## PARTY & WEDDING MARQUEES

BESPOKE | TRADITIONAL | CLASSIC

## A little bit about us.

For more than forty years, the Florey name has been synonymous with excellence in the event hire industry. Floreys is not a faceless corporation - it is still proud to be a family-run business that continues to deliver quality service.

Father and son, Simon and Peter Florey, as well as family-member Mark Florey, deal directly with our clients and offer a wealth of knowledge gained over their combined 70+ years' of marquee expertise. Backed by a great team in the office and on-site, we make sure your event is meticulously planned and nothing is left to chance.

Each project is unique and provides a platform for our creative approach and vision to bring your special event to life. Many clients comment on the level of our service. Whether it is a wedding, a corporate event or a family party, our keen eye for detail ensures the commission runs smoothly every step of the way.

We are happy to do as much as or little towards your event as you wish. We can work closely with your chosen suppliers, party planners, and event organisers, and deliver a first class product, on time. We do not, and will not, let you down.

Over the years we have worked on thousands of events and no two are the same. We have worked all over the UK and have even occasionally got our passports out to work abroad to show our immaculate structures on the other side of the water. We enjoy meeting the challenge of working on different sites week in week out, achieving what our clients want and experiencing new demands on our resources and ingenuity.

We create new ideas and are not afraid to push boundaries, to evolve our methods, and yet maintain our standards and services at their highest quality. Every year we come up with new concepts and solutions, colours and layouts, to try and stay ahead of the field. In the very rare circumstance of being unable to achieve our client's specification, we will let you know immediately and will not take on a contract if we feel we can not offer you what you are after.

Bespoke internal options also deliver stunning looks, from clear roofs to specialist tack off linings. Lighting and furniture from our vast list of equipment can be used to design your marquee nightclub or feature area.

We can supply purpose made structures to fit into tight spaces to accommodate restrictions on certain sites. Our structures also come with a choice of glass or solid sides, levelled cassette flooring, peaked roofs, overhanging hayling sides, glass balustrade on balcony areas and decking verandas.

Our Traditional Petal Edged and English Sperry Tents are manufactured in the United Kingdom to our specifications. Your stunning marquee will be raised traditionally, using block and tackle, and will be dressed in heavy canvas with hemp roping, wooden finials and a choice of solid and panoramic style walls.

Your guests will be seated in a truly stunning traditional marquee, with wooden furniture and subtle lighting to create that authentic country wedding.

Choose from our range of flooring to add to your event space. Sea grass natural matting, carpet or our high polished wooden floor can all be installed to create the look and feel you wish.
