The 1961 Mitre

Gustav Fleischmann

The Dedication

We the class of 1961 dedicate our yearbook to a man who has been most helpful to the School. We thank him for what he has given, and we admire him for the spirit in which he has given it.

He has been a member of the Board of Trustees of Saint Peter's School since its begin-

ning. Even when employed as the Vice President of Fleischmann's Distillery of Standard Brands, his main interest centered in the school. Since his retirement, he has become an integral part of the campus scene.

Our class feels honored to have the opportunity of dedicating the Mitre to

Mr. Gustav Fleischmann

Message From The Headmaster

My personal greetings go at this time to every member of this year's graduating class. It is my sincere wish that each one of you may achieve the goal you have set for yourself and that God will richly bless you in the years to come. In this life of companionship with Christ which we secure by discipline, we find also the surest promise that we shall discover, each one of us, our own vocation. The duty of any one of us is to try in every way possible to find out what God requires of us, and to do it as the work which God has given us. Whatever you do with your life, it must be a form of service of some kind. This you cannot accomplish without Christ — a companionship with Christ — out of which comes to you that Divine power and help without which we can do nothing. No one of us is sufficient unto himself.

One phase of your preparation is over, another is about to begin. Your life will be much freer than it has ever been before. What will you do with this new found freedom? It can be used to great advantage but it can also be used to your own hurt. With the growth of intelligence and hence of freedom, there is an increased responsibility — the responsibility not to yourself alone but also to those who love you and believe in you. Again I say, no one of us is sufficient unto himself. We need the help and the power which can come to us only as we turn to Him who can do all things. "Know the truth, and the truth shall make you free."

Administration

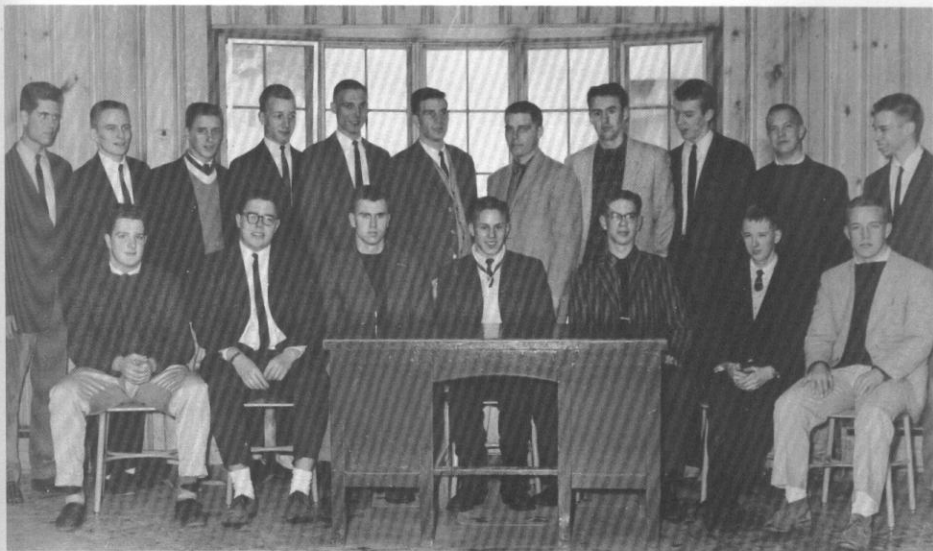

The praefects of the school are responsible for the general conduct of the student body. They must enforce the rules and set a decent example. They control the the Chapel line and conduct the assemblies. In dormitories, they hold secondary responsibility, subordinate only to the housemasters. They are not appointed, but elected from the Fifth Form late in the spring. The results of the voting are made known on Ascension Day, when the new praefects are installed in the Chapel. Immediately after the service, they are taken out to dinner by Father Leeming and Mr. Ennis. The entire conversation at the meal is confidential. At that time, the inspectors are chosen.

