

MANNING HOUSE

Which of us can ever forget the first day he came to S. P. S. as a student! For many it was the first time away from home and there was a feeling of fear of something new and unknown. Now we are leaving. For some of us our prep school days are over and we wish we were only now beginning!

THEODORE WILLIAMS, *Editor*

DEDICATION

Who could have so short a memory as ever to forget Mr. Drake! His classes never got out of hand, yet they were never without their humorous moments. He mixed with his magnificent teaching his own sense of humor, and made each of his courses a real, living thing. He got many of our predecessors into college, and after they arrived they found themselves excellently prepared. Furthermore, he was always ready to give help to any who needed it.

But he was something more than a teacher to his students. He was a living example of courage and justice. He instilled in his boys some of his own sense of fairness. And he showed us all that one doesn't need a lot of things to be happy; one needs only to be doing what one enjoys. It is a lesson of life that we shall never forget, for it was taught to us by a man for whom we all have great respect, a man whom we shall always carry with us in our hearts. To you, Mr. Drake we dedicate our yearbook. We hope that you will never forget the Class of '49, Sir; they will never forget you.

MR. DRAKE

THE FATHERS' ASSOCIATION

This year has seen the organizing of the fathers into a Fathers' Association. Much of the leadership was provided by the Rev. Charles Brocklebank who worked for many hours setting down the aims and aspirations of the Association. We were all very sorry to hear of his death and we know how very much the Fathers' Association misses his wise counsel.

This year the Fathers have been hard at work raising funds for the heating plant for the gymnasium. They hope to have a sufficient amount on hand to be able to have the work done this summer.

The next meeting will be held on Saturday and Sunday, October 15-16 when the Fathers will spend a week-end at the School. We hope every one of our Dads will plan to be present.

F. Leeming

THE REV. FRANK C. LEEMING, S. T. B.

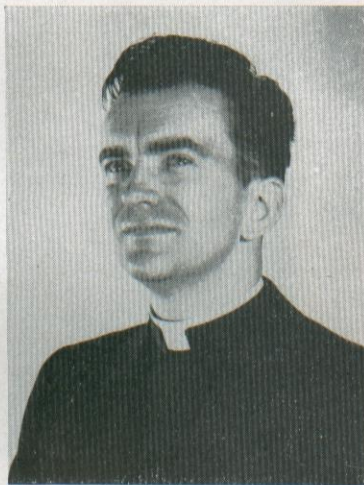

No senior can possibly graduate from St. Peter's without feeling in himself that something has changed while he was here at School. He has learned discipline, he knows how to study, he is punctual, he is all around a better man. And he knows that it was Father Leeming's guidance that brought out the best in him. Father has watched him closely since he entered, and Father's office was always open for a private talk. He was never too busy to talk to a boy who needed help.

The Class of '49 thanks you for everything you have done for us Father, and we hope that our year may be the beginning of the step toward the final expansion of St. Peter's. The best of luck to you Father, with eleven more years like the first eleven, you can't help but build up the finest school in the East.

RICHARD McDOWELL—*Advisor*

Mr. McDowell, or Mr. "Mac" as he is affectionately called by the boys, has been our class advisor for the last two years. His generosity and willingness to help the Seniors, both individually and as a class, has been a leading factor in making our class what it is. To Mr. "Mac" we give our warmest thanks for everything that he has done, and we want him to know that we shall never forget it.

*A Sweet time Wally

THE PRAEFECTS

(Left to Right) Henry Warrington, Richard Palmer, Edward Bryant

THE INSPECTORS

(Left to Right) Armand Hall, Robert Wallace, Theodore Williams, John Schmitt, John McDowell, Daren Welch.

Class Prophecy

It's the year nineteen hundred and fifty-nine, and at the Peekskill City Airport, a group of prosperous looking moguls has just alighted from a jet-airliner. One of the group lags behind, kidding with the hostesses, who are dazzled by his Navy uniform. Who else would it be but Ted Williams, our Beau Brummel? Up at the front of the plane we see a ruddy-complexioned young man examining one of the jet engines. It's Jay McDowell, who greets us with a hearty slap on the back. Jay always had a mechanical twist dating from the days when he took the School's truck apart.

By this time one of the group has hailed a waiting bubble car, and after giving the directions to the driver, we settle back for a comfortable ride. The car is crowded, and turning around to see whose lap we are sitting on, we discover Dave Pizarro poring over a circular advertising the latest organs. Dave is Choirmaster and Organist at the Cathedral, which is known for its fine music. Dave seems to be in trouble because someone is twisting his arm. Looking to see who his tormentor is, we discover Big Butch Warrington who is discussing the treatment of athletic injuries with Bob Wallace, world famous surgeon. It appears that they are using Dave as a model. Henry is athletic director at a western high school, where he coaches ping-pong, badminton, and allied sports. Next to Henry we see a huge, hulking figure in a gray pinstripe with a Corona Corona in his mouth. It's Dick Palmer, our beloved Senior Praefect, who has made quite a reputation for himself at the bar, as a counsellor. He is discussing with Denny Welch, football coach at a New Jersey High School, the dangers of gambling in sports. But we doubt that there would be any fixing of games if we know Denny.

In the front seat we see Ted Bryant, who, as engineer for a New York construction company, has just finished the plans for a brewery, and Armand Hall, prominent dentist. They are discussing the effects of alcoholic beverages upon the dentures. Rumor has it that Ash has made quite a sum drilling perfectly good teeth, but knowing Ash as we do, we find this hard to believe.

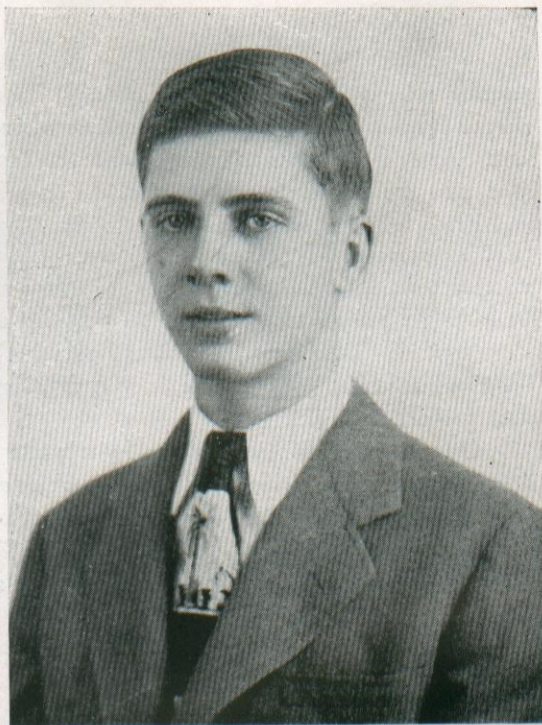

The ride seems to be over, and as we pull up to the gates at School we are preceded by a black bubble car complete with chauffeur. This must be

Schmitt, who is President of the Columbia Broadcasting System. At the gate we are stopped by a uniformed attendant whom we recognize as Fred Bier-sack. After a few pleasant words with the Little General, we drive up the road, past the formal garden and past the chapel to the Administration Building. From here it's just a few steps to the School House where we hear the familiar saying of Mr. Hanna, 'Zero and out.' Standing in the corridor we are startled by a loud voice which we recognize as that of Doug Carter, who seems to be having trouble with his Algebra class. As we talk with Doug a pungent odor assails our nostrils, and pursuing it to its source, we come upon the Chemistry Lab, where some of Mr. Gay's group are industriously setting fire to the building.

