April 30, 2026

Dear St. Peter's School Alumnus,

I am writing to you on behalf of the SPS Alumni Association to inform you of the SPS all-alumni zoom reunion that is scheduled for June 18, 2026, at 11:00AM (EDT). This will be the second zoom reunion in what is becoming a bi-annual event. You were selected for this personal, early notice/invitation because you attended the 2025 SPS Christmas zoom reunion. We sincerely hope you will attend again.

The June zoom reunion sign-in process will be the same as before: Click on the zoom link that Ken Adams '60 will have previously sent you and wait for the greeting by Master of Ceremony Jay Stanton '62.

Jay will again be coordinating and facilitating the entire program. Ken Adams will be handling all the technical details, which will include having sent out the zoom link and log-on instructions prior to June 18th. Ken is already available to answer questions about downloading the zoom app, signing on, etc. You can contact him directly at kenadams@lumos.net. or by telephone at 540-942-1880.

Please encourage your classmates to attend; there will be plenty of 'seats'. The instructions will be on the website at www.stpetersschoolpeekskill.com shortly. Simply click on the **Zoom Reunion** button on the homepage to find zoom sign-on details. In addition to the website, we will be emailing an invitation and instructions to all SPS alumni a couple of weeks before the event itself.

Contact me if I can be of assistance.