The inspectors are an important group of boys. Depending upon their thoroughness is the success of the self-help system of Saint

Peter's. Their responsibility is that of running the work crews which keep the campus clean and in order. There are inspectors in the gymnasium, schoolhouse, chapel, dining room, studio, all dormitories and on the outside grounds.

The praefects and the inspectors are of the Senior Class. Their tasks center upon general control of the student body. The Student Council however, is a more representative body. It acts as a liaison between the administration and the students. It has its own constitution and is run on a democratic basis. The members are: the praefects; the presidents and vice-presidents of the upper three forms; the president of the Third Form. It has power to pass positive legislation, subject to Father Leeming's approval, and to act as a judicial body in dealing with student offenses.

Music

Music is a highly developed phase of activity at Saint Peter's. Its focal point centers upon the work of the Glee Club. A successful glee club here, is the result of much effort put forth by Father Leeming and a responsive effort by the boys.

Throughout the school year, the Singing Peers sing the Mass in local churches, and also make secular appearances. The program of the latter is variegated from English folk songs to ballads of the West. It always has contained Broadway show music. This year it had scores from two shows; "Gigi" and "The Sound of Music."

The initial performances of the Glee Club serve to accustom the boys to audiences and provide opportunities for Father to spot its weaknesses.

The group does not hit its stride until March, when it embarks upon the Annual Spring Tour. The itinerary extends through Dixie, as far as Florida.

The highlight of the Glee Club year is the Annual Spring Concert, which is held in the Roosevelt Hotel, New York City.

From the Glee Club, twelve voices are chosen to be in the Bishop's Men. This smaller group specializes in vocal selections which are in general, more light, more difficult, or more colorful than those of its parent group. Mr. Fall trains and directs the Bishop's Men. Although the extra rehearsals are a minor disadvantage to membership, the fun of performing its vivid program is full compensation. This year, Mr. Fall attempted to arrange to have the Bishop's Men depart from the Glee Club in Florida and go to Bermuda. The plan could not be realized, because the group's profits could not cover its expenses. Perhaps some future group will have better luck concerning this proposition.

The "Senior Sinners" was formed this year to provide a humorous, barber shop group. The seven boys in this group had a great deal of fun.

Finally, Mr. Grant Smith, who accompanies the Glee Club on the organ and piano, also gives piano lessons to students every Monday morning.

Religion

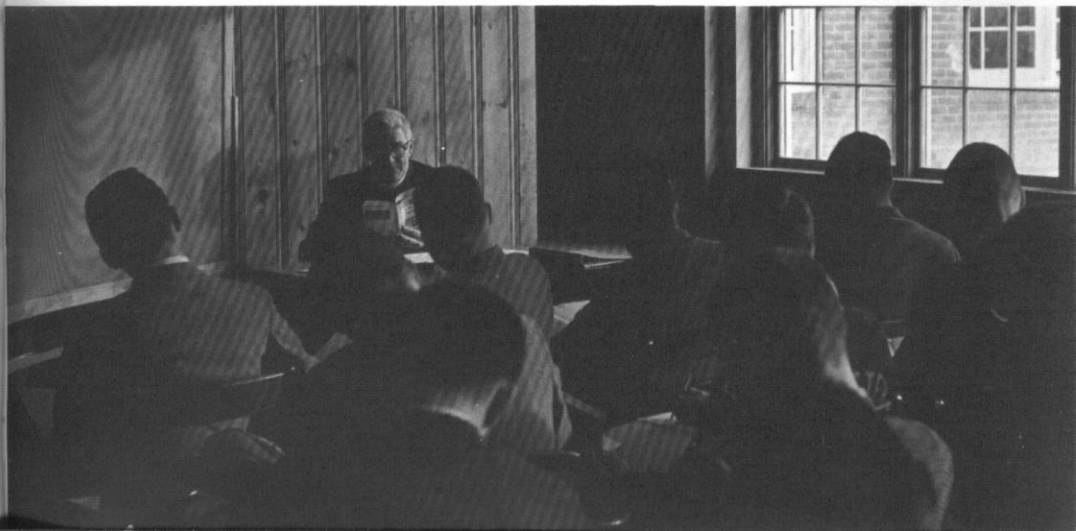

Evening Prayers at Main House

The strong concern of the Administration for the moral welfare of the student body is shown by the firm place which religion occupies at school. Its influence reaches everyone. Not a day passes by in which the students go without exposure to the teachings of the Church.