Our attention is again drawn by a white-haired man who is tip-toeing down the hallway and listening outside each door. His actions seem familiar; and as he gets nearer we recognize him as Father Leeming. After talking with Father we accompany him to his house, "The Founder's Cottage," where over a cold bottle of beer he relates to us many an escapade which we thought was unknown.

EDWARD ANDEM BRYANT, II

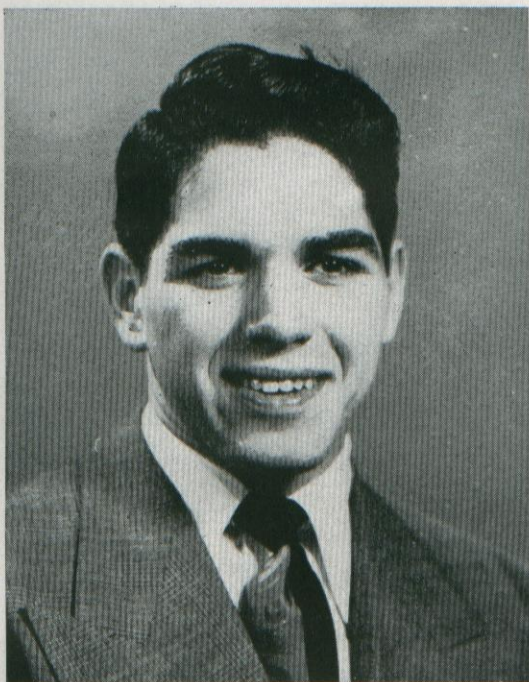

Ted Bryant, from Wrightstown, New Jersey is one of the old standbys of the Class of '49; in fact he is one of the few five year boys in the School.

Since he came to St. Peter's in 1944, "T. B." has really made a name for himself. He has been in the Glee Club, the Aggies, and the Carpentry Club and consistently on the Honor Roll. As his years here sped by, he began to lean toward Math, in which he has excelled, and next Fall he is all set to enter R. P. I.

He is manager of the baseball team and was manager of the football team.

This year Ted is Managing Editor of the Draagnet and Praefect in charge of the Annex, where he has done an excellent job.

As "T. B." graduates in June, he can look back on a consistently fine record at St. Peter's and know that he won't soon be forgotten, for "T. B." is well liked by the boys, who have learned to overlook his puns. We are sure he will do as good a job in college as he has done here, for Ted goes into everything he does with a determination that assures success.

“Quit pulling my leg, fellows,” has been heard around St. Peter’s quite a lot in the last two years, and everyone knows immediately that the boys are kidding Armand Hall, not because he is gullible, but because they are hoping for one of his humorous stories.

“Ash” came to us at the beginning of last year and immediately entered into the life of the School 100%. He started off on the football team, and this year developed into the best left halfback the School has had in a long time. Then he tried boxing, and this year he was captain of the team. In baseball, he played center field, where he not only did an excellent job, but kept the morale of the team up with his timely remarks.

It didn’t take “Ash” long to win the respect of everyone as a real “plugger”, for he gives his best to everything he does.

This year he is “Dish-Crew” inspector and an honor student. Next year we think he is planning on Washington and Lee, and their Dentistry School. We know that he can’t help doing well, and he has our best wishes for success.

JOHN PARMALEE MCDOWELL

John McDowell may be known to the people of Harrison, New York as Pete's little brother; but to us at St. Peter's he is "Jay", friendly, good-natured, practical minded, and sometimes red-faced.

He joined the Class in September of 1946 and immediately everyone knew that the football team had gained a valuable player. He played varsity guard for two years and this year he was shifted to tackle, where he was a standout.

Jay has always stayed at the top scholastically, and last year he walked off with the History Prize as well as the "Tertius" spot. In addition to his scholastic honors he is a whiz with motors, in fact it was Jay who put the motor in Fred's truck.

He was president of the Class his first year at St. Peter's and this year has been doing a bang-up job as Dining Room Inspector.

His trade-mark is his big, booming Vermont horse-laugh, which gives a light note to all bull-sessions.

"Jay is headed for Yale Engineering School next year, and we feel sure that St. Peter's will be proud of his college record in years to come.

Since entering the School last year Dick Palmer has been as popular as he is now. He not only quickly became a great favorite among the boys, but among the faculty as well. After having been here only a short time, Dick was elected president of his class, for his fifth and sixth form years.

Dick soon showed his ability on the athletic field where he excelled in football, baseball, and boxing. He also showed his ability as a journalist on the Dragnet staff; becoming its editor this year and making it a great school paper.

Since he entered Dick has consistently been on the Honor Roll, and finished up the first semester this year as tertius.

Dick hails from the little-known city of Cincinnati, where he seems to have left a very favorable impression. Also from Cincinnati is one young lady who attends Skidmore and who seems to have captured Dick's heart. Letters postmarked "Saratoga Springs" constantly come to Dick's mailbox.

"The Wheel," as he is affectionately called by his subordinates, has been tentatively accepted at Yale under the NROTC plan. From Yale Dick plans to go to the Harvard Law School, where, we are sure, he will do just as well as he has done in prep school and will have done in Yale. Who knows but that he will be a Wall Street lawyer one of these days?

DAVID ALFRED PIZARRO

To Dave Pizarro went a great honor this year, for he was the only student allowed to enter St. Peter's as a senior, but it wasn't long before it was acknowledged that if anyone should have this privilege, "Dave" should.

He started off with a bang as school organist and accompasint of the Glee Club, and people who heard him play soon began to realize that he was something out of the ordinary.

He further proved his worth when he received his Licentiate Degree from Trinity College of Music in London.

But Dave is not only a brilliant musician, he is also an honor student. His sparkling personality will be hard to forget and his quick jokes keep everyone that comes into contact with him smiling.

