5 HOURS OF DUTY

Four Platoon System

- 5.1 The provisions of this Article 5.1 apply to Members working the four platoon twelve-hour shift schedule and to the Members working the Regional Night Shift described in Article 5.1.6, with the necessary modifications.
 - 5.1.1 The Shift Schedule and the related provisions contained in this Article shall remain in effect for the currency of this Collective Agreement and thereafter shall remain in effect until changed by agreement or by an award of an arbitrator.

5.1.2 **Four Platoon System**

The four platoon system of twelve-hour shift scheduling consists of a member being on duty for twelve (12) consecutive hours, followed by at least twelve (12) consecutive hours off duty. A shift cycle shall contain two (2) twelve-hour consecutive day shifts followed by two (2) twelve-hour consecutive night shifts.

5.1.3 **Shift Schedule**

The four platoon system shift schedule is set out as Schedule "A" to this Article. A member's days off shall be established in accordance with the shift schedule.

5.1.4 **Definition of Hours**

SHIFT HOURS:

Definition of Hours:

D12: 6:00 a.m. to 6:00 p.m. – normal day shift
7:00 a.m. to 7:00 p.m. – alternative day shift

12:00 p.m. to 12:00 a.m. – alternative day shift

With respect to the 8:00 a.m. and 12:00 p.m. shifts, management shall request volunteers to fill these shifts, or if there are no or insufficient volunteers, management may assign members from the 6:00 a.m. day shift to those shifts upon given ninety-six (96) hours notice in accordance with Article 5.4.3 of this Agreement.

N12: 6:00 p.m. to 6:00 a.m. – normal night shift
4:00 p.m. to 4:00 a.m. – alternative night shift
7:00 p.m. to 7:00 a.m. – alternative night shift

With respect to the 4:00 p.m. shift, management shall request volunteers to fill these shifts, or if there are no or insufficient volunteers, management may assign members from the 6:00 p.m. night shift to those shifts upon given ninety-six (96) hours notice in accordance with Article 5.4.3 of this Agreement.

5.1.5 **Lunch**

Each member while on his/her twelve-hour shift shall have two rest or lunch periods of forty-five (45) minutes each. One is to be scheduled midway through the first six (6) hours of the shift, and the other midway through the second six (6) hours of the shift. Alternatively, by mutual agreement of the member and the supervisor, there may be one (1) rest or lunch period of ninety (90) minutes. Lunch or rest periods not taken as a result of work commitments shall be paid for at straight time, provided that the member has obtained prior approval from his/her supervisor to work the missed lunch. If a member takes his/her lunch break at the beginning or end of a shift, the member shall be deemed not to be on duty.

5.1.6 **Regional Night Shift**

The Board may initiate a Regional night shift deployed by the Duty Office. It shall only be staffed on a purely voluntary basis by Members. The Members will work on the four platoon system of twelve-hour shifts. A shift cycle shall consist of four (4) twelve-hour consecutive night shifts followed by four (4) consecutive days off. The Member must commit to one year of service on the Regional night shift. If there are more volunteers than required, Members with the greatest seniority as defined under this Agreement shall be entitled to work this shift. The hours of duty for this shift shall be 5:00 P.M. to 5:00 A.M.

5.1.7 Shift Premium

For the purpose of interpreting Article 9 of the Uniform Collective Agreement, a night shift shall be considered to be any shift which begins with the notation "N" and the day shift shall be considered to be any shift that begins with a notation "D".

5.1.8 Float Bank

Each member shall have a bank of one-hundred and four (104) hours per year of "float time" in recognition of the fact that the regular work week herein is forty-two (42) hours per week not forty (40). Ninety-six (96) hours of this time shall be characterized as "leave time", and may be taken at any time during the year. This time off shall be taken upon the agreement of the member and the supervisor. The member will select this float time at the same time and in the same manner as annual leave is selected. Eight (8) hours of float time shall be taken either in whole or in part upon the agreement of the member and the supervisor at any time during the year as the member and supervisor shall determine. Any unused float time may be paid out at the end of each year in the discretion of the Chief of Police. If a member is required to work on a day previously selected as float time, then such time shall be paid for at the overtime rate regardless of when the member is notified that he/she is required to work.

5.1.9.1 Where the member, the supervisor and District commander agree that the member shall not be required to take the float time or where circumstances do not permit the member to take the float time, the member shall be paid the value of the hours in their bank at straight time twice per year in July and January.

5.1.9.2 In circumstances of illness or Duty Injury, where a member cannot take the time off as required, the member and the supervisor will attempt to reschedule the time off within the six-month period, failing which the member shall be paid the value of the hours in their bank at straight time in July or January, as the case may be.

5.1.9.3 With respect to the eight hours that are scheduled off at the discretion of the member and the supervisor at any time during the year, where agreement was reached that the member did not need to take the float time off, or where circumstances did not permit the member to take the time off, the eight hours will be paid from the bank only in January of each year.

5.1.9.4 Members currently assigned to Compressed Twelve Hour schedules shall be assigned to an approved 40 Hour Work Week based on their platoon schedule when such member is absent due to illness or injury beyond a one (1) month period. This will allow the member's scheduled shift base to mirror the shift cycle of his or her respective platoon. The member's leave and statutory holiday entitlements will remain as previously approved with their original twelve (12) hour shift. The proposed shift base will not accrue float time.

5.1.10 Peak Period Minimum Staffing Numbers

Peak period minimum staffing numbers from 6:00 p.m. to 3:00 a.m. across the Region shall be amended as follows:

Districts	Sunday to Wednesday	Thursday	Friday & Saturday

Decrease in Thursday peak period minimum staffing numbers for 6 District from 6:00 p.m. to 3:00 a.m. from 5 constables to 4 constables from October 1st to April 30th of each year.