The school day is begun with prayers at the morning assembly and closed with prayers in the dormitories. Grace is said before all meals, and a Thanksgiving pronounced after them. The Holy Eucharist is attended by the whole school prior to breakfast on Sunday morning. Each dormitory has its own day set aside for a House Mass, before breakfast. The Mass is celebrated every Wednesday in remembrance of the Alumni. Finally, a brief Evening Prayer service is held every day before supper.

Weekly Sacred Studies classes supply students with necessary religious education both in Church history and in basic doctrine. Seniors are grounded in a basic understanding of Communism by Father Leeming's Sacred Studies class.

Junior Varsity

A few days before the main body of students arrived back on campus, the school was overrun by prospective Varsity football players. Each hoped to make the squad and carve his niche in Saint Peter's football history.

In the following two weeks the candidates went through a rigorous training schedule in preparation for their first game.

The first game, against Oakwood, proved to be a foreshadowing of things to come as the Saints lost 13-7.

Two weeks later, following a loss to Wooster on the previous Saturday, the Saints played host to a strong South Kent team. On that Parent's Day the Hilltoppers were badly beaten by the score of 48-0.

The following Saturday the Saints lost to Concordia 19-0, as all the opposition's points were scored in the

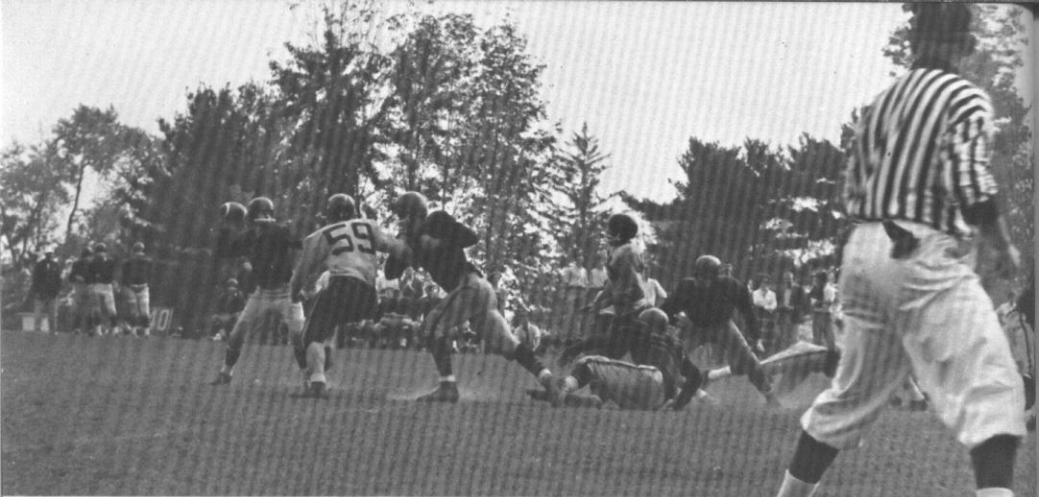

first quarter.

In the next two weeks the Saints met defeat at the hands of Millbrook and Gunnerly. In each game the Saints were unable to start their offensive attack rolling, as they scored one lone touchdown.

Finally the last football day arrived. The entire student body travelled to King School, in Stamford Connecticut, to witness the game. The Saints fought hard, and although they outgained King School in total yardage, they failed to outscore them, and lost 22-6.