Dave has hopes of a musical career and plans to further his hopes by entering Yale School of Music next year. If he keeps going at his present rate, we know that his fame will have spread far and wide within the next few years.

JOHN CHARLES SCHMITT

Three years ago, a tall gangly kid wandered into the Big Dorm, a kid who didn't say too much at first; but before long his roommates began to see that he was something out of the ordinary. He was a terrific piano player, and would play classical or popular music according to his audience's wishes; and he had a sense of humor that kept the Big Dorm in stitches—much to Mrs. Terbush's disgust. Even the praefect couldn't help laughing at some of his timely remarks after lights.

He showed a natural aptitude for basketball, but since we didn't get our gym until this year, John didn't get much chance to use his ability. He is also learning how to pitch; and we know that before the season is over John will be pitching along with the regular hurlers.

Scholastically John is tops. His one pet peeve is Math, but aside from that he eats up his school work. This year he has never fallen below a 90 average, and is leading the School in the Primus spot. John is one of those rare combinations of a really brilliant student and hard worker.

Next year John is headed for Kenyon College, where he has already been accepted. In addition he has taken a nationwide competitive examination for the George F. Baker Scholarship, which we all feel confident he will win.

John won't soon be forgotten by any of his classmates, for they recognize in him a brilliant student who is sure to go a long way. We wish him the best of luck.

ROBERT BRUCE WALLACE

From Washington, D. C., in September 1946, came our big Southerner, Bob Wallace, with his southern drawl, and his snappy wardrobe. We don't notice his southern drawl as much any more, but we still notice his clothes, for Bob has always been a good dresser.

On the athletic field Bob has been a standout for three years. As center on the football team he was co-captain and the mainstay of the big forward wall, both on offense and on defense. His boxing, top-flight boxing at that, was curtailed in his senior year only because of his bad tooth. As varsity catcher he has not only proven to be a terrific man behind the plate, but a powerful hitter as well. Bob never goes out for a sport without trying his best to master that sport completely, and as far as football and baseball go, he has certainly succeeded.

It was Bob who put the School Store on the basis that it is now, a good, profitable senior project; and as School House Inspector Bob was tops.

HENRY GEORGE WARRINGTON

In the last two years St. Peter's athletics have taken a sharp turn for the good, and one of the main causes of this change is Henry Warrington. No matter in what sport Henry participates, he excels.

In football for the last three years, two as captain, Henry's consistently long runs and fine blocking have led St. Peter's teams to the finest record ever compiled at the School. In boxing Henry was only beaten once in two years of competition, and that was by the Westchester County Champion in a close fight that was disputed by many present. And in baseball Henry was called by Mr. "Mac" the finest pitcher ever to appear in Westchester County since he has been connected with athletics. In hockey and fencing Henry has also a fleeting interest, but his main time was spent in the three major sports.

But Henry's interests do not center around athletics entirely. He is also President of the Glee Club and the Dagnet's No. 1 reporter. This year he has been on the Honor Roll consistently. And outside of School his passion is classical music. Without his victrola and records Henry is lost.

Henry has been accepted at Springfield, where he plans to go in for coaching. Afterwards he may do some work in archeology, for this is also one of his interests. But no matter what field Henry finally settles down in, we shall look for him to move quickly to the top, for he has the personality, the brains, the ability, and the will-to-win that guarantees success. Good luck, Henry.

DAREN SPENCER WELCH

How can youse guys ever forget “Denny” Welch, our great classmate from Jersey City. His friendly grin, his shock of curly hair, and his witty “tough-guy” talk are the things that stand out in his personality. Without these, “Kid Welsh” would be just another pug.

Denny arrived in September 1946, a short scrawny kid who had previously gone to Stonybrook. But his size didn't keep him back and he waded right into varsity football. For two years he took a terrific beating, but he stuck it out; and this year he came back a sturdy six-footer, and the best end on our team. In boxing he has a good three-year record behind him, and as an outfielder on the baseball team he has been a consistently good hitter and heads-up player. The Athletic Department will certainly miss his spirit and skill on the field next year.

In Manning House this year, Denny has made himself felt as Inspector, and he is doing a terrific job. He has been an honor student all year, and has shown himself especially apt at Spanish.

Denny is quite popular with the students, and they all know that he will do a fine job at Springfield next year.

THEODORE WILLIAM WILLIAMS

Conscientious, good-looking, friendly, armorous; that's Ted, the boy who is Editor of the Mitre, Secretary-Treasurer of the Senior Class, Inspector of the Annex, and now in his third year as Captain of the Baseball Team.

In everything he does Ted is conscientious, and he never accepts a responsibility unless he is sure he is able to uphold the trust put in him.

In baseball he has led the team to greater and greater heights, until this year's team promises to be the greatest in St. Peter's history, both up until now and for many years to come. In football it was Ted who quarterbacked the team, and win, lose or draw, he kept going as best he knew until the final gun. As a boxer, Ted has built up for himself a reputation as one of the best fighters in his weight class around this section of the county. In addition Ted has a reputation as a hot shot hockey player, but lack of ice has kept him from playing the last few years.

In the Annex Ted has kept things "spic and span", in addition to helping keep the building in one piece.

Since he came four years ago, he has plugged his way to the top of the Honor Roll and stayed there. Between girl friends he has even shown flashes of brilliance, but those periods are few and far between.

Ted is undecided about next year, but whatever it is we know that he will never disgrace the reputation of the School, for he only does something one way—well.

ANNUAL CHRISTMAS FESTIVITIES

The night before Christmas holidays we again had our Boar's Head Dinner and Yule Log Festival. This year it was greatly improved by the addition of some more beautiful music and the use of Dave Williams as stage manager.

The idea for the Festival was given to us by Hoosac School where it has been staged for a great many years. Although ours is nothing like the Hoosac festival, we do feel we should again thank Hoosac School for many helpful suggestions.

We at the School appreciate all Aunt Harriet and other members of the staff did to make the affair such a success again this year. We missed not having some of our alumni in the leading roles but hope they will be able to renew the tradition next year.

Last Will and Testament

I, Ed Bryant, hoping to be still in sound mind, leave my job as Annex praefect to my poor successor.

I, Armand S. Hall, being of sound mind and healthy body, do will and bequeath my ability to be late to Jimmy Brown; my daily letter to Christy Bryan, and the daily complaints of the dish crew to next year's pantry inspector.

I, John McDowell, leave to Duane Fern my acquaintanes at St. Mary's, and to Paul Knauff a Croton telephone number.

I, Richard Palmer, being of sound mind and body, do hereby will and bequeath to some Fifth Former with superhuman endurance, infinite patience, and no desire for sleep my job as Senior Praefect. To Bill (B.T.O.) Guion, I leave all my rights to any of my St Mary's priorities.

