

Association of American Medical Colleges (AAMC)

Founded in 1876 and based in Washington, D.C., the Association of American Medical Colleges (AAMC) is a not-for-profit association representing 172 accredited medical schools in the U.S. and Canada; nearly 500 major teaching hospitals and health systems, including many Department of Veterans Affairs medical centers; and over 70 academic and scientific societies. Through these institutions and organizations, the AAMC represents over 210,000 faculty members, 162,000 resident physicians, and 99,000 medical students.
