February, 2025

Love's Many Dimensions

As we step into February, love surrounds us in all its beautiful forms. Valentine's Day often brings to mind grand romantic gestures, but love is so much more—it's the quiet presence of a dear friend, the warmth of a family embrace, the laughter shared between kindred spirits, and the deep self-compassion that nurtures our own hearts.

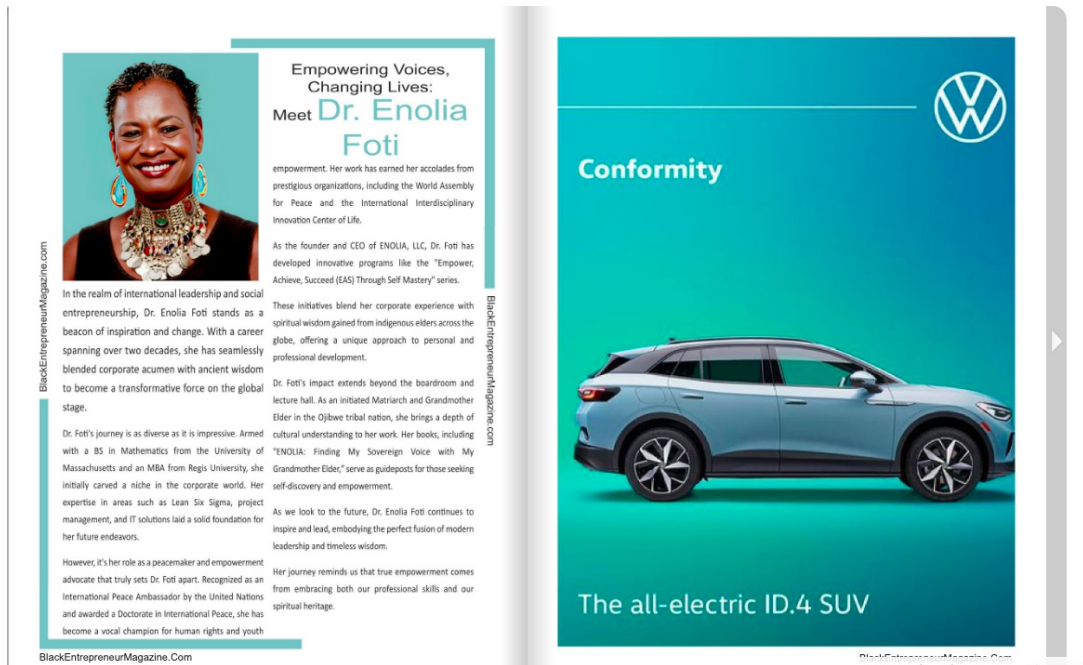

This season is a gentle reminder that love isn't bound by a single expression. It is found in the simple moments: a thoughtful word, a lingering hug, a shared memory, or even the courage to open our hearts wider. Whether you are celebrating with a partner, cherishing the love of community, or deepening your connection with yourself, know that love is limitless and always present.

Let's take this time to honor love in all its dimensions—seen and unseen, spoken and silent, given and received. May your heart be filled with the kind of love that uplifts, heals, and inspires.

With warmth and gratitude,

Enolia
Grandmother, Elder, Dr.

SACRED SKY SPIRIT RETREAT
**HEALING RETREAT UNDER THE NORTHERN
LIGHTS IN ICELAND**
October 23th - 28th, 2025

Introducing Sacred Sky Spirit Healing Retreat to Iceland

Why experience healing under the aurora borealis (northern lights)?

The aurora's natural energy can amplify the effects of traditional healing practices, creating a deeply transformative experience.

What makes the Lakota Raindrop technique unique?

This ancient practice combined with essential oils to align the body's energy and restore balance, combining nature's remedies with time-honored healing wisdom.

How does shamanic energy work benefit me?

Shamanic practices harness light energy to cleanse and realign your spiritual essence, offering clarity, peace, and a profound sense of connection.

Why blend essential oils with the aurora's energy?

Essential oils carry natural frequencies that work in harmony with the aurora's energy, enhancing emotional release and revitalization.

How will I feel after the retreat?

You'll leave feeling renewed, balanced, and connected to something greater, with a refreshed sense of purpose and inner peace.
