

Notice Of COVID 19 Incident

Date: October 14, 2021

On October 14, 2021, Sacred Heart School Covina had a reported positive case of the Noval Corona Virus, SARS-Cov-2 on our campus. Due to this event, it was necessary to quarantine the 2nd grade class, all students, who were not fully vaccinated due to age, along with a few staff members.

These students will be on distance learning. All students who are at home in quarantine, will given distance learning instruction while at home.

If your student has been affected by this incident and begins to have any symptoms of COVID 19 (Below), you should contact your primary health practitioner and contact Mrs. Tice immediately.

Symptoms may appear 2-14 days after exposure to the virus.

People with these
symptoms may have COVID-19:

Fever or chills

Cough

Shortness of breath or difficulty breathing

Fatigue

Muscle or body aches

Headache

New loss of taste or smell

Sore throat

Congestion or runny nose

Nausea or vomiting

Diarrhea

Look for emergency warning signs for COVID-19. If someone is showing any of these signs, seek emergency medical care immediately:

Trouble breathing

Persistent pain or pressure in the chest

New confusion

Inability to wake or stay awake

Pale, gray, or blue-colored skin, lips, or nail beds, depending on skin tone

All disinfecting procedures and cleaning of the affected areas have been performed per all LACDPH and Cal OSHA guidelines.

This incident has been reported to the Los Angeles County Department of Public Health per required guidelines.

Please keep our school, students and staff safe. Wear a mask at all times while on campus, social distance and proper cleaning and hygiene.