It is further agreed that the minimum numbers for the Thursday and Sunday of a holiday long weekend, as applicable, will be increased to the same minimums as set out for 6:00 p.m. to 3:00 a.m. on Fridays and Saturdays.

5.1.11 3:00 a.m. to 6:00 a.m. Minimum Staffing Numbers

3:00 a.m. to 6:00 a.m. Minimum Staffing Numbers across the Region shall consist of the following:

Districts	Staffing Numbers
1 District	11 + 2
8 District	5 + 1
2 District	7 + 2
5 District	4 + 1
3 District	5 + 1
6 District	3 + 1
Casino	2 + 1
Patrol Unit	

5.1.12 6:00 a.m. to 6:00 p.m. Minimum Staffing Numbers

Subject to the conditions set out below, the minimum staffing numbers from 6:00 a.m. to 6:00 p.m. shall be set as follows:

Districts	Staffing Numbers
1 District	11 + 2
8 District	5 + 1
2 District	7 + 2
5 District	4 + 1
3 District	5 + 1
6 District	3 + 1
Casino	2 + 1
Patrol Unit	

The parties acknowledge that it is management's right and function to manage the organization.

The parties agree that there must be at least the above 6:00 a.m. to 6:00 p.m. minimum numbers reporting for duty at the beginning of a shift, including, for these purposes, the officers scheduled to report on the 8:00 a.m. shift. Thereafter, the supervisor responsible for deciding whether to call members in on overtime shall consider the following factors:

1. Officer safety;
2. Public safety;
3. Court attendance requirements, including likely duration;
4. Training requirements;
5. The number of officers scheduled to report on the 8:00 a.m. shift;
6. Other factors impacting on the number of officers available and required for duty.

After considering those factors, the supervisor shall decide in his/her discretion, whether or not to hire on overtime.

The parties agree that a supervisor need not hire on overtime to cover short court attendances.

The parties agree that the decision of whether or not to hire on overtime to meet these 6:00 a.m. to 6:00 p.m. minimums shall be in the sole discretion of the supervisor, after consideration of the factors set out above.

The Chief shall instruct the supervisors to provide a written memo to the Deputy Chief, with a copy to the Association, containing the decision as to whether or not to hire, and the reasons therefore.

Staffing shortage to be defined as where the contractual minimum numbers are not available for deployment to general patrol duties. For greater certainty, members who are in training are not to be considered available for general patrol duties.

In the event that the Casino Patrol Unit is amalgamated with 2 District, the minimum staffing numbers for the Casino Patrol Unit and 2 District will be combined and the leave picks for the new amalgamated unit will be in accordance with the time off provisions in section 5.1.13. Further, in such event section 5.1.14 as it relates to the current composition of 2 District will be amended accordingly.

5.1.12.1 Members may be re-deployed between Districts in situations where minimum staffing numbers have not been met in accordance with the following procedure:

If available, members assigned to the Marine Unit, ETU and TEU will be re-deployed first for cross-District deployment to the District where the staffing shortage exists; if unavailable and/or staffing shortages still exist the staffing shortages may be filled by cross-District deployment to the District(s) that is below minimum staffing levels. In such circumstances members will first report to their home District and will be provided with Service transportation to the District he or she is being re-deployed to.

Subject hereto, members will not be denied special bank time off if, at the time of the request, their platoon is above minimum strength provided that the request is made twenty-four (24) hours prior to the commencement of the requested shift. This provision is not intended to apply to the deployment needed in respect of large public events or like circumstances creating a high demand for police resources.

Deployment pursuant to this article shall be consistent with the Memorandum dated 2013-05-06 attached as Appendix "J".

5.1.13 Leave Choices – Platoon Size

In 8 District, 5 District and 6 District, platoons of the following size shall be entitled to have the following numbers off on leave or statutory holiday at one time.

Platoon Size	Number of Members Allowed Off
1 to 7	1
8 to 15	2
16 to 23	3
24 to 31	4

In 1 District, 2 District and 3 District, platoons of the following size shall be entitled to have the following numbers off on leave or statutory holiday at one time.

Platoon Size	Number of Members Allowed Off
1 to 8	1
9 to 16	2
17 to 24	3
25 to 32	4

5.1.14 Leave Choices

In Districts 1 and 2 and 3 supervisors shall select their annual leave and float time prior to the selection of leaves and float time by constables.

In District 1 supervisors shall pick their annual leave and float time among supervisors in their platoon according to seniority as defined in the Collective Agreement. There can be a total of four (4) officers including a maximum of one (1) supervisor off at any one time and if there is no supervisor off, four (4) constables can be off at the same time.

In Districts 2 and 3 supervisors shall pick their annual leave and float time among supervisors in their platoon according to seniority as defined in the Collective Agreement. There can be a total of three (3) officers including a maximum of one (1) supervisor off at any one time and if there is no supervisor off, three (3) constables can be off at the same time.

In Districts 5 and 8 supervisors shall pick their annual leave and float time with their Platoons according to seniority as defined in the Collective Agreement.

There can be a total of two (2) officers off at any one time.

In District 6, supervisors shall pick their annual leave and float time with their Platoons according to seniority as defined in the Collective Agreement.

There can be a total of one (1) officer off at any one time.

In circumstances where the number of officers assigned to a Platoon is fewer than those identified in Article 5.1.13, the leave choices as identified in Article 5.1.14 shall govern.

Notwithstanding the maximum numbers allowed off at any one time set out above, where because of their numbers and weeks of entitlement, members cannot take all of their leave allotment by year end, the District Commander shall employ the following process to allow more members to be off such that all members are able to take their leave allotment by year end (except in extraordinary circumstances where, on reasonable grounds, the District Commander may decline to do so):

Supervisors shall determine the number of blocks required by their shift or unit to fulfill the annual leave obligations and will compare such number to the number of blocks available for the year.