I, David Pizarro, being unsound after a year of accompanying the Glee Club, leave to someone with superhuman patience my job as Glee Club accompanist, and to some budding musican my job as school organist.

To someone with abundant patience and a love for little ones, I, John Schmitt, leave my inspectorship; to any future historian I leave my ability to take three history courses in one year.

I, Henry G. Warrington, leave a shattered mind and a bruised body to next year's praefect of Main House. To Schillen I leave my ability in mathematics, to Johnson my ability to build models, and to Morris Keyt I leave my ability as a third-rate athlete.

I, Daren Welch, in sound mind, will to next year's Sixth Form, the School, to Paul Knauff my loves, and to Paul Burr my inspector's job.

I, Ted Williams, being of sound mind and body, hereby will to the class of '50 all the senior homework, to the Glee Club more free time, and to Alan Lewis an "everlast" pen.

UNDERCLASSMEN

FIFTH FORM

(First row, left to right) David Williams, Duane Fern, Alan Lewis, Miles Shouklovich, Joseph Greenwell, Christie Bryan
(Second row, left to right) Finley Bryan, Bjorn Halvorsen, James Brown, William Guion, Morris Keyt, Paul Burr,
Kenneth Buell, George Burnett

FOURTH FORM

(First row, left to right) Grissom Haynes, Lawrence Johnson, William Hinckley,
Felipe Rincon, Lionel Arteaga
(Second row, left to right) Garry Brundage, Richard Donahugh, Paul Knauff,
Gunnar Schillen, Robert Baxter

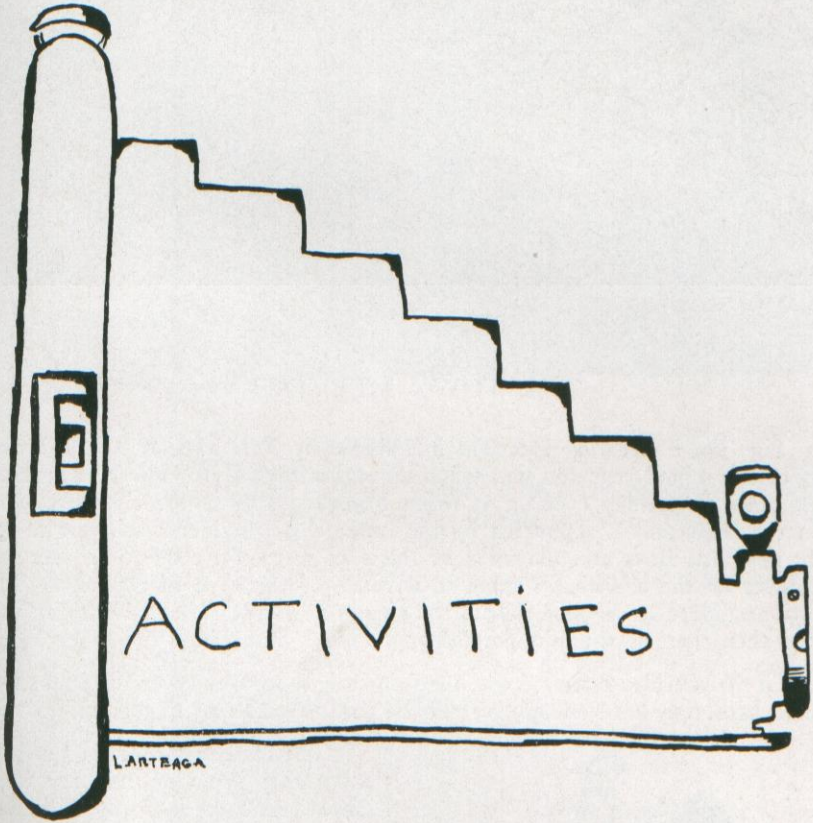

THIRD FORM

(Left to right) Robert Cooke, Iradj Moazed, Arthur White, Freydoun Moazed,
Richard Kane, Robert Chamblee

LOWER SCHOOL

(First row, left to right) Maurice Bonnefin, Yvan Arteaga, Frank Markle, Richard Betancourt.
(Second row, left to right) Mason Smith, Orest Blyznak, George Kuhhorn, Phillip Eggers.
(Third row, left to right) William Brown, Fred Leighton, Cyrus Moazed, Charles Leighton, Peters Lindsay.

THE TOWN MEETING

The Town Meeting idea was introduced by Mr. McGay at the beginning of this school year and was taken up enthusiastically by all. The meeting takes place on Friday evening at seven o'clock. The senior class president is in the chair and is supported by the other class presidents who sit to his right and left. Boys and members of the staff write their questions out and put them on the chairman's table in advance of the time of meeting. The questioner addresses his question to the person he thinks is best able to answer it and then there is ample opportunity given for discussion.

To the outsider many of the questions might seem very unimportant but in most cases they have tended to clear the air and enable us to get things done.

At least we feel it is a step in the right direction and we hope next year's sixth form will support the idea of the Town Meeting and help to make it more valuable to the life of the School.

This year the meetings have been followed by gatherings of the various hobby groups, including a weekly meeting of the Dragnet Staff. Boys who felt they needed that time for study were permitted to sign up for study time.

MITRE STAFF

(Left to right) David Pizarro, Typist; Henry Warrington, Features; Theodore Williams, Editor; Robert Wallace, Sports; Richard Palmer, Managing Editor.

We, the Mitre Staff of 1949, present to you a yearbook which seems to portray to us best the way we shall always remember St. Peter's School. Within these covers we hope that you too will find some of the pleasant memories and experiences that the Class of 1949 will never forget.

We are especially grateful to Mr. Hanna who has so freely given of his time correcting manuscript, helping with the reading of proof, and in the general lay-out of the Mitre. He has never been too busy to respond to a call and we wonder what we would have done without him.

We also wish to thank those who have supported the Mitre by advertising. It is they who have made it possible for us to give you what we believe to be a more interesting account of the school's activities.

THE GLEE CLUB

The Glee Club has had a very active year. In twenty-five outside appearances we have sung before over fourteen thousand people in four states. We also sang to many thousands more when we presented a Christmas program on the Martha Deane Program over Station WOR on Christmas Eve.

One of the highlights of the season was the mass meeting of Episcopalians at the County Center in White Plains last November. There were nearly six thousand people present and our Glee Club was chosen to lead the music and to sing the offertory anthems. Another great experience was that of singing at the Cathedral of St. John the Divine on the first Sunday in January.

The New York Concert on April 23 was a great success and we cleared well over a thousand dollars which was added to the heating fund for the gymnasium. The following Saturday we gave a concert in Peekskill for the benefit of the Discretionary Fund of the Chaplain at Grasslands Hospital.