It was, of course, a sad experience for the Seniors who left the team without the satisfaction of having won a game in their final year. Yet one cannot help thinking of the future of football at Saint Peter's School, and of better years to come.

Soccer

The Saint Peter's soccer team began the 1960 season by losing its first two games. The losses were at the hands of Storm King, 2-0, and Millbrook, 5-1. The lone Saint Peter's goal was scored by Bruce McClintock.

On October 12 the Saints journeyed to Scarborough Day School and gained their first victory of the season. The final score was 2-1 as Bruce McClintock and Greg Lozier scored the goals.

The following game the Saints played Scarsdale High School. Although the Saints lost the game, by a score of 2-0, they played well against one of the top teams in Westchester County.

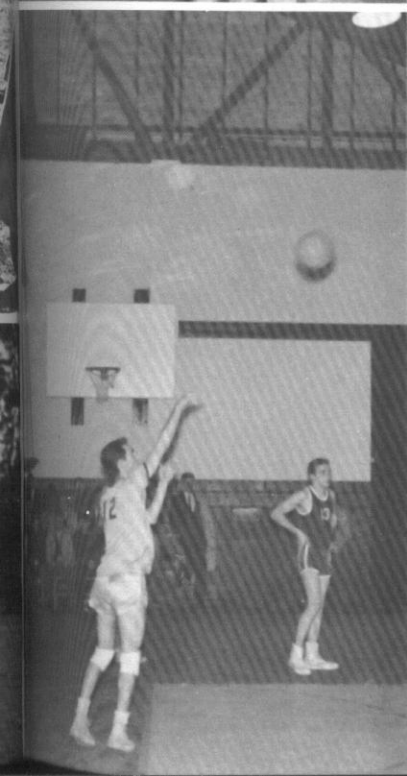

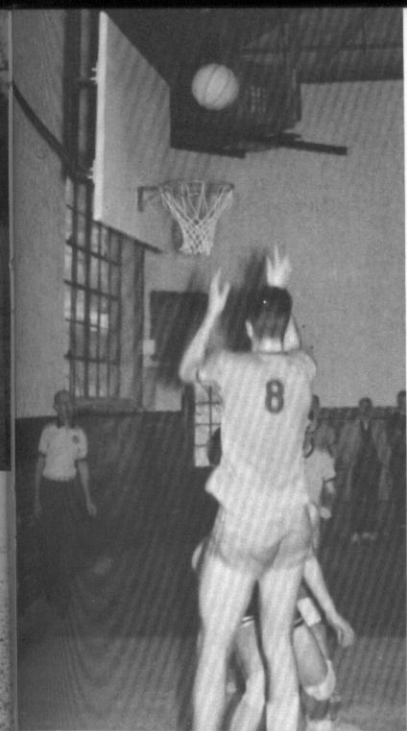

On October 26 the Saints played one of their finest games of the year. Scoring early in the second quarter, the Saints managed to hold a strong Trinity-Pawling team to a 1-1 tie in double overtime.

The last three games were unhappy affairs for Saint Peter's, as games were lost to Watkinson, Storm King, and Yorktown.

Though the Saint's record was not overly impressive, the players were able to keep the morale on the team high, and managed to play spirited and exciting soccer.

BASKETBALL

Though the Varsity basketball team did not enjoy a winning season this year, they played many close and exciting games.

The highlights of the season for the Saints were the three games they won out of a tough twelve game schedule.

After losing their first three games the Saints won two in a row. They beat Wooster 45-36, as Tom Wilberton and Jerry Taft sparked the attack. The second victory was over Storm King by a score of 44-36.

The final victory of the year for the Saints was achieved against Scarborough, 38-32. This victory was especially welcomed by the Saints as

earlier in the year they had suffered a 68-40 drabbing by Scarborough.

One of the most exciting games played by the Saints was a rematch with Storm King. After a close battle throughout the game, the Saints were defeated 57-52. The score was the Saints highest output of points this year.