In circumstances where the number of blocks of annual leave required exceeds the number of blocks available, the Supervisor shall make the requisite number of additional blocks available for selection prior to the commencement of any leave selection.

In the Central Court Unit (Police Bureau), members in Niagara North and Niagara South shall select their annual leave and float time separately from each other. Supervisors shall select their annual leave and float time among the supervisors in those areas according to seniority as defined in the Collective Agreement. In Niagara North there can be a total of two (2) officers and one (1) supervisor off at any one time and if there is no supervisor off there can

be a total of three (3) officers off at any one time and in Niagara South there can be a total of one (1) officer and one (1) supervisor off at any one time and if there is no supervisor off there can be a total of two (2) officers off at any one time.

5.1.15 **Shift Monitoring Committee**

The parties agree that there shall be a shift monitoring committee to deal with shift related issues including but not limited to scheduling and leave. The committee shall be composed of equal representation from both Service Management and the Association. The committee shall make recommendations to the Chief of Police for approval.

5.1.16 **Staffing Numbers**

The parties recognize that the Four Platoon System (excluding the regional night shift under Article 5.1.6) is designed to operate with a minimum of 280 constables and 36 sergeants and 12 staff sergeants assigned to platoons who will be working the schedule. If management chooses to operate with fewer than these numbers, it is recognized by both parties that overtime may be required to meet the minimum staffing numbers referred to in this Article. For the purpose of calculating staffing numbers, the parties agree that constables participating in a job share program shall each be counted as one full-time member.

5.2 **TEN-HOUR COMPRESSED WORK WEEK SCHEDULE**

5.2.1 A ten-hour shift scheduling system shall be established whereby a member shall be on duty for ten (10) consecutive hours, followed by at least fourteen (14) consecutive hours off duty, unless the parties agree otherwise. A normal ten-hour duty shift shall be as follows:

Day Shift:	0600 to 1600 hrs	Afternoon Shift:	1200 to 2200 hrs
or:	0700 to 1700 hrs	or:	1400 to 2400 hrs
	0800 to 1800 hrs	or:	1500 to 0100 hrs
		or:	1600 to 0200 hrs

5.2.2 Each member, while on their ten-hour duty shift shall have a rest or lunch period of seventy-five (75) minutes duration. Lunch or rest periods not taken as a result of work commitments shall be paid for at straight time.

5.2.3 A member's days off shall be established in accordance with the shift schedule.

5.2.4 A normal work week under the ten-hour shift schedule shall average forty (40) hours per calendar week.

Day Duties

5.3 The provisions of this Article 5.3 apply to those members scheduled to work eight (8) hour day shifts.

5.3.1 The normal work week shall consist of five (5), eight (8) hour days, including one (1) paid hour for a rest or lunch period, from Monday to Friday, inclusive. The rest or lunch period not taken as a result of work commitments shall be paid for at straight time.

General Provisions

5.4.1 The provisions of this Article apply to all members.

- 5.4.2 The Association and the Board shall jointly monitor the Scheduling System via a committee known as the Compressed Work Week Committee. The Committee will function in accordance with the Information Manual as established in the Policy and Procedures of the Service. The Parties are referring to this Committee the responsibility of evaluating the possible decrease in minimum staffing on Thursday nights and the increase in staffing minimums, including certain holiday weekends.
- 5.4.3 Except where ninety-six (96) hours notice of a shift change is impracticable given the exigencies of the Service, a member shall be given at least ninety-six (96) hours notice of a change in his or her regularly scheduled shift, failing which notice the member shall be paid at the rate of time-and-one-half for all hours worked on any changed shift commenced within ninety-six (96) hours of the notice being given.
- 5.4.4 Any requests for changes in days off where duties must be approved by the Chief of Police or designate, "designee" means the Deputy Chief, a Superintendent, a District Inspector, or a District commander.
- 5.4.5 If in the opinion of the Chief of Police there is a period of emergency or extra-ordinary conditions, however caused, the hours of duty and shift schedule shall be regulated and fixed by the Chief of Police. In these circumstances, the provisions of this Article shall apply insofar as in the opinion of the Chief of Police, they are practicable in the circumstances, and shall at all times be subject to the exigencies of the Service.
- 5.4.6 Each member covered by this Agreement shall report for duty at least 15 minutes prior to commencement of their tour of duty, which time shall not be included in computing the duration of the tour of duty, and shall be used to prepare for their tour of duty but will not be considered as overtime. For clarification, the 15 minutes may also be used for briefing purposes in the Communications Unit only.
- 5.4.7 Based on the understanding reached by the parties, other Compressed Work Week systems may be implemented on a trial basis in selected areas on the recommendation of the Compressed Work Week Committee and subject to the mutual agreement of the parties.

6 OVERTIME

- 6.1 Overtime shall mean all hours worked in excess of a regular tour of duty, and shall be paid for at time and one-half (1-1/2) for all such hours worked, save and except as otherwise expressly provided for in this Agreement, and save and except overtime for members participating in a Job Share Program, who remain entitled to overtime but only after working forty (40) hours in a week, or forty eight (48) hours in a block, as applicable. For greater certainty, this provision respecting the payment of overtime to members participating in Job Share Programs only after forty (40) hours in a week or forty-eight (48) hours in a block does not apply to the payment of Court Allowance and Special Duty.
- 6.2 Overtime worked by a member in excess of fifteen (15) minutes but less than one-half hour, such member shall be paid for one-half hour at the overtime rate. Where overtime worked by a member is in excess of one-half hour but less than one (1) hour, such member shall be paid for one (1) hour at the overtime rate. Overtime worked in excess of the first hour shall be calculated to the nearest quarter hour, it being understood that if the time worked in such quarter hour period is less than seven and one-half (7-1/2) minutes, no allowance shall be made therefore.

