the grounds. The Association will not be responsible for the loss or damage that may occur. All exhibitors must give personal attention to their animals throughout the course of the fair.

Entry and Release times

All animal exhibits are to be entered on Wednesday between 2 and 7 pm. (except Dairy Departments 1 & 101). Dairy may enter on Wednesday from 2 p.m. to 7 p.m. or Thursday 8 a.m. to 3 p.m.. Non-animal exhibits can be entered on Wednesday from 2 to 7 pm and on Thursday from 8 am to 3 pm with the exceptions of Junior and Open Foods Baked Items (Departments 25 Classes C-H and Department 125 Classes A-H) which must be entered on Thursday between 8 am and 3 pm. Junior and Open Foods Food Preservation items (Department 25 A & B; Department 125 I) will be accepted on Wednesday. Gate admission will be charged beginning at 7:00 am on Thursday. Exhibitors must pick up their entry packet prior to noon or they will be charged admission.

For classes to be judged face to face, entries are to be entered on Wednesday or Thursday during the designated entry times. If you are not able to make the designated time, you are to enter your exhibit in a class that is not judged face to face when entering your items prior to July fair entry deadline. These entries will be released during the release times listed below.

All exhibits must be kept in place until 5:30 p.m. Sunday, with the exception of animals which can be removed at 4:30 p.m. Sunday and horses must be removed between 2:00 p.m. and 6:00 p.m. on Saturday afternoon. Failure to comply with this rule will be considered forfeiture of premiums awarded except by special permission or order from the Fair Secretary. The privilege to exhibit at the Waushara County Fair in subsequent years will be denied. Exhibit pick up time will be from 5:30 – 7:30 p.m. on Sunday only. Barn decorations may not be taken down before 4 p.m. on Sunday.

Animal Department Rules

Read all of the animal health regulations in this book and be sure all animals exhibited meet health regulations. All required health papers must be presented to the superintendent in charge of the barn prior to unloading any animals.

The Fair Board recognizes that safety of patrons, exhibitors, employees, vendors, equipment, and animals is one of their primary responsibilities. In order to ensure the safety of all concerned parties a superintendent in charge of an animal class and/or any Fair Board member in charge of an event involving animals may recommend to the Fair Secretary that an uncontrolled or uncontrollable animal be immediately removed from the fairgrounds. The Fair Secretary with the approval of the Board President or his/her designee shall instruct the owner to remove the animal immediately. If the owner cannot be located and/or refuses to comply with this directive, the Fair secretary shall make the necessary arrangements to have the animal removed from the fairgrounds at the owner's expense. The act of exhibiting and/or owning animals on the fairgrounds during the fair implies that all such persons have agreed to this requirement during the period of time the animal is on the fairgrounds.

Exhibitors can compete in both the open and junior divisions of the Waushara County fair; however, they cannot compete with the same animal in both divisions. Entry fees for both divisions must be paid.

Only those animals that are exhibited and judged can be brought to the fair.

Under this Wisconsin statute 895.481, a person is immune from civil liability for acts or omissions related to his or her participation in equine activities if a person participating in the equine activity is injured or killed as the result of an inherent risk of equine activities.

Use and placement of fans in the animal barns is at the discretion of the fair superintendents or fair veterinarian. Animals are not allowed to be housed (in tent) outside barns, unless arranged by fair board.

Junior exhibits are not to be associated with a farm name as the exhibit is to be the work of the exhibitor, not a product of a farm operation.

Tables and living room furniture or chairs are not allowed in the barns. Folding/portable chairs are allowed.

Only feed needed for the day may be stored in the barn.

The Waushara County Fair Veterinarian insures all state and federal livestock regulations are followed. If an animal at the fair becomes sick or injured, it would be in the best interest of the owner of the animal to contact their own veterinarian. At the discretion of the fair veterinarian, he or she may treat an individual animal and the cost of any such treatment shall be paid by the owner of the animal.

Camping is limited to 15 spaces for animal exhibitors only. You will be assigned a camp site number once your fair registration fees and camping fees are paid. Once the 15 spaces are filled, no additional camping reservations will be taken.

Livestock exhibitors are to park their vehicles in the southeast corner of the fairgrounds.

Clipping and grooming can only be done during the hours of 6 am to 10 pm. Designated areas for beef include the south side of the beef barn and along the west fence by the dairy barn. Designated area for sheep is the north side of the sheep and swine barn and the west end of the tent, dairy barn. Exhibitors determined to be in non-compliance of the designated fitting areas will result in the animal in question being disqualified from the show and therefore being issued any premiums and not participating in the auction if this is a market animal.

