Yearly Call-In Application

The **Yearly Call-In Program** allows you to be automatically registered for every rodeo except Finals, without needing to call in each time.
Do not use this form for entering individual rodeos.

Instructions:
1) Fill out the application in full. Please write clearly!
2) Email a scanned copy or a photo of the completed application to rodeo@say-rodeo.com.
   - Use the subject line: *YEARLY CALL-IN for [Applicant Name].*

Agreement Terms:
1) **Automatic Entry:**
   The applicant will be automatically added to the roster for each remaining rodeo (excluding Finals) for the events listed on the application.
   - Finals must still be entered by email.
2) **Fees:**
   The applicant agrees to pay all rodeo fees either through pre-payment options or at the rodeo.
3) **Changes / Call-Outs:**
   - The applicant must email **before** the end of the regular call-in period to "call out" or make event changes.
   - No charges apply for changes made before **regular** call-in closes.
   - Standard late fees apply for changes made during the **late** call-in period.
   - Changes include (but are not limited to):
     o adding or removing events
     o changing IMRA status
     o updating Side Jackpot entries
   - If you already know dates you need to call out, you may list them on the application. In those cases, a separate email is not required.
4) **Ribbon Roping:**
   - Ribbon Ropers and Runners will be entered as a draw partner unless a member is specified. As "ropers" may be limited, "runners" entering without a partner are not guaranteed to run. (Prepaid fees will be appropriately credited.) See the rule book for additional information.
5) **Team Roping:**
   - Junior/Senior Team Ropers and Adult Team Ropers will be entered with a draw partner unless a partner is listed.
   - Listed partners will remain "draw partners" until they call in.

What to Expect

1. After your application is received and processed, you will receive a Yearly Call-In Profile email confirming your enrollment and summarizing your information.
2. Near the start of each call-in period, your events will be automatically entered.
   - You will receive a Rodeo Events and Fees email as confirmation and as a reminder to notify us of any changes that are needed.
   - Unless you call out, you are responsible for all associated fees.

2026 Yearly Call-In Application