- 6.3 Overtime and court time as set out in Article 13, shall be paid for by direct deposit calculated at the overtime rate or court time rate, at the option of the member of the Service who has worked such overtime or court time. Payment shall be made to the member on a bi-weekly basis, unless such member shall have indicated by a notice in writing at the end of the two week period, to the Manager of Finance, that he or she elects to take time off in lieu thereof, in which case the date upon which time off shall be taken shall be determined on mutual agreement between the member and his or her District Commander.
- 6.4 Intentionally deleted.
- 6.5 Overtime worked and paid for by direct deposit shall be computed at an hourly rate based on the annual salary of the member affected at the time such overtime is worked, divided by 2,080 being the total annual regular hours of work. Time worked in excess of a regular tour of duty shall not be deemed as overtime unless it exceeds fifteen (15) minutes.
- 6.6 Any member of the Service covered by this Agreement who has worked overtime, may designate such overtime to a Special Overtime Bank (called the "bank" in this subarticle). The bank shall not exceed one hundred and twenty (120) overtime hours (called "the maximum allowed hours" in this subarticle) at any given time, but may be replenished by the member. The bank shall not be subject to the provisions of Articles 6.3, 6.4 and 6.5 and can only be taken by the member as time off, at the discretion of the Chief of Police. It is understood that upon retirement the maximum number of hours that shall be paid out to a member relating to hours the member has in the bank shall be one hundred twenty (120) overtime hours. Any member having more than the maximum allowed hours in the bank as of July 22, 1996 shall retain those hours in the bank and shall take the hours as time off in accordance with the provisions of this subarticle, provided that such member shall not be permitted to add hours to the bank until the hours in the bank are less than the maximum allowed hours and at that time any future overtime hours exceeding the maximum allowed hours shall be paid to the member in cash.

7 ACTING RANKS

- 7.1 Subject to sections 7.2 and 7.4 below, any member of the Service covered by this Agreement who is required to perform the duties of a higher rank shall receive the pay of such higher rank for the total number of days worked in this capacity.
- 7.2 A Member shall not receive acting pay when performing the duties of a higher rank during periods of casual absence of a supervisor. For the purposes of this article, casual absence means a temporary absence from the workplace as a result of lunch, breaks, meetings or appointments during which the supervisor remains on duty.
- 7.3 Acting rank shall be distributed to qualified Members on an equitable basis, subject to the exigencies of the Service. For greater certainty, acting rank includes the rank of Inspector.
- 7.4 Subject hereto, any Member required to perform the duties of the rank of Inspector shall be paid at the lowest step of such rank. All time served in the role of Acting Inspector shall be accumulated and credited for placement or advancement to the next salary step when sufficient credits are so accumulated. For acting purposes, Members will require 1600 hours of acting time to be placed or advanced through to Step 2 and a further 1600 hours to be placed or advanced through any additional salary steps. For promotion purposes, all time served in the role of Acting Inspector will be credited and will qualify the member to the appropriate salary step in accordance with the pay graduation credits applicable to the salary steps for the rank of Inspector.

8 EMERGENCY AND CALL-BACK DUTY

- 8.1 Each member, including Cadets, who has completed their regular tour of duty and left the place where the regular tour of duty is terminated and who is required to report for duty due to an emergency or impending emergency, as determined by the Chief or designee, shall be paid at overtime rates and in any such event shall be paid not less than three (3) hours at overtime rates. It is also agreed that where a member is required to report for an emergency while on his or her lunch hour, or where a member is required to remain on duty after the completion of their normal tour of duty and is required to report for an emergency, this clause shall not apply.
- 8.2 Each member, including Cadets, who has completed their regular tour of duty and left the place where the regular tour of duty is terminated, and is called back and reports for duty prior to the beginning of the member's next tour, shall be paid at overtime rates for time worked prior to such tour and in any such event shall be paid not less than three (3) hours at overtime rates. This provision shall not apply where the member has been notified of the callback at least forty-eight (48) hours prior to the said callback, including where there is a planned change in work schedules to meet staffing requirements.
- 8.3 It is agreed that the above provisions shall not apply where callback of a member, including Cadets, has been necessitated by reason of some negligent or improper act or omission on the part of such member, during the course of his or her duty. Payment for such overtime shall be paid to the member on a bi-weekly basis.

- 9.2 For Members working the 10 hour Compressed Work Week System, no premium shall be paid for hours worked on the day shift.
- 9.3 Members of the Service who work afternoon and night shifts will be paid as follows:
- For all work performed on an afternoon shift there shall be a premium of 40 cents per hour. The afternoon shift is defined as a regular tour of duty in which the majority of the hours worked fall between four o'clock (4:00 p.m.) and twelve o'clock (12:00) midnight.
- For all work performed on a night shift, there shall be a premium of 50 cents per hour. - 9.4 For greater certainty, the parties agree that a member shall not be entitled to payment of a shift premium as provided in this article for hours worked when those hours are paid at the overtime rate in accordance with Article 6.

10 STAND-BY DUTY

- 10.1 Each member covered by this Agreement, including Cadets, who is directed to stand by for duty, while off duty, for any reason, shall be paid at the rate of three (3) hours for each twenty-four (24) hours or part thereof until notified to stand down. Payment for such stand-by time shall be paid to the member on a bi-weekly basis.

