### From The TCS Health Safety Office

Thank you to all of you who are calling in absences in a timely manner. This greatly helps **Mrs. Lisa Daniels**, Health Safety Director, and provides us the information we need for our attendance records.

We are still having some students who are absent and the office is not notified. This requires Mrs. Daniels to spend an enormous amount of time phoning parents while still trying to teach her classes. It is **EXTREMELY** important that you notify the school office as early as possible if your child(ren) will be absent from school for **ANY** reason. You can call the office at 321-269-2837 or send an email to [Rufino.c@templelions.com](mailto:Rufino.c@templelions.com).

We also want to clarify remote learning. The only students who are remote learning are the ones placed in isolation by their doctor or the TCS Health Safety policies. Teachers are not being required to run simultaneous Google Classrooms or Zoom while teaching in-person classes. Teachers will provide remote learning if the whole school goes remote or for a case of student isolation.

Your patience and understanding have been outstanding as we work hard to keep a safe learning environment for everyone. As always, if you have any questions please call the school office. If you have a specific question about the Health Safety Policies, contact Mrs. Daniels at [daniels.l@templelions.com](mailto:daniels.l@templelions.com).

## PSAT

We will be administrating the PSAT (Preliminary Scholastic Achievement Test) on **Wednesday, October 14th** from **8:10am-12:30 pm**.

We **STRONGLY** encourage all juniors to take the test. Juniors receiving a good score on the test may qualify for the National Merit Scholarship. Sophomores are also welcome to take the PSAT to prepare for the SAT and ACT tests. The price is \$18.00 and an information booklet will be given when the student signs up at the reception desk. Seating is limited so reserve a seat soon!

If you have any questions, please contact Mrs. Schafer at Schafer.d@templelions.com or call the school office.

*September 15, 2020*

*To the parents of TCS students,*

*As the Pastor of Temple Baptist Church home to Temple Christian School I wish to invite you to visit our church for a Grand TCS Sunday service on September 20, at 11 AM.*

*Two of our TCS alumni, Hannah Cairns and Nate Jackson will be speaking to encourage you and your student(s) of the impact TCS had on their lives and that they are still using successfully today!*

*The special that morning will be performed by one of our students, Matthew Reid.*

*I believe we are living in difficult times and it is my prayer, Jesus will guide us and TCS in a great way to help your student(s) handle the struggles of life. Proverbs 3:6 says, "In all thy ways acknowledge Him, and He shall direct thy paths."*

*For your safety our safety team will be taking your temperature before entering the front doors of the church. Please sanitize your hands when you enter the church. Lobby greeters will be wearing masks. You may bring your own mask but not required. Social distancing is practiced in the main auditorium unless you are sitting with your family.*

*I would love to see you and your family on September 20, 2020 at 11 A.M. for this uplifting service!*

*Because He lives,  
Pastor Tom Porter*
