PHEASANT RIDGE RV RESORT CLUB HOUSE  
8275 SW ELLIGSEN RD  
WILSONVILLE, OR 97070

It is a few blocks east off I-5 at exit 286

We will provide coffee, tea, water, am and pm snacks. There are many restaurants in the Wilsonville area for lunch or bring a lunch with you. There is a frig and microwave available.

The cost is going up a little to \$20.00 a day or \$50.00 for all 3 days.

The RV park has many amenities including a pool if you would like to camp out. Their prices are in the range \$55.00 per night depending on what discount you have they can apply.

There are many motels also in the area I saw a Motel 6 almost next to the park. Best Western, La Quinta, Holiday Inn, and Guest House to name a few I'm not familiar with them so please check trip advisor or another internet sight.

You might want to bring a light with you, we were there on a gloomy day so it was hard to judge.

**VENDORS**

Please let me know if you would like to vend. I will be going back to do some measurements and I'll have more info on space available for you.

**PARKING**

Parking may be an issue there are limited spaces, we will figure out a place you all can park and maybe run a shuttle back to the building.

INFO on parking to follow.

We hope you will all be up for the adventure of new digs.  
See you then, Janet and Suzi
