

PARTICIPANT CODE OF CONDUCT

Ocean Positive is committed to the highest ideals of sport, fitness and training and expects all those joining us to honor the sports in which we participate and the Ocean Positive mission.

All Blue Journey Unified participants agree to the following code:

Positive Competition

- My actions in training and competition will follow the highest ideals of sportsmanship and fair play.
- My actions will bring respect to myself, my training partners, my fellow competitors, my coaches and Ocean Positive.
- My actions will respect and honor others even in the most intense moments of competition or training.

Positive Training & Well-Being

- My training will be appropriate to keep me safe while moving towards the goals my coach and I have set.
- My training will follow the rules of the sport, and I will learn to take part so that I protect myself and others.
- My training will respect and follow the advice of my coaches and training partners. I will work with them to develop ways to address personal training or competition needs that protect myself and others as I pursue my goals.

Positive Actions

- My actions will always respect others. Training sessions and events are not a place for personal interactions that do not support the sport or empower individuals as unique members of our community. I will not make inappropriate or unwanted physical, verbal or sexual advances on others, and I will report to program leadership any instances in which I do not feel respected and safe.
- My actions at events, competition and training will be in line with the highest ideals of sport and obey all laws or rules of the hosts, organizers, venues and areas in which the events take place.

I understand that if I do not follow these codes of conduct, I may not be able to participate in Ocean Positive's Blue Journey Unified programs