- 11.2 The provisions of Articles 11.1 to 11.15 inclusive will apply to all members of the Service who commenced their service prior to January 1, 1990. - 11.3 Each member covered by this Agreement hired prior to January 1, 1990 shall be granted twelve (12) hours leave on account of sickness for each and every month of active service with full pay at the member's current rate of pay.
- 11.4 The hours of sick leave unless used, shall be accumulative with no maximum.
- 11.5 Each member covered by this Agreement having accumulated sick leave, who retires at normal retirement date, or after any extension thereof, or who is dismissed by reason of ill health, or resigns by reason of ill health, shall be granted a leave with pay at the current rate of pay for the number of hours then standing to their credit, but payment for such leave shall not in any event exceed one-half of the member's yearly salary at the current rate of pay.
- 11.6 After completing five (5) years of service, each member covered by this Agreement, upon resignation, shall be granted one-half pay at the current rate of pay for the year for the accumulated sick leave then standing to his or her credit, but the pay shall not exceed one-half of the member's current yearly salary in any case.
- 11.7 Any member covered by this Agreement who is dismissed for cause shall forfeit all accumulated sick leave standing to their credit.
- 11.8 A member who commenced his/her Service prior to January 1, 1990 reporting for duty and later becoming sick and unable to complete his/her regular tour of duty, shall be credited with the number of hours worked, and shall be required to access his/her sick time hours for those hours not worked.
- 11.9 In the event of the death of a member covered by this Agreement, there shall be paid to the personal representative of his or her estate, pay at the current rate of pay for the number of hours sick leave then standing to his or her credit. Payment for such leave shall not in any event exceed one-half (1/2) of his or her yearly salary at the current rate of pay.
- 11.10 The current hourly rate of pay mentioned in the provisions of this Article of this Agreement shall be computed by dividing the amount of the member's yearly salary in effect at the date of retirement, or resignation, by two thousand and eighty (2080).
- 11.11 INTENTIONALLY DELETED
- 11.12 A member who, on account of illness or injury is absent from work for five (5) or more consecutive working days or fifteen (15) or more accumulative working days in a calendar year may be required to submit and if required will submit, a completed physician or psychologist's report to the Board or its designate by the end of the five (5) consecutive days or fifteen (15) accumulated working days referred to above. Such report will provide a reason for the member's absence and a prognosis for return to work by the member's physician/psychologist. If the member's absence continues beyond five (5) consecutive working days or fifteen (15) accumulated working days in a calendar year, the member may be required by the Board or its designate to report to a physician or psychologist selected by the Board for a medical examination. The Board's physician or psychologist is authorized to

11.13 The Member consents that all medical information or reports, x-rays, etc., relating to his/her medical condition will be made available to the Board's physician, psychologist or the independent physician/psychologist as the case may be. The member authorizes the release to the parties of such physician's report(s) and prognosis.

11.14 Any fee charged by the member's physician or psychologist, that is not provided for in the medical, hospital and drug coverage provisions of the Working Agreement, shall be borne by the Board up to a maximum of one hundred dollars (\$100.00) where the report is from a general practitioner and one hundred and fifty dollars (\$150.00) where the report is from a specialist. If you are under age 60 or over age 60 and under 65 and have extended your coverage under Article 11.28.2, and began your employment with the Niagara Regional Police Service on a full time basis on or after January 1, 1990, you are covered under the Long Term Disability Plan.

11.28.2 **TERMINATION OF BENEFIT**

All insurance terminates automatically upon termination of employment, or attaining age 60 or date of retirement on pension if earlier, provided that for any member who has not reached his/her OMERS 85 factor at age sixty (60), the Board shall provide LTD coverage at the Board's cost to the earlier of the date the member turns sixty-five (65), or reaches his/her OMERS 85 factor.

11.28.3 **AMOUNT OF DISABILITY INCOME BENEFIT**

Long Term Disability Insurance Plan, when in effect, will provide seventy-five percent (75%) of income, based on own occupation for a minimum period of two (2) years.

11.28.4 **MAXIMUM PAYMENT PERIOD**

The maximum period of payment is to age 60 or date of retirement on pension if earlier.

11.28.5 **DEFINITION OF TOTAL DISABILITY**

"Total disability" is defined as the complete inability of the employee due to accident, sickness, or injury to perform the employee's own duties.

11.28.6 After the claimant has received twenty-four (24) months of benefit payments, benefits will only continue if the employee is unable to perform any and every gainful occupation for which the claimant is reasonably fitted by education training and experience.

- 11.28.7 If the claimant returns to work, benefits will cease except if the claimant is under a rehabilitation program.
- 11.28.8 **AMOUNT OF DISABILITY INCOME**
If you become disabled while insured as a result of sickness or injury, you will receive a monthly payment. To qualify for this payment, you must be disabled and under the care of a legally licensed physician. In case of disability due to mental illness, you must be under the continuing care of a specialist in psychiatry.
- 11.28.9 **MAXIMUM PAYMENT PERIOD**
Payment will continue to be made to the earliest of the date on which the disability ceases to exist or death, or to the end of the Maximum Payment period described under Amount of Disability Income Benefit.
- 11.28.10 **QUALIFYING PERIOD**
Entitlement to the monthly payment will commence on the day the twenty-six (26) week short term disability period expires.
- 11.28.11 Successive disabilities separated by less than three (3) consecutive months during which you were not disabled, will be considered one disability unless the subsequent disability is due to a different cause.
- 11.28.12 **REHABILITATION PROVISION**
Where you become disabled and engage in any gainful occupation for the purpose of rehabilitation, you will continue to be considered as disabled, provided you have not engaged in such occupation until you have been continuously disabled for a period of disability at least equal to the Qualifying Period or until you have engaged in such occupation for twenty-four (24) consecutive months.
- 11.28.13 The amount of Disability Income payable to you under this provision will be equal to the amount of Disability Income Benefit payable to you, reduced either:
1. By 50% of the earnings received by you from any occupation engaged in during such disability, or,
 2. To the extent necessary so that the total income you receive from all sources, including this plan, but not an individual insurance policy, will not exceed seventy-five percent (75%) of the earnings you were receiving from your normal occupation immediately before you became disabled, whichever results in the lesser amount of Disability Income Benefit being payable to you.
- 11.28.14 **INTEGRATION OF BENEFITS**
If you are disabled, the monthly payments under this plan will be reduced by the amount of any Periodic Payments you are entitled to apply for and receive with respect to the disability under any *Workplace Safety & Insurance Act*, the Canada Pension Plan or the Quebec Pension Plan. The amounts deducted will not include any additional benefits payable for children or subsequent cost of living increases.
- 11.28.15 If you are entitled to receive disability benefits from a source other than the three mentioned above (other than an individual insurance policy), the benefits payable under this plan may be further reduced.
- 11.28.16 **LIMITATIONS**
No benefits will be payable for any period of disability during which you are not under the care of a physician or surgeon legally licensed to practise medicine.