Next year we are to go on tour and will be heard in Philadelphia, Washington, Pittsburg, Columbus, and Cincinnati.

DRAGNET STAFF

(Left to right—seated) Theodore Williams, Father Leeming, David Pizarro, Edward Bryant, Christie Bryan, Daren Welch.

(Left to right—standing) Paul Burr, Richard Kane, Alan Lewis, Henry Warrington, Richard Palmer, Editor.

This year the hard working Dragnet staff has turned out continually fine editions—ON TIME. The circulation has been built up to 400. We hope next year's staff will work to increase that number to 500. This would make it possible for the paper to be self supporting as it should be.

Credit for excellent leadership goes to the editor, Dick Palmer who, in spite of the fact that his duties as senior praefect took up a great deal of time, was never known to shirk his other duties. Ted Williams, with the able assistance of Alan Lewis, has kept the Dragnet readers well up on the sports events at school. Ted Bryant kept the business end of the paper up to date besides pitching in to help with the writing. Others who have worked hard for the paper are Henry Warrington, Daren Welch, and Paul Burr. Christy Byran and Dick Kane joined the staff later in the year and contributed a great deal. We are very grateful to David Pizarro, our expert typist and reporter, and to "Pop" McDowell who addressed all of the envelopes and saw to it that the Dragnet was mailed out.

CAMERA CLUB

(Left to right) Richard Donahugh, William Hinckley, James Brown, Yvan Arteaga, Gunnar Schillen, Felipe Rincon, Lionel Arteaga, Fernando Egana, Joseph Greenwell, President; Grissom Haynes, Robert McDow, Charles Leighton, Fred Leighton.

RADIO CLUB

(Left to right) James Brown, Armand Hall, Mr. McGay, George Burnett, John Schmitt, President.

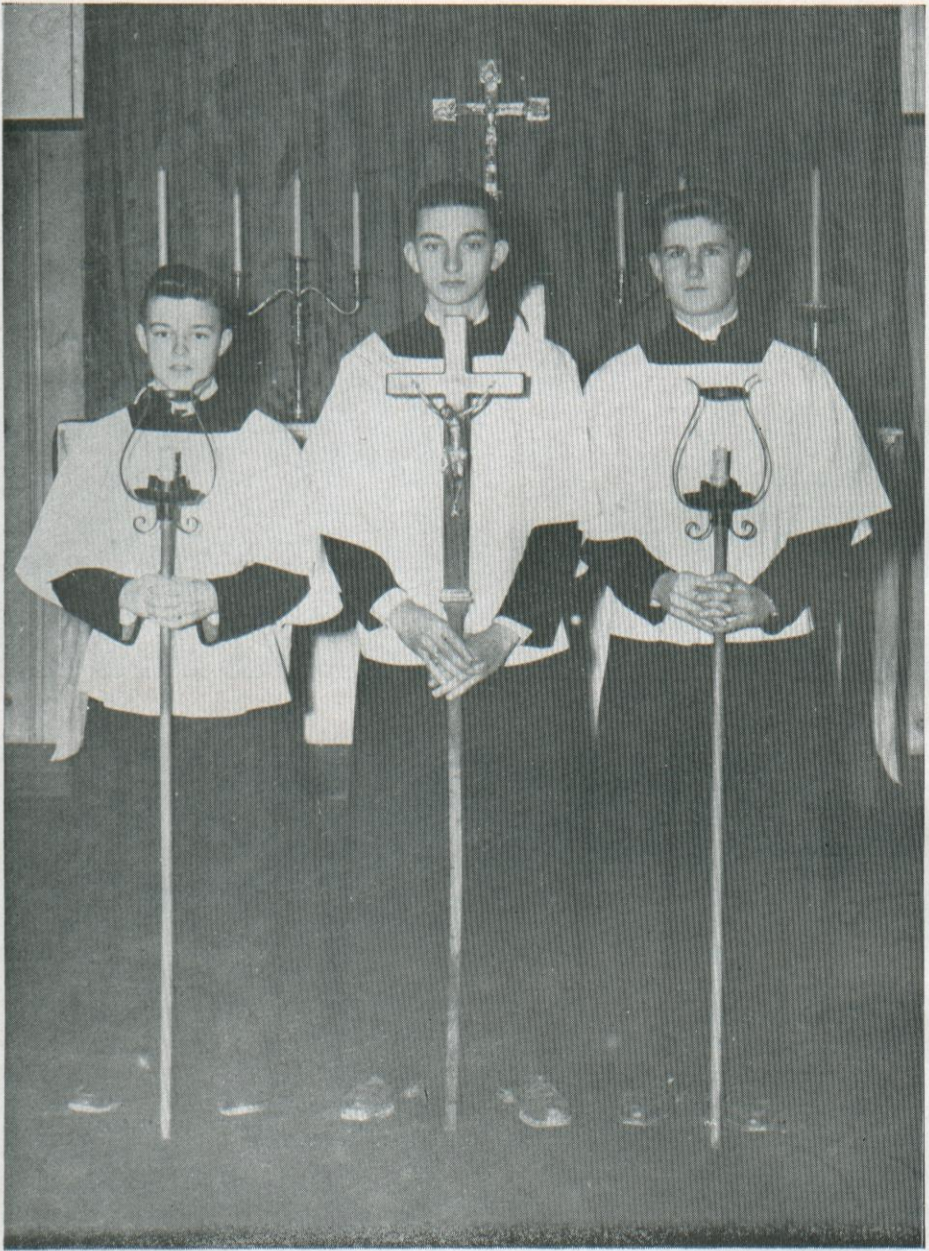

MODEL CLUB

(Left to right) Mr. Carter, Garry Brundage, William Brown, Lawrence Johnson, President; Peters Lindsay, George Kuhhorn, Robert Baxter.

CLUB ACTIVITIES

During this year the various clubs have met on Friday evenings after the Town Meeting. The plan was originated by Mr. McGay and he has given much of his time to its operation. He has had the cooperation of several members of the faculty—Mr. Carter has worked with the Model Club; Mr. McDowell with the Camera Club; Mr. McGay has taken care of the Radio Club; and Fr. Leeming and Mr. Hanna have met with the Press Club. The Glee Club held its rehearsals every Saturday morning.

THE SACRISTANS

(Left to right) Kenneth Buell, Lester Inglis, Paul Knauff.

SPORTS CALENDAR 1948 - 1949

Football

September	15—Varsity squad reported for pre-school training program.

