Welcome to Flight 2021

We are prepared to take off into the New Year. Please make sure your Positive Attitude and Gratitude are secured and locked in the upright position.

All self-destruct devices - pity, anger, selfishness, and resentment - should be turned off at this time.

All negativity, hurt, and discouragement should be put away.

Should you lose your Positive Attitude under pressure during this flight, reach up and pull down a prayer.

Prayers will automatically be activated by Source. Once activation has taken place, you can assist

other passengers.

There will BE NO BAGGAGE allowed on this flight.

DIVINE Guidance has cleared us for take-off. Destination – GREATNESS!

The past year has been a wild ride and 2020 will not be one any of us will soon forget. There has been difficulty, massive hardship, and division, but there has also been beauty, hope, and new opportunity for unification. Strive to be a catalyst of these latter three, bringing love, light and positive action to the world. The need for this work has never been greater.

Bios:

June Laffey - June is one of the world's most respected leaders in healthcare advertising communications. She has headed up the most prestigious of award juries, ran a creative department of more than 100, and led her team to phenomenal success. But that is only part of the story. June is also a lightworker.

She channels light language, sign and song, lifting the vibration, connecting with others at a higher self level. She started opening to this gift seven years ago, and now it is very much a part of who she is. When the language first came through, she had no idea what it was. She didn't seek it. Light language – the language of love – allows her to bring love, compassion, authenticity, empathy and empowerment into her every day. June would love to explore these gifts more and more at her soon to be opened retreat in Australia.

Janine Savient - Janine Savient brings many gifts to our world, however, being an Intuitive Visionary, and Messenger for Love, are her focus and purpose at this time!

Through her awareness of life as a multi layered reality, Janine knows that there is magnificence to be found within every human being on this planet, and that no one is exempt in their connection to the flow of Love that is found at the highest and deepest level of all.

This magnificent loving presence within every human being awaits discovery, and once reconnection is made, life transforms in the most incredibly beautiful ways. This is the journey of 'Heart Centredness'... the truth as to who and what you are is found within this journey and connection!

Teacher, mentor, support person, friend ... Janine is here for those ready to awaken to themselves beyond the stories of the mind. 'Truth of Self' is found within the 'Love for Self' that awaits discovery within each human being.

Janine has an intimate relationship with Love!
