If required, the grievance procedure shall proceed to the next higher step as outlined in the Collective Agreement.

5.02 Step 1

Any officer and/or their Association representative who chooses to proceed with a grievance shall within five (5) working days of becoming aware of such grievance, discuss the circumstances with the officer's immediate supervisor. If no request to proceed to conciliation or arbitration is made within twenty (20) working days of receipt of the Board's written decision, the grievance shall be deemed to have been settled.

However, if an officer schedules his/her vacation at a time when he/she is aware a court appearance is required, the officer will be deemed to be working at the time of the required court appearance.

b) An officer shall be eligible for a maximum of seventeen (17) weeks of coverage under the STD Plan for any one continuous absence. Should an officer return to work from an absence covered by this Plan and be absent again due to the same factors which caused the initial absence, then the seventeen (17) week period shall be considered not to have been interrupted for the purpose of the Plan where the intervening period of employment was one (1) calendar week or less.

Subject to the limitations of Article 24.01(k) of this Agreement, an officer who suffers a subsequent disability or illness or the recurrence of a disability or illness which occurs more than one (1) calendar week after the original incident of disability or illness shall receive benefits of the Plan from the first day of absence.

If an officer who is receiving benefits under the STD Plan is laid off or separated from Sarnia Police Service by reason other than retirement prior to the termination of an illness or injury, short-term disability benefits will be continued to a maximum of seventeen (17) weeks from the onset of the illness or injury.

c) An officer shall be permitted to accumulate at full salary sick leave credits from year to year to a maximum of 216 hours, however, no officer shall be eligible for more than 216 hours of absence at full salary, and such accumulated credits shall not be used for any other purpose.

f) At the officer's option, which can be exercised at any time after five (5) years of service with the Board provided it is delivered in writing to the Secretary of the Board, the officer has the right to have his/her accumulation of frozen sick leave paid out as follows:

i) to be provided with a cash payout to a payee designated by the officer upon retirement, resignation or other termination to be paid at the salary rate applicable at the time of such termination of employment;

ii) to be provided with such sick time pay-outs to a payee designated by the officer as may be desired once per annum, such payout to be made at the rate of salary in effect at the time for the officer, and such pay-outs are not to be affected by any retro-activity resulting from negotiated or arbitrated amendments to the Collective Agreement. It is further understood that for each hour of time paid out to an officer, two (2) hours shall be deducted from his/her "frozen sick-leave" bank. Total payment shall in no case exceed 1040 hours.

iii) Any officer eligible for a payout of their remaining "frozen sick leave" may utilize these credits for additional vacation. Two (2) frozen sick leave hours can be used as an additional hour of vacation. Any additional vacation beyond a total of one (1) week per calendar year will require the approval of the Chief of Police.

Scheduling of additional vacation will be done in accordance with the collective agreement and the Sarnia Police Service practice(s).

g) If an officer dies prior to otherwise terminating his/her employment with the Board, the officer's estate shall be entitled to receive payment for one-half (½) of the total amount of outstanding "frozen sick leave" subject to the limitations of paragraph 24.01 (e) above.

h) Former Clearwater officers who were not eligible for a pay-out of sick leave credits shall not be eligible for pay-outs pursuant to paragraphs 24.01 (f) and (g).

i) Benefit coverages as per the Collective Agreement shall be continued while the officer is receiving salary continuance under the STD Plan.

j) Officers shall be permitted to use any accumulated "frozen sick leave", court time, statutory holiday time or annual leave time credits for top-ups of 75% days.

k) With respect to the absences covered by the STD Plan, there shall be a two (2) day waiting period prior to the commencement of coverage for the fifth and subsequent absence in each calendar year. Any officer suffering from a medically documented chronic condition shall not be subject to the two (2) day waiting period for recurring absences resulting from the chronic medical condition. To be eligible under this provision, an officer must annually submit medical documentation acceptable to the Chief, attesting to the chronic condition. The cost of these medical certificates shall be borne by the member.

l) The Chief or his designate may ask for a medical certificate for any absence of three (3) days or more or after the third occurrence of absence in any calendar year, and the cost of such certificate shall be borne by the Board up to a maximum of fifty dollars (\$50.00). In such case the receipt of a certificate acceptable to the Chief or his designate shall be a condition of payment under the Short Term Disability Plan. Notwithstanding the above, all medical certificates required after the fifth frequency in any twelve (12) month period shall be at the cost of the employee.

m) As established by the authorities on accommodation, officers shall cooperate in an early and safe return to work by maintaining reasonable communications as is necessary through the period of recovery and impairment with the Police Chief or designate and providing updates on changes to limitations and restrictions that may impact on the present or potential accommodation to facilitate a safe and early return to the workplace.