Judging Systems

The Danish System of judging will be used in judging exhibits in all classes unless stated otherwise. Four group placings (i.e. Blue, Red, White and Pink ribbon awards) must be awarded in any class. When there are less than 8 exhibitors in the class, there shall not be more than 2 in the first or Blue ribbon group, not more than 4 in the first two groups (blue plus Red ribbon groups), and not more than 6 in the first three groups (Blue plus Red plus White ribbon groups). The remaining two entries would receive fourth or Pink ribbon placings. If there are 8 or more entries in the class, there shall be more than 25% in the first or Blue ribbon group, not more than 50% in the first two groups (Blue plus Red Ribbon groups), and not more than 75% in the first three groups (Blue plus Red plus White ribbon groups). Exhibitors are encouraged however not required to be present for judging in non-animal departments.

Face to Face Judging is offered in the non-animal department to allow the exhibitor to share information on their project with the judge. The entries are found in Class AA of the junior fair departments. The entries are to be turned in during the established entry hours. The exhibitor will meet with the judge during the time established for that department.

Additional Policies

No person will be allowed to act as judge or superintendent in any department in which they are an exhibitor.

Individuals exhibiting may request reasonable accommodations for disabilities by contacting the Waushara County Fair Secretaries at 920-647-0694 or at Waushara County Fair at N6079 8th Avenue, Plainfield WI 54966. Requests should be made one month in advance of the fair.

By order of the Waushara County Public Health Department no food can be prepared or consumed in the animal barns or within 100 feet of any of the animal buildings.

No person except the Secretary and his assistants will be allowed to examine the entry books until after the awards are made.

Persons having claims against the Association must present them to the Secretary within ten (10) days after the last day of the Fair.

All premium checks must be cashed within 60 days after they are issued. If you discover an error on your premium check, request a review in writing first and if an error was made, a new check can be issued.

DEPARTMENT 6 – HORSE & PONY

Horses are to be entered on Thursday from 8 a.m. until 3 p.m.

- Information on a mandatory safety clinic for first year mounted horse fair exhibitors will be sent out in June.
- Only junior exhibitors are allowed to exercise or ride horses/ponies exhibited during the fair.
- Horses and ponies must be exercised three times each day they are at the fair.
- All horse exhibitors must wear an SEI approved safety helmet at all times they ride their horse at the fairgrounds.
- A person being a passenger upon an equine is not liable for the injury or death of a person involved in equine activities, as defined in section 895.481 (1) (e) of the Wisconsin Statutes.
- The following documents are to be submitted to the superintendents prior to unloading your horse: stall cards (distributed prior to fair), health papers (see animal health rules) animal inventory at end of this book).
- Please review the animal health regulations in the front of this document for required shots.
- Exhibitors' grades are as of January 1 of the show year.
- Ponies are considered 56" and under. POA definition of pony does not apply to entries in the Waushara County Fair. An animal is shown in either horse or pony classes. Animals in question will be measured on entry day. Exhibitors should include both pony and horse classes on their entry form if height is in question. Stallions may only be shown in their weanling year.
- Exhibitors are responsible for providing their own sawdust for their stalls.
- A maximum of three animals may be entered by a single exhibitor. However, will only receive a premium on 2. The exhibitor must own or manage the animal unless entering in classes

designated horseless horse. Individuals entering horseless horse classes are not eligible to enter any other classes.

- Exhibitors from the same family may enter the same animal in classes in which the rider is being judged (designated by two asterisks **) unless the riders are in the same age division. Classes in which the horse is being judged (designated by one asterisk *) can only be entered in by one exhibitor. If both exhibitors are eligible for 4-H State Horse Expo, exhibitors are responsible for following the rules for that event.
- All horses must be declared using the horse declaration form. You may declare and enter three horses. You may enter as many classes as you meet the criteria for.
- The same horse and rider cannot enter both walk-trot and 3-gait/canter classes. All walk trot classes are in Class D. Classes C (English) and E (western) include 3-gait/canter classes and cannot be entered in with the same horse and rider combination that is entered in any class in Class D.
- If you are a horseless horse project member and the owner is not exhibiting the horse, you must declare the horse.
- Each horse entered is eligible for one premium and each exhibitor is eligible for one premium on each horse they show. If you bring one horse to the fair, you can receive a maximum of two premiums – one for any class in which the horse is being judged and one for any class in which the rider is being judged. If you bring two horses to the fair you can receive a maximum of four premiums – two per animal (one class in which the rider is being judged and one class in which the horse is being judged per animal). If you bring three horses to the fair, you can receive a maximum of

six premiums – three per animal (one class in which the rider is being judged and one class in which the horse is being judged per animal). Classes in which the horse is judged are halter, pleasure and trail classes and speed classes and are designated with one asterisk (*). Classes judged on the rider, designated by two asterisks (**), include horsemanship/equitation and showmanship.

