

# **St. Peter's School, Peekskill** **Alumni Association**

Greetings Alumni and Families:

We are on track to hold our next all-school reunion on April 25, 2025, in Orlando, Florida. The Alumni Association's seven-member committee has met several times by Zoom to discuss particulars, some of which are spelled out here while others will be accessible to you on the [SPS Web site](#) in the months to come. You will find a REUNION button on the Home page that will provide access to these details.

The reunion will be held at the home of Augie Stanton ('62) in Orlando. Augie can accommodate 50-60 people and has generously offered to provide dinner and evening entertainment as his gift to SPS Alumni. Augie's home is approximately 15 minutes from the [Orlando International Airport](#), which will be convenient for anyone who does not want to rent a car and, instead, chooses to rely upon some other form of transportation.

We will be providing the names of several hotels in the airport area but suggest each Alumnus secures his own lodging to meet his pre and post reunion plans. We also encourage each Alumnus to consider coordinating his lodging with classmates to facilitate in-hotel socializing.

Please note that the Alumni Association wants to assist any Alumnus with travel and accommodation expenses if they need financial support. This assistance will be like the support we offered for the Bear Mountain Reunion and will be kept in the strictest of confidence. We believe it is important that an SPS Alumnus who wants to attend this reunion be assisted in a way that helps make it possible.

This reunion has high potential to be a fun and memorable event. The venue will be superb, the meal worthy of an evening in Florida, and the weather and temperatures should be very nice. This will be an opportunity for you to once again connect with old friends and classmates. Your attendance guarantees that St. Peter's School still lives.
