

Surrey Country Hounds

Vet Consent Form

If your dog urgently needs to see a vet whilst in our care, we will call you or your emergency contact first, but under the new Boarding Licence regulations, we are required to get authorisation from the owner to allow any emergency treatment at a veterinary practice.

Please confirm below the name of the Veterinary Practice that you wish us to take your dog to in the event of needing emergency treatment:

Surrey Country Hounds have selected Veterinary Practice:

as our preferred practice for emergency vet treatment.

In the event that your preferred practice is not able to see your dog for any reason, please confirm that you are happy we take your dog to our preferred Veterinary Practice.
