SCHOOL HEALTH SAFETY

It is **EXTREMELY** important that you notify the school office as early as possible if your child(ren) will be absent from school for **ANY** reason. The school office tracks attendance every morning to stay informed of any health concerns for the school. If a student is absent from school due to sickness for **three days in a row**, a doctor's note of clearance will be required to return. This is the standard and an important way to prevent contagious exposures. To report absences, please call the office at 321-269-2837 or send an email to tcsoffice@templelions.com.