The Junior Varsity posted a 6-6 record and was led scorewise by Bob Burrows.

The third team was paced in scoring by Ed Franzese, as they completed their schedule with a record of four victories and six defeats.

1961

was the fourth consecutive year the St. Peter's Fencing Team finished it's season by capturing the County Championship in foil. The schedule was increased to include matches with West Point, and the freshmen from Yale and Columbia Universities. This was the second year of competition in sabre and epee, and last year's experience in these weapons began to show in this year's victories.

In the opening meet of the season with Yale, St. Peter's won in foil, but lost in sabre and epee. Against Riverdale the work in epee paid off, and St. Peter's took six bouts out of nine in this weapon. On February 18, the Fencing Team met West Point and lost in the three weapon match by the slight margin of 14-13. The fencers proved their superiority in foil by losing only four times in eleven meets.

This has been a very successful season for the fencers, who have progressed in both sabre and epee. The fine coaching and student interest in fencing are the key factors in the winning team.

1st Row: Willets, Butz; 2nd Row: Krueger J., Springer, Heber, Brown R.; 3rd Row: Lukens, Bartlett W., Bonard, Palmer.

Riflery

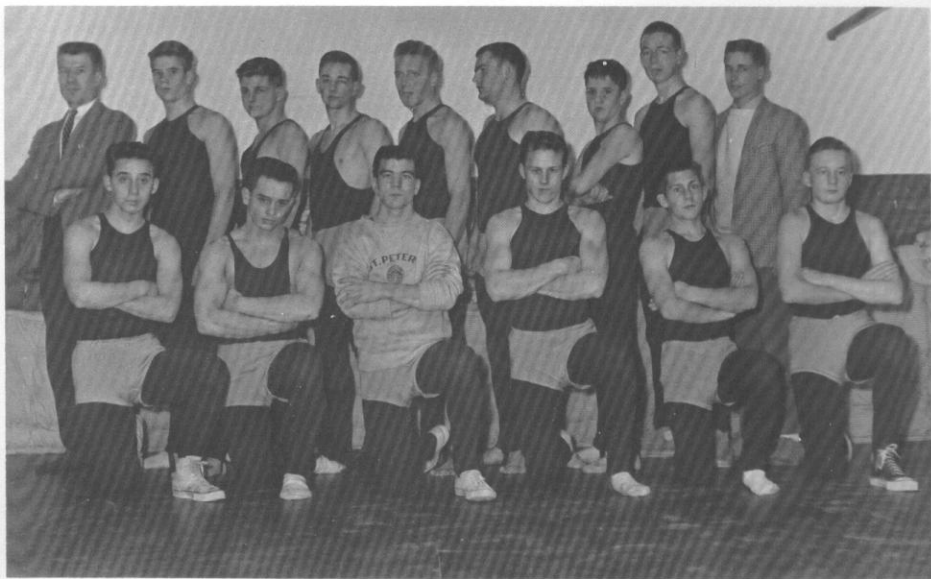

The rifle team this year did a fine job considering the fact that they could only have two practices a week. These practices were held at the Peekskill Armory, and Father Nordeck and Mr. Williamson are to be thanked for the time and gas they contributed to the team.

The schedule was increased to five meets, two with Peekskill Military Academy, one with New York Military Academy, a postal meet, and the highlight of the season, the Westchester County Invitational Meet. This meet was held at the

New York Military Academy with St. Peter's placing a respectable third. With only three seniors on the rifle team this year the outlook for next year is optimistic.

