

Your Invitation to Join Us  
At  
The 3<sup>rd</sup> Annual Region 11 Camping Camp

What is Camping Camp you say? Well a word says it all – FUN!!

If you own a RV or rent a cabin or yurt it is 2-3 days of hooking at an Oregon campground. If motels are more your thing there is generally a town nearby so that you can commute.

You make your own reservations, and you decide how long you would like to stay. Our numbers vary every year but one thing is for sure – IT IS FUN. Once there, people will congregate to a site the is deemed best for our hooking needs. Come and go as you please. Bring your better half, bring friends,

We schedule a potluck dinner the second night, so bring your best dish!
