TCS Sunday

All students and parents are invited to visit Temple Baptist Church for TCS Sunday on September 26th. Services will start at 10:50 am in the main sanctuary.

The morning will feature recognition of students, teachers, and staff. Special speakers and Illusionist Matt Fore will also be part of the service.

HEALTH SAFETY DEPARTMENT

It is **EXTREMELY** important that you notify the school office as early as possible if your child(ren) will be absent from school for **ANY** reason. The school office tracks attendance every morning to stay informed of any health concerns for the school. Please call the office at 321-269-2837 or send an email to tcsoffice@templelions.com.

IMPORTANT NOTICE for BUS RIDERS-

TCS is blessed to have **Mr. and Mrs. Carrington** as our school bus drivers! They have been faithful servants to TCS for many years and we are so appreciative of their loving hearts for the students!

Due to some happy family obligations, the Carringtons will not be able to drive the **PM bus route** on **October 14th and 15th**. Please make other pick-up arrangements for your student on those days.

Thank you.

PSAT

We will be administering the PSAT (Preliminary Scholastic Achievement Test) on **Wednesday, October 13th** from **8:10am-12:30 pm**.

We **STRONGLY** encourage all juniors to take the test. Juniors receiving a good score on the test may qualify for the National Merit Scholarship. Sophomores are also welcome to take the PSAT to prepare for the SAT and ACT tests. The price is \$18.00 and an information booklet will be given when the student signs up at the reception desk. Seating is limited so reserve a seat soon!

Please contact Mrs. Schafer at Schafer.d@templelions.com if you have any questions.

Thursday, October 7th the sports teams will be serving "to-go" spaghetti dinners.

Meals will be handed out from 5 pm– 6 pm through the "drive-thru" between buildings 2 and 3. The dinner includes salad, spaghetti, and a roll. Tickets are \$10 per meal and are available for purchase from any volleyball or football player. You can also buy them at the reception desk. Thank you for your support of the TCS sports program!

IMPORTANT NOTICE ABOUT SPORTS PRACTICES

As our sports programs continue to grow, we need to remind parents that siblings of players may not wait at school during practices. Coaches are working with their teams and focusing on their players. They are not able to provide the supervision necessary for other children. Thank you for making other child care arrangements for siblings not on the sports teams. If you have any questions, please contact the office.

DRESS CODE INFORMATION

By: Angela Hood, Assistant Principal

TCS requires students to follow a dress code. The purpose of this dress code is to remind students that their dress and appearance must be in good taste and not a distraction to the operation of the school and its purpose of learning. A grace period was extended to students on dress code violations because we are aware that there was some difficulty getting pieces of the uniform from vendors. Unfortunately, we still have many students that are not meeting the dress code.

Please note that every three dress code violations will result in a detention. Some frequent infractions that we are dealing with include:

Boys: Hair that is too long, coming to school not clean-shaven, lack of ties or belts on chapel days, pants that are riding low

Girls: shorts, skirts, and dresses that are too short

All: tennis shoes on chapel days

Please see the full dress code policy in the **2021-2022 Parent/Student Handbook** pages 3-5.

A PDF copy of the handbook can be found on the opening page of Gradelink.

GENERAL DRESS CODE PHILOSOPHY- We believe it is necessary and scriptural to teach and train young people to dress modestly and appropriately at all times. As Christians we have been called out of the world to live, act, and be different...The TCS Administration deems the right to determine any trend, fashion or fad inappropriate for school activities. The Administration has the final authority to decide the appropriateness of an outfit on campus and at all TCS events. (Page 3)

Child Passenger Seat Program

The Titusville Fire Department Child Passenger Seat program provides child seat information, proper installation classes and reduced cost seats. Our seats range from newborns to booster seats.

Free Inspections - By appointment only. Parents and caregivers can have their seat inspected to make sure the seat is correct for the child's current age, height, and weight. In addition to any recalls or expiration.

Reduced Child Passenger Seat Program - By appointment only. The reduced cost child passenger seat program is available for residents through the University of Florida Child Passenger Safety Program. Residents who are considered by the federal government to be within the low income levels may qualify for a seat. Qualification and cost is determined by the department's Life Safety Specialist.

Those interested in this services must:

- **Make an appointment with Life Safety Specialist, Kerri Lubeski at 321-567-3804.** (Appointments last approximately 1 to 1 ½ hours, for education and proper installation.)
- If the child cannot be at the appointment, have the current age, weight and height of the child.
- If you own your own seat, you must bring the vehicle and child passenger seat manual for reference, if possible.
- Reduced Cost Child Passenger Seats require a cash donation upon installation and proof of enrollment in WIC, Medicaid or Department of Children and Families' Florida Access Benefits.

Service doesn't come from a manual—it comes from the heart.