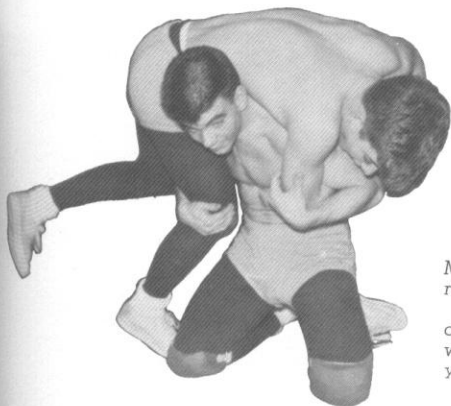

The future for the rifle team is bright. Plans are underway for a range, which would mean more practice time and, consequently, higher scores. New shooting jackets are also in line.

This team came close to victory in all it's meets and is to be congratulated for it's performance.

1st Row: Moffit, Garland, McClintock, Tappen, Ellis, Kotal; 2nd Row: Mr. Fall-coach, Hackett, Wells, Parsons, Shields, Hines T., Tompkins D., Phelps, Ludin-Mgr.

Wrestling

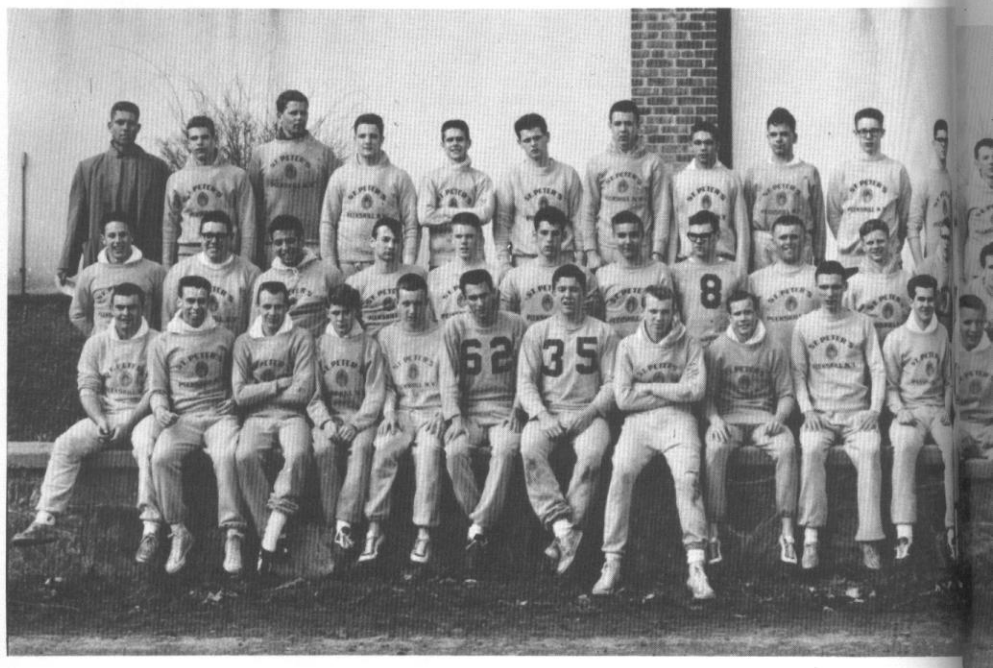

Wrestling was instituted at Saint Peter's two years ago. It met with immediate popularity from the students. The team itself was successful, as the boys had a winning season.

Although the student support was still apparent this year, the team was not successful so far as winning matches. To begin with the team suffered from the lack of experience, as only four men returned from last year's squad. This necessitated the "breaking in" of the new recruits.

This year, as last year, the team had its own wrestling room in the basement of Main House. The matches, however, were held in the recreation hall.

The wrestling team emerged victorious in only two of its matches, but the experience provided the younger wrestlers will help them, and the team, in their future years at Saint Peter's.

First Row — Hines, T.; Ferris, Foster, P.; Lewis, Baldwin, Wilberton, T.; Lynch, **Captain**; Hannum, Butz, Ferriman, Lozier, Shields, Lukens. Sec. Row — Tappan, Schumacher, Ian, Parsons, Vaughn, Hines, P.; Henseler, Warrington, Mulligan, J., Skarstrom, Clish, Roberts. Third Row — Butler, F., **Manager**; Hackett, Mulligan, P.; Tompkins, S.; Reynolds, Wilberton, L.; Phelps, Holmes, Mills, Wright, Wason, Bailey, Slater, **Manager**; Mr. Squires, **Coach**.