- At the discretion of the Fair Secretary, horses entered at the Fair may be released early if there is a parallel, educational event and prior approval has been granted. Any animal released early from the Fair Barn for this reason shall not be permitted to return during the Fair.
- 4-H members only: To qualify for the State 4-H Horse Expo held in September, you will need to receive a starred 1st place in any of the one classes marked with (^) and shown in 6th grade or higher as of January 1st. You will receive your packet at fair if you qualify and all enrollment forms need to be turned in by the deadline designated by our county not the deadline stated by the Wisconsin 4-H Horse Association.
- Please refer to Department 10 Class D-F for additional entry options.
- Individuals wishing to enter model horses, please refer to Dept. 10 Animal & Vet Science Class J.
- Clothes Horse entries listed in Department 26 Class H.

Class Definitions:

Horseless horse - These exhibitors do not have access to a horse of their own on a regular basis and in this class their ability to exhibit the horse or pony at halter is judged. 4-H members would have entered into a horseless horse agreement in the spring of

the year. Horseless horse member may only enter those classes designated as Horseless Horse. Those entering any walk-trot class cannot enter a 3-gait equitation class with the same horse.

Halter Classes – Conformation of the Horse or pony is judged.

Showmanship – Judged on the exhibitor's ability to show the horse or pony at halter.

Horsemanship/Equitation – Horse or pony is under saddle and the exhibitor's ability to ride is judged.

Walk/Trot and 3-Gait – No single rider-horse combination may be entered in both walk/trot and 3-gait. A rider may enter one horse or pony in a walk trot class and a different horse or pony in a 3-gait class. Consider the horse's readiness and ability to canter when signing up for classes. Entries in Class D are walk/trot classes. Entries in D (English) and E (Western) include 3-gait/cantering classes.

Dressage Classes – An English type saddle with stirrups is compulsory at all levels. A plain snaffle bridle and regular cavesson made of leather are required. (You may use a dropped nose band, a flash nose band, a crescent nose band or a crossed nose band). Acceptable bits: a. ordinary snaffle with single jointed mouthpiece; b. ordinary snaffle with double jointed mouthpiece; c. Racing snaffle (D-ring); d. snaffle – with cheeks, with or without keepers and without cheeks (egg butt); e. snaffle with upper or lower cheeks; f. unjointed snaffle (mullen mouth); g. French snaffle; h. Snaffle with rotating mouthpiece. Any of the above may be covered with rubber or leather. Bits with mouthpieces made of synthetic material are permitted, provided that the contours of the bit conform to bits listed. Dressage whips must be less than 43.3 inches (110 cm) including lash. Musical Freestyle is a test done in a dressage ring, using standard dressage movements put together in any order to music. The test is judged on

creativity, artistry, music suitability and accuracy following USDF rules. All tests can be obtained from the United States Equestrian Foundation (usef.org) or United States Dressage Federation (usdf.org). Each horse/rider combination may enter two (2) consecutive levels (e.g. intro. & training; training & level 1) as well as classes in the same level with a maximum of four (4) classes being entered.

Pleasure Show: Classes A-G will be judged on Friday with the show beginning at 8 am.

CLOVERBUDS

4-H Cloverbud project members (or youth completing kindergarten, 1st or 2nd grade) are eligible to make up to seven entries in the Waushara County Jr. Fair of anything they have made or worked on during the project year. An entry may be related to one of the project activity units (i.e., animal science, expressive arts, home economics, mechanical science, natural resources,

personal growth and development, plant and soil science, and science and technology) or it may be any item made at Cloverbud Camp. Animals including pets are not allowed as exhibits. Youth wishing to include pets in their entries should enter a poster or scrapbook about their pet.

Due to the nature of the discovery process involved with the Cloverbud project, youth are not given specific details for entries. Youth, with guidance from families and project leaders, are encouraged to enter those projects they have completed at home, as part of a project meeting, or at Cloverbud camp. Projects that the youth feels good about are best and may include any of the following: posters, scrapbooks, collections, special items they have constructed and more. All make good projects! Individual entries should not exceed dimensions of 14" x 22" x 24".

Entry Process: To enter select 1-7 items and select the appropriate number of general entry numbers listed below. Submit the entry by the deadline on the cover of this book. Then, in August, bring the projects to be exhibited to the Jr. Fair on **Wednesday, from 2-7 p.m.** Pick up your entry tags at the Fair Office and then head to the Youth Expo Building for judging. During that time, youth will meet with a judge in a face-to-face conference to discuss their projects and receive feedback. Each Cloverbud participant will receive a green "Cloverbud" rosette ribbon and a special certificate. After judging is completed, all of the certificates, ribbons and projects will be displayed in the Cloverbud display area. NOTE: No premiums are awarded for Cloverbud entries. Rather, a larger ribbon is given as well as much positive feedback.