October	15—Jays halt P. M. A. at home	27	to	7	
October	16—Varsity drops close one to P. M. A. at home	7	to	0	
November	1—Varsity drubs Scarborough at home	35	to	12	
November	6—Varsity travel to Hartford, topping Watkinson	7	to	0	
November	10—Jays rained to a loss at Greer	7	to	0	
November	13—Varsity rips Greer at home	26	to	7	
November	15—Jays smother P. M. A. away	47	to	7	
November	19—Varsity stumbles to tie Scarborough away	13	to	13	

Track (Intramural)

January	5—Cross country training started for wintersports conditioning.
January	17—Annual cross country run—won for second year in succession by Henry Warrington with Alan Lewis coming in second and Lionel Arteaga third. The Sixth Form topped the team scoring.
May	21—Hackley Invitation Meet

Boxing

January	10—Varsity squad reported for training program.
January	22—Intramural tournament won by the "Navy."
January	28—Varsity defeated Hendrick Hudson away 4½ to 1½
February	5—Varsity bows to P. M. A. at home 5 to 2
February	23—Varsity dropped for the count by P. M. A. away 5 to 2

Basketball (Intramural)

January	10—Training program started in MacFadden Gym with inter-squad games.
March	4—An "informal team" played P.M.A. away to lose 37 to 28

(Continued on Page Fifty-one)

Co-Captain Warrington

Co-Captain Wallace

VARSITY FOOTBALL TEAM

(*First row, left to right*) Duane Fern, John McDowell, Finley Bryan, Robert Wallace, Robert McDow, Richard Palmer, Daren Welch.

(*Second row, left to right*) Christie Bryan, Theodore Williams, David Williams, Henry Warrington, Armand Hall, Paul Burr.

(*Third row, left to right*) Effingham Lips, Asst. Mgr.; James Brown, Asst. Mgr.; William Guion, Lester Inglis, Alan Lewis, Paul Knauff, Joseph Greenwell, Edward Bryant, Morris Keyt, George Burnett, Manager.

VARSIY FOOTBALL

St. Peter's tasted first blood against St. Luke's, on Saturday, October 2, to the tune of 24-0. Warrington stepped across the line four times for St. Peter's to give Mr. Carter's first game a fat score. The line, led by Wallace, McDow, and McDowell, held a much larger St. Luke's team to 72 yards rushing, and 20 yards through the air. as against our 360 yards gained by rushing.

Irving was the second team to feel the Saint's power as they left the field at the short end of a 27-0 score. Warrington scored two touchdowns and two extra points, while Dave Williams intercepted two passes from which he scored on 60 and 40 yard runs. Glue-fingers Welch snapped a pass from nowhere to chalk up the remaining extra point. The Saints rolled up 385 yards rushing to their opponents' 65.

In their one and only defeat, the Saints lost a heart-breaker to P. M. A. 7-0. In the third period Mikulics raced 44 yards off tackle to score for the Cadets. Shortly afterwards the Saints shook Warrington loose for a 65 yard run, but a short whistle as a would-be tackler bounced off the runner resulted in the ball's being called back. In the first period Hall raced 34 yards, only to have P. M. A. intercept the ball and kick out of the hole. Finley Bryan did a terrific defensive job, and sparked the Saint's forward wall.

The Saints ripped into their old enemies, Scarborough, to come out with a 35-12 score. Our top-flight right end, Lewis, was replaced by Fern, who did a fine job. Teddy Williams quarterbacked a fine game and accounted for two scores. Welch, Hall, and Warrington did the rest of the scoring for the Saints.

For the second time in the season the Saints looked worried, as Greer took the ball in their first play and raced 60 yards for a touchdown to tie up the score. But from then on the Saints, sparked by Palmer and McDowell, and Hall's line plunges, dominated the play. Dave Williams did his usual fine blocking, and we finished up the game on the long end of the score.

After a long trip to Hartford, the Saints barely edged out a Watkinson eleven, 7-0. The Saints bogged down after scoring once on a touchdown by Hall and a pass, Warrington to Welch, and had to be content with holding their hard driving opponents. Big tackles McDowell and Palmer were on the bench with sick stomachs, but Knauff and Shoukletovich showed what they were made of as they ripped into the opposing line.

The season closed with a sour note as a changed Scarborough eleven tied us up 13-13. The Saints did nothing, only rallying to hold Scarborough when they threatened deep in our territory, where Wallace and Williams led the defense.

BOXING TEAM

Armand Hall, Captain

(First row, left to right) Cyrus Moazed, Lawrence Johnson, Richard Betancourt, Fred Leighton, Theodore Williams, Mr. McDowell, Coach.

(Second row, left to right) Henry Warrington, Daren Welch, Paul Burr, William Brown, Duane Fern, George Burnett, Manager.

At the beginning of the winter term twenty hopeful ringmen began training for the tough schedule that was ahead of them. Among these were four of last year's lettermen: Hall (165), Fern (160), Welch (155), and T. Williams (140). Henry Warrington, who had been elected captain of the '49 boxing team was unable to join the returning lettermen because of an injury sustained in football. Armand Hall was elected to succeed Warrington as captain. After a gruelling training period the Saints' ringmen, under the direction of Coach McDowell, were ready for their first match.

St. Peter's 4½

Hendrick Hudson 1½

Led by wins by Williams, Welch, W. Brown, Leighton I, and a draw by Burr, the Saints left the ring victorious over the present holders of the Tri-County Championship.

St. Peter's 2

P. M. A. 5

The veteran-loaded Cadet team from Peekskill Military Academy proved to be too much for the fighting Saints. Welch and Leighton were the only Saints to leave the ring with arm raised.

St. Peter's 2

P. M. A. 5

The Saints met the Cadets for the second time, but with the same results as in their previous match. Although Leighton was the only Saint winner, Welch and C. Moazed were impressive in gaining draws.

VARSITY BASEBALL SQUAD

(First row, left to right) Fernando Egana, Armand Hall, Henry Warrington, Alan Lewis, Daren Welch, Robert Wallace, Felipe Rincon, Duane Fern, Joseph Greenwell, Effingham Lips, William Guion.

(Second row, left to right) Edward Bryant, Ast. Mgr.; Mr. McDowell, Coach; Morris Keyt, Gary Brundage, David Williams, Paul Knauff, Richard Palmer, Andre Rebeil, Grissom Haynes, Asst. Mgr.; John McDowell, Mgr.; Theodore Williams, Capt.

Although the Saints have played only three games of their fifteen game schedule, it is evident that they will be a hard team to beat. On April 13, they started their season off right by trouncing Hackley Prep 9-7, and again on April 16, the Saints played heads-up ball to come out on top of a 6-4 score over Kent School at Kent, Connecticut. On April 20 the Saints scored their third consecutive victory by beating Peekskill Military Academy 5-3.