 4. Committing or attempting to commit a criminal offence.
- 11.28.18 No benefits are payable for injury or disease for which you received medical treatment within ninety (90) days immediately prior to the date on which you become insured. This exclusion will not apply to a continuous period of disability which commenced more than twenty-four (24) hours after you became insured.
- 11.28.19 **HOW TO MAKE A CLAIM**
Claim forms are available from the Personnel Office.
- 11.28.20 For prompt payment, it is necessary that the claim forms be completed in full. They should be submitted to the Insurance company.
- 11.28.21 It is obligatory that a member applies for a disability pension under the Canada Pension Plan prior to submitting a claim under the Long Term Disability Plan.
- 11.28.22 **TIME ALLOWANCE FOR SUBMISSION OF CLAIMS**
Benefits will be paid to you monthly in arrears.
- 11.28.23 The commencement date for the payment of claims is the date on which the Short Term Disability period of twenty-six (26) weeks has expired, provided that the initial and satisfactory proof of your disability has been received by the Insurance Company.
- 11.28.24 **CONTINUATION OF BENEFITS AFTER TERMINATION OF THE PLAN**
In the event of termination of the Plan while you are disabled, payments during the period of disability will continue to be paid as though the Plan remained in force.

- (i) If leave is to be rescheduled, such rescheduled leave shall be taken by mutual agreement within three (3) months of the member's return to work;

Members having completed twenty-eight (28) or more years of service shall be granted two (2) additional floater days off. Floater days off shall be taken upon mutual agreement with his or her District Commander.
- 12.10 Each Member shall be paid at the rate of time and one-half (1-1/2) for all hours worked on a statutory holiday.
- 12.11 Annual vacations and statutory holidays will be granted in accordance with the following provisions of this Article.
- 12.12 Annual vacations will be scheduled so that all officers working Day Duties will have a minimum of two (2) weeks (ten working days) annual vacation during the prime vacation time, if they so desire. For those officers who are working the Ten-Hour Compressed Work Week System or the Twelve-Hour Four Platoon Shift System they may take a minimum of two (2) complete blocks of shifts during the prime vacation time, if they so desire.
- 12.13 To accomplish this, personnel with only eight (80) hours annual vacation may apply their statutory holidays for any extra days that may be necessary to give them the two (2) complete blocks of shifts. This is subject to Clause "e" below. To effect this, the following will apply:

- a. Prime Vacation Time is defined as June, July, August and September and the last two (2) weeks in December.
- b. Members with only eighty (80) hours annual vacation will be allowed to take the two (2) blocks consecutively, or to split the eighty (80) hours only once, at the option of the member.
- c. Statutory holidays, when applicable, and any annual vacation not taken in the prime vacation time, must be taken between January 1 and May 31, or between October 1 and the last two (2) weeks in December.
- d. All statutory holidays and annual vacation must be completed by December 31, in any year, except for any unusual circumstances. If under these unusual or mitigating circumstances, then only with the approval of the Chief of Police.
- e. Supervisors scheduling annual vacation or statutory holidays shall give preference to the request of members on the basis of greater seniority, wherever practicable. Therefore, seniority will permit all members to request two (2) weeks or two (2) complete blocks of shifts off in the first instance. Then this cycle would commence again on the basis of seniority and work from the member with the greatest seniority to the member with the least seniority, until all annual vacation and statutory holidays have been scheduled.

In the event that two or more members of equal seniority apply for the same annual leave time, the District Commander shall attempt to accommodate the request of such member, subject to the exigencies of the Service, and if the issue cannot be resolved to the affected member's satisfaction, the issue shall be resolved by a coin toss.

- f. Once the schedules of annual vacation and statutory holidays have been sent to the Deputy Chief of Police, they may not be changed except with the consent of the Chief of Police.

In the case of transfers and if a change in the statutory or annual vacation is necessary, such change will be made only with the approval of the officer concerned.

- g. Statutory holidays and annual vacation schedules must be submitted by the 15th day of December of the previous year.
- h. All of the provisions of Articles 12.12 and 12.13 shall be subject to the exigencies of the Service.
- i. The annual leave entitlement of any member for the years 2007 and thereafter, who has served time in any other police service as a sworn officer or who has served time in a military police capacity, shall be calculated by including the years of service with the prior police service or military police service, provided that seniority for the purposes of determining the order of vacation picks in accordance with sub-paragraph (e) above shall be defined as seniority with the Niagara Regional Police Service. For greater certainty, previous service time for the purposes of this section does not include time spent as a provincial offences officer, special constable or municipal law enforcement officer or such similar position unless members have previously been provided with credit for such service. It will be the responsibility of the

member claiming previous service time to provide satisfactory proof to support such claim. For the year 2006 when a serving member is hired from another police service in Ontario, the annual leave entitlement of that member shall be calculated by including the years of service with the prior police service, provided that seniority for the purposes of determining the order of vacation picks in accordance with sub-paragraph (e) above shall be defined as seniority with the Niagara Regional Police Service.

