**August, 2025**

### **Journey Through the Lion's Gate**

Dear Community,

**Welcome to August**—a month brimming with cosmic energy as we journey through the powerful Lion's Gate portal. We've witnessed its opening and closing, marveled at planetary alignments, and been awed by meteor showers. These celestial events carry intense energy, so remember to be gentle with yourself, stay positive, and release what no longer serves you.

The month isn't over yet, and there's still so much to experience! Explore our programming on **Wombology Radio**, discover inspiring shows, and help us spread the word by sharing the link with friends and family. Your support—whether by tuning in, donating, or simply sharing—makes all the difference. Every little bit counts.

**Upcoming Adventures:** Egypt is approaching quickly, and only two spaces remain! If the Spirit of Egypt is calling you, now is the time to answer. Contact me today to join this unforgettable journey—it's never too late.

#### **Podcasts to Explore:**

Thank you Obehi Efwanfoh for having me as a guest sharing about travel and storytelling in cultures across the world and their heritage.

Self-Discovery Wisdom with Sara Troy—now partnered with Wombology and streaming on our radio platform.

A heartfelt conversation with Ally Travland of Level Headed Wild Child.

The Infinite Way Podcast, continuing to bring meaningful content for gifted souls across the globe.

I invite you to listen, subscribe to our YouTube channel, share the love, and send me your feedback. You never know who might be touched or inspired by what you share.

Let's make the most of the rest of August—together.

With gratitude and light,
