## CLIENTS SAY

"John is fun, funny and deeply insightful. The talks are very useful and leaves you wanting more. Go see him: by spending a little time, he will save you a lot of money." John Engen, Radio Personality and Preacher

"Talented, educational, funny. His presentations are a MUST attend for anyone who wants to understand the entire credit system. Knowledge is power and his presentations will give you the knowledge that you will need to protect yourselves and know your rights. I would recommend any of his keynotes or presentations to simply anyone. I thought I knew the process. I DID NOT."

John Mackey provides consumers and professionals with a significant and important understanding of how their credit is affected by their actions and those of the credit bureaus. His talks are extremely valuable and informative for almost everyone, since credit and credit scores affect so many aspects of daily life. He has a deep understanding of the credit process and I highly recommend these seminars. – Jeff Upin, Esq