- 12.14 This Article 12.14 applies to those Members working the Ten-Hour Compressed Work Week Schedule described in Article 5.2 and who work day duties as described in Article 5.3.
- 12.14.1 So as not to impair the efficient operation of the Service, Units of eight personnel or less, are allowed to have only one (1) person off on annual vacation or statutory holidays at any one time.
- 12.14.2 Units of nine (9) to sixteen (16) personnel are allowed to have two (2) persons off on annual or statutory holidays at any one time.
- 12.14.3 Units of seventeen (17) to twenty-four (24) personnel are allowed to have three (3) persons off on annual or statutory holidays, at any one time.
- 12.14.4 Units of twenty-five (25) to thirty-two (32) personnel are allowed to have four (4) persons off on annual or statutory holidays, at any one time. This shall increase by one (1) further person for every increase in unit size of eight (8) persons or multiples thereof above thirty-two (32) personnel.
- 12.14.5 But, in any event, no person may take any more than two (2) weeks (ten (10) working days for those Members on day duties, or eight (8) working days for those Members working the Ten-hour Compressed Work Week System) or two (2) complete blocks of shifts of vacation during the prime vacation time, unless there is sufficient time open to take additional weeks.

The hourly rate of pay shall be based on the annual salary of each member of the Service affected, divided by 2,080, being the total annual regular hours of work. With respect to members working the 12 hour Compressed Work Week schedule, it is understood that annual vacation includes the 2 days immediately preceding the member's vacation (and, effective April 11, 2017, the 4 days immediately preceding the member's vacation) and the 4 days immediately following the member's vacation. If the General Counsel for the Association attends at a S.I.U. call outside normal business hours in circumstances where outside counsel is unavailable or there is a conflict that requires more than one counsel, the Association will be reimbursed at the rate of \$150.00 per hour.
- 49.9 In the cases of aggravated assault, assault causing bodily harm or the included offence of ordinary assault, the indemnification referred to in clause 49.1 shall be limited to only those fees that would have reasonably been incurred if the matter was tried in Provincial Court unless the officer first obtains permission to elect to be tried by any other court. - b. Participants shall retain their status as full time employees of the Service except as provided in this Agreement.

	<p>for this assessment, and not, in any way, for treatment.</p> <p>I further authorize a physician of Workplace Medical Corporation to confer with my Family Physician and/or any medical specialists assisting in my medical evaluation, and that their combined findings with respect to the reason for my absence from work, the prognosis for my return to work, any restrictions/accommodation required upon my return to work and whether I am taking any medication that could impact on my ability to return to work safely, may be included in the report.</p> <p>The report will be provided to Donna Marlow (Employer representative), Sharon Miller (Association representative), and to myself.</p> <p>I have read and understand the above. I have been given an opportunity to ask questions.”</p>
<p>I</p> <p>Is a member entitled to refuse to sign a waiver produced by any physician if that waiver involves a requirement that the physician disclose more than the reason for absence (or continued absence) and prognosis for his/her return to work.</p>	<p>The parties agree that this issue can be addressed through an appropriately worded referral letter. The Board will request a copy of the waiver prior to the appointment and will provide it to the Association. Either party may request reasonable amendments.</p>
<p>J</p> <p>Is the member entitled to obtain a copy of a waiver he/she has signed directly from the Board-appointed or independent physician.</p>	<p>Physicians will provide a person being examined with a copy of the waiver, if requested. If he/she refuses to do so, the employer will provide the member with a copy once provided by the doctor. Providing that a jointly worded referral letter (for IME's) has been used for the referral and the waiver (for Board and IME reports) has been provided, a member will not refuse an examination on the basis that they have not been provided with a copy of the waiver.</p>
<p>K</p> <p>Is the member entitled to obtain directly from the Board-appointed or independent physician, a copy of the medical report that will be sent to the Board?</p>	<p>A physician is required to provide a patient with a copy of a medical report, unless it will injure the patient. The referral letter to the physician will ask the doctor to provide the Board, the member and the Association with a copy of the report.</p>
<p>L</p> <p>If the Board obtains a report containing medical information that exceeds its' entitlement under the collective agreement and which was disclosed to the Board, without the members' consent, is the member entitled to have the report sealed and returned to him/her?</p>	<p>A report which contains more medical information than the Board is entitled to will not be kept in the employee's file. The Board will ask the physician to provide a new report with the offending sections excised. The original report will be returned to the employee.</p>

M	Under what circumstances may the Board require a member to submit either to a psychiatric assessment or psychological assessment?	When a member is absent from work, Article 11 of the Uniform Collective Agreement and Article 8 of the Civilian Agreement will apply. After consultation with the Association, any referral for the purposes of a psychiatric or psychological assessment will be based on a demonstrably, justified concern. The parties acknowledge that this situation may occur when a member is still at work.
N	When the member is required to attend a medical appointment for a Board-appointed physician or for an independent medical assessment, is the member on-duty or on sick leave?	An employee who is required to attend a medical appointment remains on sick pay for pay purposes. However, if a member incurs an injury going directly to, at or returning directly from a doctor's appointment, the Board will support the member's claim that the injury is compensable.
O	May the Board implement changes to administration of the sick leave/sick plan without referring such proposed changes to the joint Board and Association Committee on sick leave and sick plan?	The parties acknowledge the LOU attached to the Collective Agreements and agree that the Sick Leave/Sick Plan Committee will reconvene and work in good faith to resolve any issues with regard to sick leave/sick plan.
	RETURN TO WORK SITUATIONS	
P	When a member who has been off work advises that he/she is fit to return to work, what medical information, if any, is the Board entitled to require the member to provide from his/her own physician?	The parties agree that when there is a real question with regard to a return to work, the Board may require further information from the member's physician. Members will provide the Board with documentation that includes any restrictions and any accommodation requirements.
Q	Under what circumstances, if any, is the Board entitled to require such a member to be examined by a Board-appointed or independent physician?	The parties agree that upon a return to work, any concerns regarding the member's safe return or accommodation will be pursued through the member's physician before any other referral is made. If the member's physician is unable to satisfy or answer concerns, such member may be referred to a Board physician (unless such a referral has already been made), or to an independent physician (in all

