

MEDIUM SUDOKU PUZZLE

Look for an empty square on the grid.

#2

Think about which number from 1 to 9 could fit in that square. Look at the other numbers in the row, column, and little square to help you decide.

Write the number you picked in the square.

	6			7	2			1
8			1	3	6	5		
		3	4					
2			6	5			3	
		6			7		1	
			2			8	6	4
9		7		8	4			
		8			9		7	
			7	2	1		8	3