The Saints are boasting the return of seven lettermen to their '49 lineup. They are: Captain Ted Williams, ss; Henry Warrington, p; Denny Welch, lf; Alan Lewis, lb; Armand Hall, cf; Duane Fern, rf; and Bob Wallace, c. Coach McDowell is depending heavily on these returning veterans to keep his team on top throughout the season. Newcomers to the Saint's lineup are: Joe Greenwell, a pitcher with a great variety of pitches, and Felipe Rincon, a small, but powerful hitter who will handle things at the keystone bag. The only position which is not assured at the present time is third base. Eff Lips has played the position for the first three games but he is being hard pressed by rookie Garry Brundage.

It is hard to predict the final outcome of the '49 season, but if the Saints continue playing as they have in the past three games it looks as though St. Peter's will enjoy a winning baseball season.

Capt. Theodore Williams
Page Forty-seven

JUNIOR FOOTBALL

(First Row, left to right) McLean Brocklebank, Yvan Arteaga, Felipe Rincon, Fernando Egana, Phillip Eggers, Richard Betancourt, Richard Kane, Robert Markham, Fred Leighton, Peters Lindsay, Charles Leighton.

(Second row, left to right) Robert Baxter, Gunnar Schillen, Bjorn Halvorsen, William Hinckley, Andre Rebeil, Frank Markle, Iradj Moazed, Father Leeming, William Brown, Arthur White, Lawrence Johnson, Robert Cooke, Kenneth Buell, James Higgins, Coach.

This year was the first year that St. Peter's had ever fielded an organized well coached junior football team. Their .500 season was due largely to the efforts of their coach, Jim Higgins, a former high school star who came to S. P. S. after a term in the Navy. Coach Higgins drilled his charges in the fundamentals of football and gave them a good start on their long climb to the Varsity.

St. Peter's Juniors 21—P. M. A. Juniors 0

A Rebeil to Baxter pass play clicked for two touchdowns and then shifty Fred Leighton iced the victory cake with a 50 yard touchdown jaunt.

St. Peter's Juniors 0—St. Luke's Juniors 21

The Little Saints fought hard but they were not able to do much against the stronger, more experienced team that St. Luke's fielded.

St. Peter's Juniors 0—Greer Juniors 7

A wet field fouled up the tricky running attack that Coach Higgins had taught his boys and they were never able to get started.

St. Peter's Juniors 48—P. M. A. Juniors 7

The apprentice Saints had a field day in their last game of the season. Rebeil, F. Leighton, I. Moazed, and Jervis teamed up to cross the Cadet's goal line seven times.

JUNIOR VARSITY BASEBALL

This year St. Peter's took a step which is sure to help baseball here at School in future years. A Junior Varsity team that works out with the Varsity has been organized. This team gives the boys who are not able to make the Varsity squad a chance to continue playing organized ball, and the experience will help them when they are ready to make the jump to the Varsity. As this article is written the J. Vees have played only one game, which was rained out in the fifth inning; but in practice games with the Varsity the boys have shown that they are profiting by the chance offered them.

JUNIOR BASEBALL

Under the direction of Coach Jim Higgins, St. Peter's is fielding what looks like a hustling junior baseball team. To date the team has played only two games, winning one and losing one. In their opening game of the season the Juniors played host to the Peekskill Boys' Club and due to a last inning rally by the Peekskillians the Little Saints left the field on the short end of a 12-8 score. I. Arteaga, Hinckley, and F. Leighton kept the boys from Peekskill on their toes throughout the game with their fine fielding and potent batting. On April 20, the Junior Saints met the Irving Juniors at St. Peter's and ran away with a 23-3 ball game. Every man on the squad participated in the game and each one looked like a real "pro" in his own way. The apprentice Saints still have three games left on their schedule and we are sure that they will be on top throughout the rest of the season.

VARSITY BASEBALL

(Continued from Page Forty-seven)

St. Peter's 9—Hackley 7

The Saints have opened their season in fine style, attested by Captain Williams' four hits, Denny Welch's clutch single in the last inning, and Henry Warrington's fine relief pitching, when he struck out ten of the twelve men he faced.

St. Peter's 6—Kent 4

People said the Saints were going out of their class when they took on Kent School of Kent, Connecticut, but the Saints, led by Warrington's pitching, were able to change a lot of opinions.

St. Peter's 5—P. M. A. 3

On April 20, the Saints turned back their city rival, Peekskill Military Academy. Again it was Warrington on the mound for the Saints, and he received great support from the bats of Welch and Wallace.

A LOOK INTO THE FUTURE

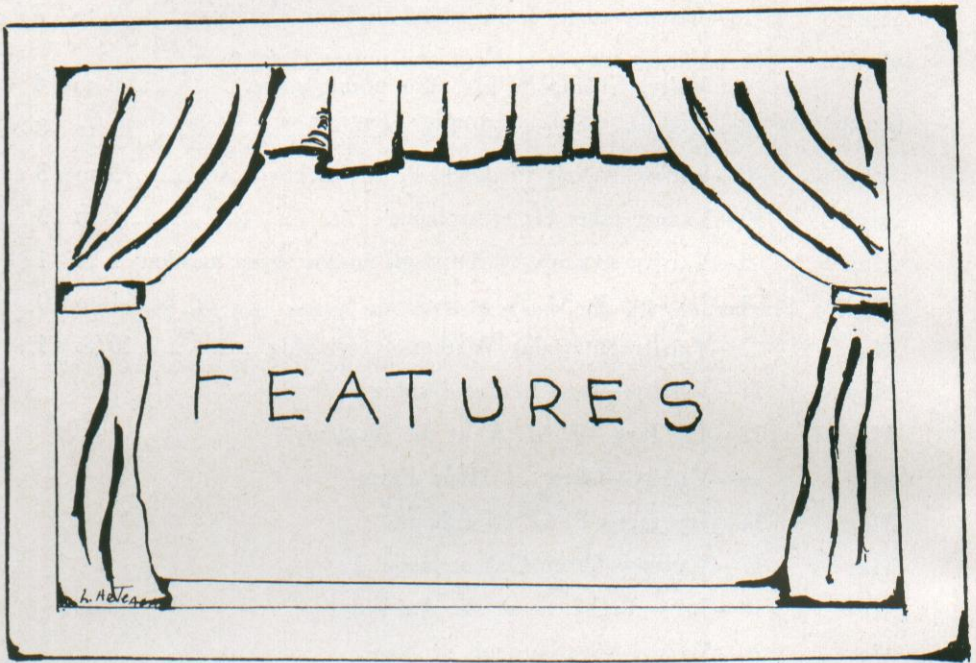

As we look into the future we see great things in store for our alma mater. Much has been accomplished but there is still a lot to be done. Now that the first unit of the gymnasium has been built we are looking forward to the day when we will have the field house, consisting of locker rooms, shower rooms, and storage rooms for equipment. The fact that we HAVE a gymnasium has already added to the competitive spirit of the school. This is evidenced by our most successful football and baseball season this year. We hope the day will soon come when some other friend of boys, following the example of Mr. McFadden will help us to make our dream of a field house a reality.