		other cases). The agreed upon process will be followed, as set out for referrals to an independent physician.
R	If the Board is entitled to require the member to be examined by a Board-appointed or independent physician, what kind of medical information is the Board entitled to obtain from the physician?	The parties agree that the Board is entitled to know if the employee is fit to return to work and has any ongoing restrictions or accommodation needs and how long such restrictions are likely to last. The parties further agree that the Employer is entitled to ask if the member is taking any medications that could impact upon his/her ability to work safely.
	<u>MEMBERS WORKING IN ACCOMMODATED POSITIONS</u>	
S	When a member is working in an accommodated position, what medical information, if any, is the Board entitled to obtain from the member's own physician?	The parties agree that updated medicals may be requested in situations where the temporary accommodation is continuing beyond what was expected or where the need emerges to determine if the accommodation/restriction is permanent. Every effort will be made to obtain this information from the member's own physician. If information is not provided or the physician is not cooperative, the Board may pursue this information through an agreed upon independent physician.
T	Under what circumstances, if any, is the Board entitled to require such a member to be examined by a Board appointed or independent physician?	The parties agree that if such circumstances occur, the matter will be discussed prior to the Board seeking an updated report from the independent practitioner. Such requests will not be done as a matter of course.
U	If the Board is entitled to require the member to be examined by a Board appointed or independent physician, what kind of medical information is the Board entitled to obtain from the physician.	The parties agree that the Board may obtain information about the member's ongoing restrictions and how long these restrictions are expected to last.
V	Under what circumstances, if any, is the Board entitled to require any medical information not otherwise detailed in this document.	The parties agree that any other issues not otherwise addressed above, will be dealt with on a case by case basis.

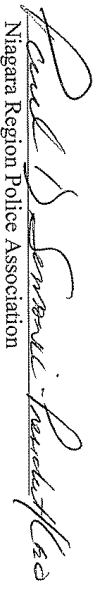

<p>W Under what circumstances, if any, can the Board unilaterally set out a requirement for medical information? (For example General Order 051 outlines an attendance management system. Pursuant to that order members have been requested to complete health review and health practitioners' questionnaires for the purposes of determining whether intermittent absences are the result of a chronic illness or disability.</p>	<p>Article 11.19.5 of the Uniform Collective Agreement and Article 8.17.5 of the Civilian Collective Agreement apply in these circumstances. The parties further agree that there needs to be some consistency in the information required in order for a member to both declare a chronic illness in the initial stage and provide annual updates with respect to the status of the chronic illness. The parties have agreed and have begun to develop a form to be used for members (through their physicians) to declare a chronic condition and provide annual updates pertaining to the declared chronic condition to the Board.</p>
--	---

4. The parties agree to the following with respect to the permanent accommodation of disabled members:

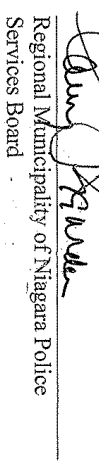

The parties acknowledge that the employer has an obligation to permanently accommodate a disabled employee in accordance with the *Ontario Human Rights Act*, and that the employer, the Association and the employee have an obligation to co-operate fully in that accommodation process.

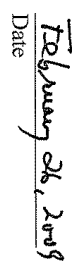

The parties acknowledge that permanent accommodation is to be considered on a case by case basis. The parties acknowledge that permanent accommodation options can include, but are not limited to, and depending on the circumstances of the individual case, reduced hours, ergonomic changes, assignment to another position, bundling of job duties, or other options that may be appropriate in an individual case, and subject to any pay adjustments appropriate in the circumstances.

5. The parties agree that Arbitrator Laura Trachuk will remain seized with any issues relating to the interpretation, implementation and enforcement of this settlement and with any additional/new matters, in relation to medical, sick leave and/or accommodation issues that require resolution.

MEMORANDUM

To: All Members

Date: 2013-08-22

From: Deputy Chief Bryan MacCulloch

Subject: Cross-District Deployment

Article 5.1.12.1 of the Uniform Collective Agreement permits the deployment of uniform personnel between Districts in situations where shift shortages exist.

Until further notice, the following practice will apply:

1. The Duty Officer will be responsible for identifying regional staffing needs and authorizing Cross-District deployment.
2. In accordance with Article 5.1.12.1, Cross-District deployment may occur when a District is below minimum staffing levels identified in the Collective Agreement.
3. In accordance with Article 5.1.12.1, Headquarters Units (Marine, ETU and SEU), if available, will be deployed first. Any District above minimum staffing may then be directed to deploy staff.
4. The Platoon Supervisor will be responsible for selecting personnel for deployment. In making this selection, Supervisors will consider the following:
 - a. The officer's work assignments or follow-up investigations;
 - b. The preference of individual officers; and
 - c. Equitable distribution of assignments.
5. Supervisors will not be redeployed except in circumstances where confirmed rank requirements have been met. In such situations, patrol sergeants may be deployed to #3 District.
6. Nothing restricts the authority of the Duty Officer to redeploy personnel in exigent circumstances.

This practice will be reviewed at the conclusion of one year to determine its impact and effectiveness.
