ATCP 160.02 Premium requirements.

- (1) GENERAL.

(a) The state aid authorized by s. [93.23 \(1\)](#), Stats., may be paid on net premiums paid by a fair. The department may withhold state premium aid from any fair that does not enforce animal health provisions under ch. [ATCP 10](#) that are applicable to animals exhibited at the fair. State aid will be paid only on premiums actually paid by bank check or draft.

(b) No deductions may be made from premium money won by an exhibitor. Premiums may, however, be withheld where exhibition rules established by the fair association are violated. A written statement of violation shall be submitted to the department to justify actions taken by a fair.

(c) Premiums offered shall be definite in amount. No decrease or increase in published premiums may be made because of the financial condition or the organization or for any other reason.

(e) No fair may receive state aid for a premium awarded to any exhibitor in the open division if that exhibitor entered the same exhibit in the junior division at the same fair. This paragraph does not apply if the exhibit was entered in the junior division only as part of a herd group, carcass class or performance class.

(f) No state aid will be paid on the cost of ribbons, cups, trophy prizes or entertainment contests.

- (2) PREMIUM LISTS.

(a) Premiums for which state aid is requested by county and district fairs shall conform with the uniform premium list and other requirements set forth in these rules. (b) The officers of each fair shall mail a copy of the premium list to other associations, societies, or boards conducting a fair in Wisconsin upon request.

(c) Sections [ATCP 160.01](#) through [160.07](#) and [160.91](#) shall be published in premium books used by a fair for which state aid is requested.

(4) SPLIT FAIR DATES.

(a) For purposes of this subsection, "split fair dates" occur when a fair organization judges exhibits or contests and pays premiums at more than one time or at more than one location during the calendar year.

(b) Except as provided under par. (c), the department may not pay state aid for a fair having split dates unless the department gives advance written approval for a split fair. The department may approve split dates based on hardship.

(c) The department may pay state aid for the following exhibits or contests in a fair having split dates with advance notification to the department:

Each exhibitor bears the responsibility of seeing that exhibits shown meet all requirements. Any attempt toward misrepresentation will automatically cancel any premium earned. Entries in open division that do not meet the rules for open division and/or the department that they are being exhibited will be disqualified by the judge.

Any changing of exhibitor's tags will automatically disqualify the exhibit from judging. Any exhibit bearing the incorrect entry tag will not be placed.

All animals or articles while on exhibit, are to be at the risk of the owner, although the Fair Association pledges itself to the utmost vigilance to secure articles from loss or injury. No animal will be allowed to run at large on the grounds. The Association will not be responsible for the loss or damage that may occur. All exhibitors must give personal attention to their animals throughout the course of the fair.

The privilege to exhibit at the Waushara County Fair in subsequent years will be denied. Exhibit pick up time will be from 5:30 – 7:30 p.m. on Sunday only. Barn decorations shall not be taken down before 4 p.m. on Sunday.

Animal Department Rules

Read all the animal health regulations in this book and be sure all animals exhibited meet health regulations. All required health papers must be presented to the superintendent in charge of the barn prior to unloading any animals.

Animals must be shown by the exhibitor in order to receive a premium and placing. If the fair judging schedule creates an unresolvable conflict because an exhibitor is to show animals in two departments at the same time, the exhibitor must receive prior permission of the department superintendent to have their animals shown by another designated open class exhibitor.

The Fair Board recognizes that the safety of patrons, exhibitors, employees, vendors, equipment, and animals is one of their primary responsibilities. In order to ensure the safety of all concerned parties a superintendent in charge of an animal class and/or any Fair Board member in charge of an event involving animals may recommend to the Fair Secretary that an uncontrolled or uncontrollable animal be immediately removed from the fairgrounds. The Fair Secretary with the approval of the Board President or his/her designee shall instruct the owner to remove the animal immediately. If the owner cannot be located and/or refuses to comply with this directive, the Fair secretary shall make the necessary arrangements to have the animal removed from the fairgrounds at the owner's expense. The act of exhibiting and/or owning animals on the fairgrounds during the fair implies that all such persons have agreed to this requirement during the period of time the animal is on the fairgrounds.

Exhibitors can compete in both the open and junior divisions of the Waushara County fair; however, they cannot compete with the same animal in both divisions.

Only animals that are to be exhibited and judged can be brought to the fair.

Under this Wisconsin statute 895.481, a person is immune from civil liability for acts or omissions related to his or her participation in equine activities if a person participating in the equine activity is injured or killed as the result of an inherent risk of equine activities.

Use and placement of fans are only allowed in the Beef & Dairy Barns. They will not be allowed in the Swine and Sheep Barn. Animals are not allowed to be housed in tents outside barns, unless arranged by fair board.

Tables and living room furniture or chairs are not allowed in the barns. Folding/portable chairs are allowed.

Only feed needed for the day may be stored in the barn. All exhibitors must supply bedding for livestock.

The Waushara County Fair Veterinarian ensures all state and federal livestock regulations are followed. If an animal at the fair becomes sick or injured, it would be in the best interest of the owner of the animal to contact their own veterinarian. At the discretion of the fair veterinarian, he or she may treat an individual animal and the cost of any such treatment shall be paid by the owner of the animal.

Judging System

A maximum of four entries in each class will be awarded a ribbon and premium with one placing in each of the four levels of recognition.

Additional Policies

No person will be allowed to act as judge or superintendent in any department in which they are an exhibitor.

Individuals exhibiting may request reasonable accommodations for disabilities by contacting the Waushara County Fair Secretaries at 920-647-0694 or at Waushara County Fair at N6079 8th Avenue, Plainfield, WI 54966. Requests should be made one month in advance of the fair.

By order of the Waushara County Public Health Department no food can be prepared or consumed in the animal barns or within 100 feet of any of the animal buildings.

No person except the Secretary and his assistants will be allowed to examine the entry books until after the awards are made.

People having claims against the Association must present them to the Secretary within ten (10) days after the last day of the Fair.

All premium checks must be cashed within 60 days after they are issued. If you discover an error on your premium check, do not cash it. Request a review in writing first. If an error was made, a new check can be issued.