The sport of track has now passed through its fourth year at Saint Peter's. With the end of the season, so came the end of its infantile stage of development. The initial pains which always accompany a team during its first few years of existence have been eased considerably. These may be of the physical nature, which occur when one is making the best of a situation. That is to say, when there is not enough equipment to keep all the enthusiasts satisfied. A psychological difficulty which plagues beginners in all areas of endeavor

is the lack of confidence in one's ability, both on the individual scale and in terms of team spirit.

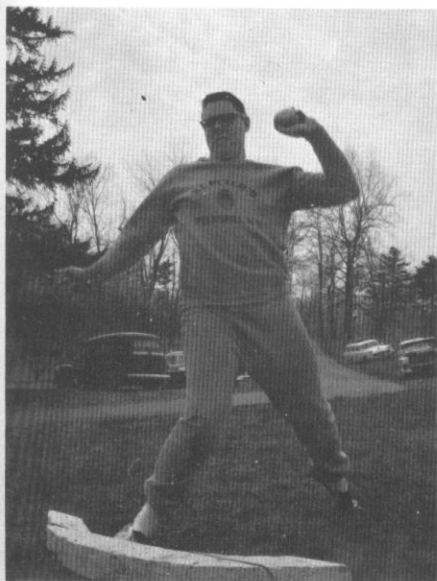

This year has been a year of building for the future in track. Many individuals have done well in developing and working toward the mastery of the skills in many events. While pursuing the immediate goals of this past season in respectable fashion, the trackmen have unconsciously welded together a solid core of returning boys for next year's team.

First Row — Garland, **Manager**; Mr. Adkins, **Coach**; Draper, Urquhart; Butler, D.; Taft, **Captain**; Murr, Smith, Rivera, Mr. Ennis, **Coach**. **Sec. Row** — Mr. Kenyon, **Coach**; McDondell, Wadlow, Piani, Burrows, Franzese, Giarraputo, J.; McClintock, **Manager**; Mitchel, **Manager**.

Baseball

On April 5th the spring sports season was begun in full. Eighteen members of the student body turned out for the first Varsity baseball practice. After several days of batting, fielding, and pitching practice the coaches met to decide which of the squad should remain on Varsity. The team having been cut to fifteen, there was more time to work with batters and for fielding practice.

The Saints have fourteen games scheduled with other schools, plus the Alumni game. Ten of the games are to be played away.

Two-thirds of the team are Seniors. The opening-day line-up contained only two new men to the team with the remainder of the

line-up having been in Varsity games the previous year.

Again, this year as last, Mr. Adkins and Mr. Ennis are coaches of the team. Also there is a new coach, Mr. Kenyon, who will work with the four pitchers on the team.

The J.V. team is coached by Fr. Nordeck. There are eight games scheduled for this year's team with the possibility of others being added. The J.V.'s hope to improve on last year's 8-2 record.

The J.J. team, coached by Mr. Williamson, consists of new boys who hope to work their way up to Varsity. Six games are scheduled, but more games may be scheduled.