For greater clarity, reasonable communication will involve providing the duration of the limitations and will provide an update immediately after the expiry of the limitations period and the timely response to the Sarnia Police Services offer of accommodation for an early and safe return to work.

24.02 The Board shall provide, at its expense, a Long Term Disability (LTD) Plan for all officers covered by this Agreement effective from the first day of the month following the first month of employment. Subject to the provisions below the LTD Plan shall be as fully described in the Master Policy, however, it is strictly understood that the Board is not the insurer of the benefits.

a) The LTD Plan shall provide a benefit of 70% of gross pre-disability regular monthly earnings, to the LTD Plan ceiling of \$7,500.00 per month, for illness or injuries extending beyond seventeen (17) weeks in duration. The ceiling shall be reviewed after the settlement of each year's Collective Agreement.

b) The monthly employment, disability and retirement income receivable from all sources may not exceed 85% of pre-disability income, and the LTD Plan benefit may be reduced accordingly. The monthly benefit is reduced by a disability income payable under a government plan after the officer becomes totally disabled, including but not limited to a disability pension to which the disabled officer is entitled under the CPP/QPP, excluding benefits for dependant children. Increases in the disability income payable under a government plan may occur because of an automatic adjustment in the cost of living. These increases will not further reduce the amount of the monthly disability benefit.

c) The LTD Plan benefits shall be payable until the earliest of:

- i) the insured person ceases to be disabled;
- ii) the insured person reaches normal retirement age; or
- iii) the insured person dies.

Re: Accommodation of Disabled Members

The Sarnia Police Service Board and the Sarnia Police Association are committed to working co-operatively to accommodate temporary and permanently disabled members in accordance with the Police Services Act of Ontario and the Ontario Human Rights Code.

The Board and the Association agree that safe and effective accommodation of a member's return to work can only be done with the appropriate information while respecting the member's rights under *The Personal Health Information Protection Act, 2004*.

For the safe return to work of a member, the parties agree that the member must disclose information to the Service as requested on the attached "Sarnia Police Service - Medical Certificate."

If the member cannot return to any duties or is on modified duties, the "Sarnia Police Service-Medical Certificate" shall be completed by the member's physician at reasonable intervals to identify any changes to the member's disability status and/or accommodation requirements.

Costs associated with obtaining the required "Police Service -Medical Certificate" shall be reimbursed by the Board when the completion of the "Police Service- Medical Certificate" is requested by the Chief or his designate.

If the Chief is of the opinion that the appropriate information to accommodate the member safely was not received, the Service will notify the member identifying the information to be provided from the member's physician.

Upon receipt of the updated information, should the Chief decide for cogent reasons that the member's physician still has not provided reasonable information to satisfy the Chiefs legislative responsibilities for accommodation or where the Chief has received conflicting medical opinions, the Chief will notify the member and the Association that an Independent Third Party review is required. The member may choose the Independent Third Party physician from a) or b), as follows:

a) choose the physician from a list of three physicians whose names have been provided by an independent Third Party; or

b) accept the recommendation from the College of Physicians and Surgeons of the physician to provide the review.

To enable this process, the employee will be responsible for authorizing his/her own physician to provide all medical documentation related to the member's current disability to the physician chosen to provide the independent third party review and for authorizing the independent third party physician to have access to all medical evidence related to the member's current disability. Failure to provide this authorization will result in the denial of sick leave benefits.

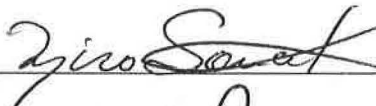

The independent third party physician's review will provide a) confirmation or denial of the need for accommodation or b) If accommodation is needed, provide recommendations related to the employee's limitations and restrictions along with the suitability of suggested accommodations, if applicable.

If the above is not appropriate or if the above independent review recommends further assessments, arrangements will be made through the member and the member's association representative.

All travel expenses associated with the above process will be reimbursed in accordance with Sarnia Police Services Travel Allowance policy.

This Letter of Understanding will be appended to and form part of the Collective Agreement.
