ST. ALPHONSUS SCHOOL FOUNDATION EST. 1984

SECURING OUR CHILDREN'S FUTURE

Established in 1984, the St. Alphonsus School Foundation was developed to secure the future of St. Alphonsus School. Throughout the years, the success of the foundation has been built through annual gifts by parishioners, alumni and friends as well as other resources. The foundation is a tax-deductible corporation governed by a separate and independent Board of Directors: Cameron Sillers, Bernie Bachman, Sue Bata, Randy Hill, and Jeff Kram with Holly Lyons and Joan Sillers assisting with bookkeeping. It is the duty of the board to make all business transactions of the Foundation including investments and disbursements of the interest. Total contributions to the foundation since 1984 has been \$1,802,377 with a total of \$2,137,600 given to St. Alphonsus. The foundation provides a monthly contribution to the school in assisting with budget needs, continues to assist in providing current and updated technology needs, as well as providing funds for special requests from the St. Alphonsus School Board and principal. The 2020 annual financial spread sheet is provided.
