

Ocean & Coastal Safety, Science and Conservation Beach Experience

Join Us To Create Your Students' Best Beach Day

Smarter - Stronger - Safer

Hosted By

oceanpositive

Ocean Positive Mission

Engaging, strength based learning environments that connect youth to each other, our oceans & their coastal waters to create leaders & stewards for their coasts, communities & families.

Safety

- Understanding What Happens Where Weather, Water and Waves Meet
- Situationally Aware at the Shore
- Thinking Like a Lifeguard
- Protecting Yourself and Protecting Others

Science

- Coastal Weather Impacts & Safety
 - Tides and Currents
 - Wave Dynamics
- Wildlife and Marine Life
- Barrier Island Science

Conservation

- Biodiversity at the Beach
- Healthy Oceans - Healthy Communities
- Protecting Our Marshes and Dunes
- Fragile Marine Ecosystems

Fun

- Immersive Experiences, Games, Refreshments and More...
- Taught and Supervised by Professional Educators, Experts and First Responders
