I, my employees, my clients and any other person(s) entering Pinewood Christmas Tree Farm agree(s) that they have read and understand the document made available on our Pinewood Christmas Tree Photography webpage:

**“STATE OF TENNESSE PUBLIC CHAPTER NO. 498
SENATE BILL NO. 2164**

By Tracy, Bunch, Burks, Gresham, Overbey, Ford, Crowe, Faulk, Southerland, Black Substituted for: House Bill No. 1931”

Including the following excerpt:

WARNING

“Under Tennessee law, there is no liability for an injury to or death of a participant in an agritourism activity conducted at this agritourism location or by this agritourism professional if such injury or death results from the inherent risks of the agritourism activity. Inherent risks of agritourism activities include, among others, risks of injury inherent to land, equipment, and animals, as well as the potential for you to act in a negligent manner that may contribute to your injury or death. You are assuming the risk of participating in this agritourism activity. “

I, my employees, my clients and any other person(s) entering Pinewood Christmas Tree Farm also understands and agrees with the following guidelines:

- We are a growing Christmas Tree Farm and only have **7 year old trees**. As of the **2022** season, our trees average height is **3-8 ft tall**. If you are looking for rows of large Christmas Trees for your session we are still growing but are not able to meet that need for this season. Please ask for pictures if you need more information about our trees.
- Sessions are \$50 per hour. Minimal of 1 hour and we do not prorate time.
- **50% non-refundable deposit is required when the session(s) are booked**. The remaining balance is due **one week (7 days)** before the appointment date; you will receive an invoice for the balance. If you book 7 days or less before your appointment, then 100% is due at booking.
- No refunds are granted, so please book session(s) with that in mind. If you cancel your session(s) you will be allowed to re-book your session based on available dates for this season only. Due to limited amounts of weekends, you may be required to book weekday sessions. Deposits are non-refundable.
- Sessions must begin and end at booked time. Please schedule enough time for your session. There may be other photographers and clients preparing for the next time slot available. Be courteous to others. Consider that begin time is when you plan to arrive at the farm (not when your client sessions start), and end time is when you plan to leave the farm (not when your client sessions end) including setting up and removing all props. You may come early and meet in the parking area before your session(s) begin.
- Appointments cannot be changed based on weather forecast.
- The weather rescheduling policy only applies if rain is occurring on the farm at least one hour before your session time, not necessarily raining where you or your clients live. You will be allowed to re-book your session based on available dates for this season. Due to limited amounts of weekends, you may be required to book weekday sessions. Deposits are non-refundable.
