About Me:

I married my W&M sweetheart, Jackie, in '69. We have one son ('76), one daughter ('78), both married, four grandchildren, and they all live in Denver, CO. After living in major metro areas of Germany, Florida, Pennsylvania, New Jersey and Maryland over a span of 36 years we retired in 2005 and relocated to SW Colorado in the San Juan Mountains. The goal was to make a radical lifestyle change for the better and we exceeded our expectations.

What did SPS do for me?

It provided me with a family of brothers, gifted me with fantastic cherished memories, and got me focused on life. Thank You! Father Leeming, Father Nordeck and SPS.