SPORTS CALENDAR 1948 - 1949

(Continued from Page Forty-three)

Baseball

March	31—Varsity training program started in MacFadden Gym
April	8—Varsity shifts to the field.
April	13—Varsity comes from behind to down Hackley 9 to 7
April	16—Varsity travels to Kent and upsets Housatonic Valley Champs in first nine inning game 6 to 4
April	16—Jays lose to Peekskill Boy's Club 12 to 8
April	20—Varsity travels to down P. M. A. 5 to 3
April	30—Varsity takes Greer at home 5 to 3
May	3—Varsity swamps Scarborough on the sheep meadow 9 to 1
May	4—Jays top P. M. A. at home 11 to 10
May	7—Varsity entertains Watkinson, winning 10 to 1
May	11—Varsity—Jesse Lee at Danbury
May	12—Jay Jays—P. M. A. at the Academy
May	14—Varsity—Greer at Hope Farm
May	14—Jay Jays—P. M. A. at home
May	17—Varsity—Shrub Oak at home
May	18—Jays—P. M. A. at the Academy
May	20—Varsity—Scarborough at home
May	21—Jay Jays—Todville at home
May	24—Varsity—Yorktown Heights at home
May	25—Varsity—Irving at home
May	28—Varsity—P. M. A. at home
June	3—Varsity—"The Prom Game" (opponent to be chosen)

THE YEAR IN RETROSPECT

The eleventh year of the School officially opened on September 22, with Evensong in the Chapel. Sixty-two fellows, from fourteen different states and five foreign countries were enrolled. Twenty-five came to school a week early to begin football practice with Coach Carter in charge, and Mr. Hanna assisting. Within twenty-four hours they were all in uniform and there was every indication that we would have a winning team. This year the conductor of the faculty Retreat was the Rev. Thomas Brown, assistant at St. Peter's Church, Westchester.

The boys greeted three new members of the faculty—Mr. William Allen Sherman, a graduate of Dartmouth College, who is to teach Latin and Spanish; Mr. Douglas Arthur Carter, a graduate of Trinity College, who is to teach French and General Science and coach football; and the Rev. Warren Isaac Densmore, graduate of The New York State Teachers' College and the General Theological Seminary, who is to teach Sacred Studies and first and second form boys.

On Thanksgiving Day the Louis E. McFadden Gymnasium was dedicated. Many of our parents and a goodly number of the Board of Trustees were in attendance. The first unit of the gymnasium, which has been in use most of this school year, is 86x60. It was a great day for the school when the building was turned over to us. We have needed a gymnasium for years and it is hard for us to realize that at last we have it! We are indebted to Mr. Russell Terbush who put in many hours of work getting the gym ready for use.

On October 16, twenty-three fathers came to the school and were present for the football game with P. M. A. They later went to chapel with their sons and then to dinner. After dinner a meeting of the fathers was held in the library, and the Fathers' Association was formed. Mr. Kenneth Lindsay was elected president for one year. Mr. William Guion was elected secretary-treasurer. After Sunday morning breakfast, which was preceded by a corporate communion, the fathers met again and decided to assume the responsibility of raising the money to put heat in the gymnasium. To date they have over \$2,000 in their treasury and hope to have enough to have the furnace installed before next Fall.

The Glee Club went on tour during the week-end of October 23-24. The first stop was Bordentown, N. J., where a concert was given on Saturday evening. The boys were entertained over night at the home of Mr. and Mrs. Edward K. Bryant. After being present at Mass at Christ Church at 7:30 on Sunday morning, we had breakfast in the parish house and then boarded the bus for Doylestown, Pa., where we sang at eleven o'clock, at St. Paul's Church. The ladies of the parish served us dinner before we left for St. Clement's Church, Philadelphia, where we sang at four o'clock. It was a tired lot that arrived home at about midnight. The boys have sung before over thirteen thousand people this year and also gave a half hour program of Christmas music over WOR on Christmas Eve. The Annual Concert was given at St. Bartholomew's Community House, New York City, on Saturday evening, April 23. Another concert was given in Peekskill on April 30.

THE YEAR IN RETROSPECT

(Continued from Page Fifty-five)

The Boar's Head Dinner and Yule Log Festival was held the night before the Christmas Holidays. A great deal of new music was added to the program which was most enjoyable. However, the spirit was somewhat dampened due to the fact that Uncle Harvey had earlier been taken to the Roosevelt Hospital. Many of the fellows went down to the hospital and gave blood transfusions, and Uncle Harvey declares it was the new young blood that restored him to health. Whatever it was, we were all very glad to see him return to the school in January.

On February 2, we had our traditional Shield Day activities when the fifth formers battled the seniors. This year the seniors won, and so the numerals "49" remain on the shield.

We had the pleasure of a visit from Father Chalmers, headmaster of Kent School, on Monday, January 24. He gave a short address in chapel and then had supper with us. This was Father Chalmers' first visit to St. Peter's.

Other speakers during the year have been the Rev. Sewell Emerson, Rector of St. Paul's Church, Norwalk, Conn.; the Rev. Lawrence Rose, Dean of the General Theological Seminary, and the Rev. Bryan Green, of Birmingham, England.

The Rt. Rev. Charles K. Gilbert, Bishop of the Diocese of New York, visited the school for Confirmation early in the Spring. Six boys were confirmed. The Bishop had dinner with us after the service and gave a short address.

The seniors took College Board Examinations on April 9. Four fellows took the N. R. O. T. C. Examinations a few weeks earlier and two of them passed. Already many of the seniors have been accepted by colleges. They will go to Rensselaer, Trinity, Clarkson, Kenyon, Long Island Agricultural Institute, Springfield, Columbia, and Yale.

During the spring holiday, Mr. Purdy and two local carpenters worked in the chapel and completed the seating by making twelve additional pews. They were exactly like the ones Mr. Purdy made when the Chapel was built several years ago.

The last great event of the year will be Commencement Day, Saturday, June 4. The speaker will be Mr. Richardson Wright, Editor of House and Garden. In case of rain the exercises will be held in the gymnasium.

It has been a wonderful year, and we are grateful to Father Leeming and to all members of the faculty for what has been done for us. Our class started the new decade and we have seen much accomplished for and by the school. We especially appreciate all Mr. McFadden has done for us, and we want to express the thanks of the entire school for the gift of the gymnasium.
