

Angier Pool
806 N. Willow St
Angier, NC 27501

To: Angier Pool Members

From: Angier Pool Board

Subject: COVID-19 Response

Date: April 3, 2020

Fellow Angier Pool Members:

First, we hope that each one of you and your families are staying safe and healthy during this globally trying time.

The board wanted to take a moment to address the ongoing COVID-19 Pandemic and relay to you some of the conversations we are having related to the pool for the summer of 2020.

We met last night virtually, to ensure we are adhering to the call for social distancing. Much of the discussion focused primarily on the safety of our members and the impact that the current situation could have on our ability to operate during the summer 2020.

We are closely monitoring the recommendations of the local, state and federal governments as it pertains to essential/non-essential businesses and including this information in our planning process. That being said, we are moving forward with preparing the pool for the current opening date on Memorial Day weekend. Changes in the local, state, and federal advisories may affect our ability to open on our current timeline.

We will be making a decision on or about May 1st regarding any adjustments that may need to be made to the operating schedule for 2020. If any adjustments are deemed necessary, then dues will be prorated accordingly, and any early bird dues will be refunded based on the board's decided upon prorated amount. This communication will be sent via a Facebook post and posted on the Recreation Club's website at www.angierpool.net.

The general membership meeting currently scheduled for 7pm, May 7th, 2020 at the pool, will now be held online virtually, with the access information being posted on both the Facebook page and the Recreation Club's website at www.angierpool.net.

If you have any questions, please feel free to utilize the contact email address angierpool@gmail.com.

Sincerely,

Chris Hall, President
Angier Recreation Club