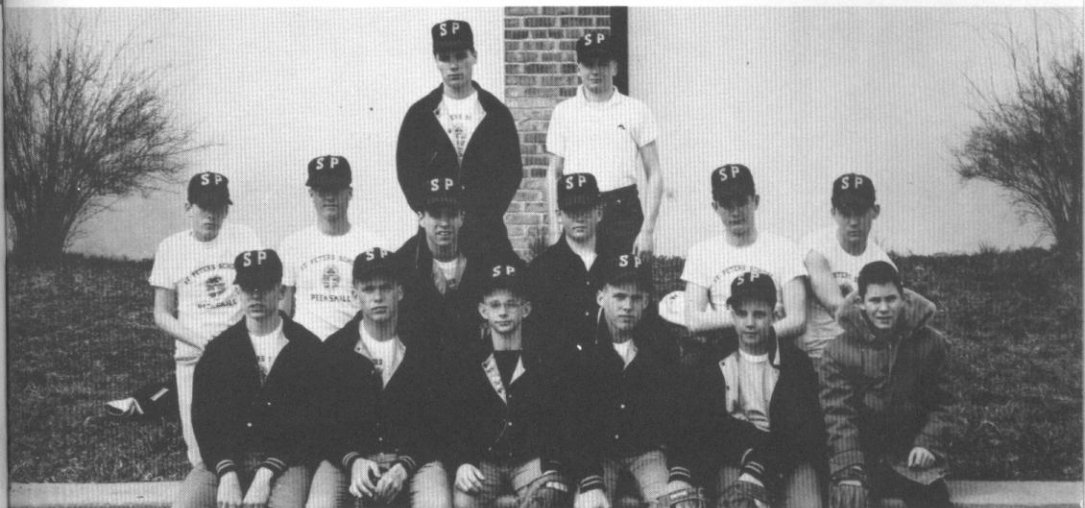

First Row — Newton, **Manager**; Coplen, Walter, Johnson, Gordon, Terwilliger, Bown, Rattray, Hinnen, Ridgeway, Fr. Nordeck, **Coach**. **Sec. Row** — Bedinger, Brown, J.; Platt, Friend, Reilly, Fitzwater.

First Row — Bartlett, D.; Purdy, S.; Powers, Purdy, R.; Tomkins, D.; Ellis, Manager. Sec. Row — Diehl, deMaCarty, Chambers, Garrett, Wells, Moffitt. Third Row — Hird, Kotal.

Junior Varsity

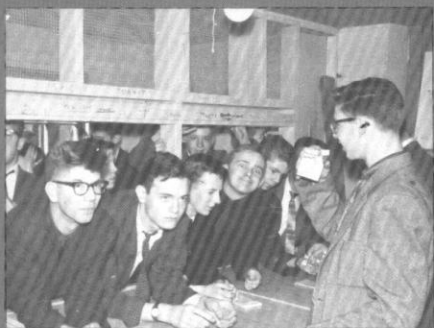

First Row — Cobb, Captain; Stromberg, Kogut, Adler. Sec. Row — Heber, Foster, G.; Bonard.

Tennis

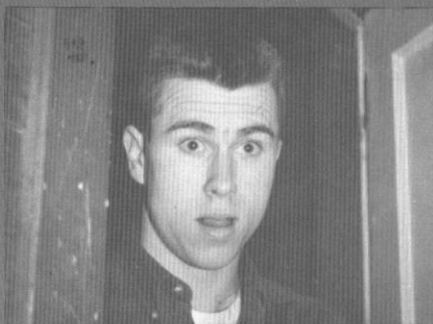

This year's tennis team had only two starters returning from last year's squad, but more students had gone out for the sport than in past years, and Mr. Harry Bates, the new coach, hoped to turn this enthusiasm into victory. The inclement weather kept the players from the courts in the opening days of the season.

The season opened with an away match at Storm King on April 15. The first home match was on April 25, against St. Mary's. Several Junior Varsity matches were scheduled in order to provide everyone with an opportunity to play in competition against other schools. The team faced a tough ten match-schedule, and did a very commendable job.

*Bells, Bells always ringing,

Darting, fighting, all despising
Every morning rising.*

*Bells end classes, clashing masses
Running, singing, proudly springing
Toward the Main House wilting.*

*Bells start meals, students appeal,
Masters skipping, waiters tripping
O'er tile that is stripping.*

*Bells mean bed, students head
Groping, sighing, almost dying
Knowing "Big Marie" is dead.*
