MESSAGE FROM THE HEADMASTER

By the time you Seniors read this you will have passed from the ulcer department to the recovery room. The tensions induced by waiting for college acceptance are reduced, as are most of the other pressures which make seniors, here and everywhere, neurotic and unpredictable. And June fifth now looms as the eschatological fact (Remember the word?).

Everything considered, it has been a good year. You and I have had two years to get used to each other, and I hope I have worn as well with you as you have with me. It is always a little saddening to realize that the pleasant, day-by-day, familiar association is about to end. I have regrets about this; I hope you do, too.

However, your usefulness to the School, and your involvement with it, need never cease. As alumni you will have a life-long opportunity to lend us a hand. I need not tell you that a school is no stronger and no more effective than its alumni permit it to be. We shall need you in the years ahead as you have needed us in the years that are past. Every Wednesday we shall remember you at the altar, and I hope you will remember us in your prayers on that day.

And so it is "Ave" but not "Vale"; wherever you go, whatever you do, you are part of St. Peter's. Good luck and, as always, God bless.

THE 1965 MITRE DEDICATION

THE DEDICATION

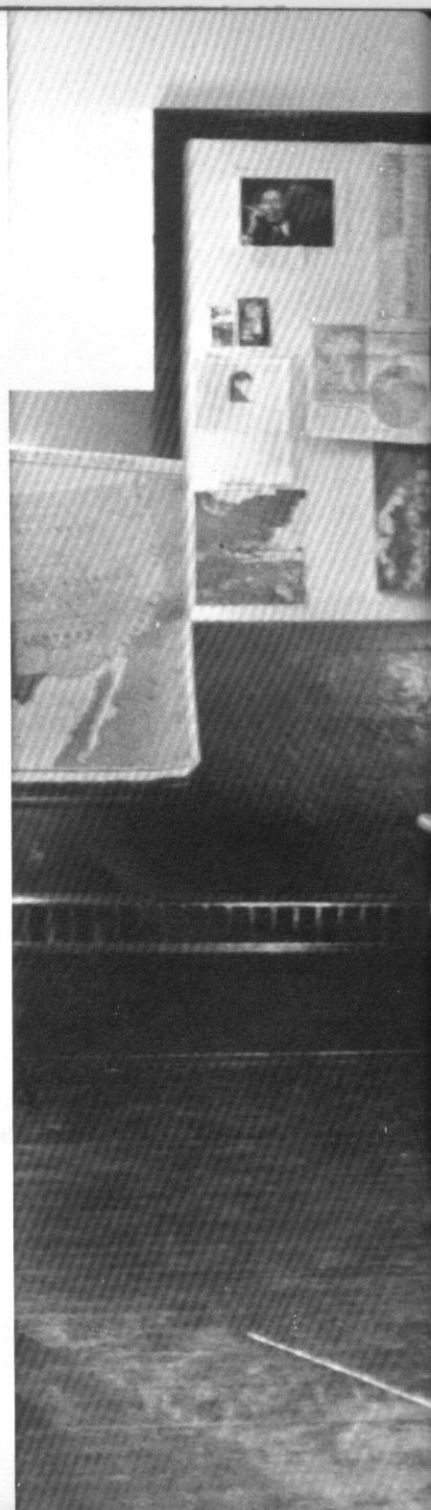

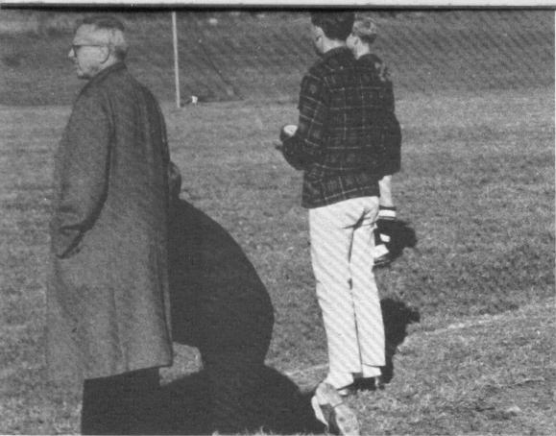

As we the seniors of the class of '65" conclude our last year at St. Peter's, we wish to pay tribute to a man who has acted as a coach, teacher, advisor and friend to all the students. We shall remember him as a devoted person who always went out of his way to help us both individually and collectively; he was always someone to turn to for advice or consolation over the years.

We shall never forget the man with the pipe; he was much more than a teacher. He has devoted himself to the betterment of the Athletic and English Departments. He has been a dedicated house master and has unselfishly shared everything he could, with the boys of his house as well as the rest of the student body.

Now in deep appreciation and ever lasting memoria we dedicate this, the 1965 Mitre, to you.

TRACK TEAM

The 1964 Track Team was one of the finest teams the school has ever built. The inspiration of Mr. McDowell, in his final year at Saint Peter's, led the Saints on to win nine out of ten dual meets. Loosing to Trinity Pauling and taking a close second in the Millbrook Invitational. The teams primary drawback at these two last meets of the seasons was the loss through injury of Co-Captain Lew Barnes. If Barnes had not been injured the team could have easily picked up these victories and had an undefeated season.

Co-Captains Andy Schuyler, and Lew Barnes led the rest of the powerful team on to the breaking of numerous records. All records were broken except the half mile. Schuylers 162'6" javelin throw, and 51'1" shotput, Barnes 22.9 sec. 220, and Hartmans 140'7" discus throw were only a few exceptional feats obtained by the Hilltoppers.

Coach McDowell had been building this team for three years. Painstaking time was spent on style and perfection in many fields. No member of the team was a specialist. In spite of the large squad, every man could compete in three or four events.

The season's outcome, we feel, is the best present the team could give to Mr. McDowell in his closing year at St. Peter's.

FIRST ROW: Coach, Creighton, P. McNeary, G. Hardman, S. Johnson, J. Burnette, D. Coe, X. Hutchessen. *SECOND*

ROW: P. Watson, R. Carrara, P. Planz, N. Collins, J. Morrison.

VARSIITY BASEBALL

From the opening game triumph over Storm King to the final and Heartbreaking loss to our intra-city rival, P.M.A., the Saint Peter's Varsity Baseball Team played a commendable and hard fought season. Although the team suffered a losing 6-8 season, it was auspicious on the whole. Under the superb pitching of George Hardman, the S.P.S. nine defeated arch rivals Wooster, Milbrook and Storm King each time they met. On Parent's day the team beat McBurney in a long and tough game.

Throughout the season the team was hampered by poor fielding and hitting, yet the great pitching staff enabled the team to win a few very close games.

Coach Adkins did a good job getting the team into shape for the tough season. Although this year's team was primarily composed of seniors, five lettermen will be returning to the varsity next season, as well as some excellent prospects from the junior varsity.

FIRST ROW: T. Colella, A. Willcox, T. Romelis, T. Adkins, R. Giarraputo, T. Noback. *SECOND ROW:* D. Wright, K. Walter, J. Crawford, L. Fuoonconsiglio, D. Mohler, S. Tom-

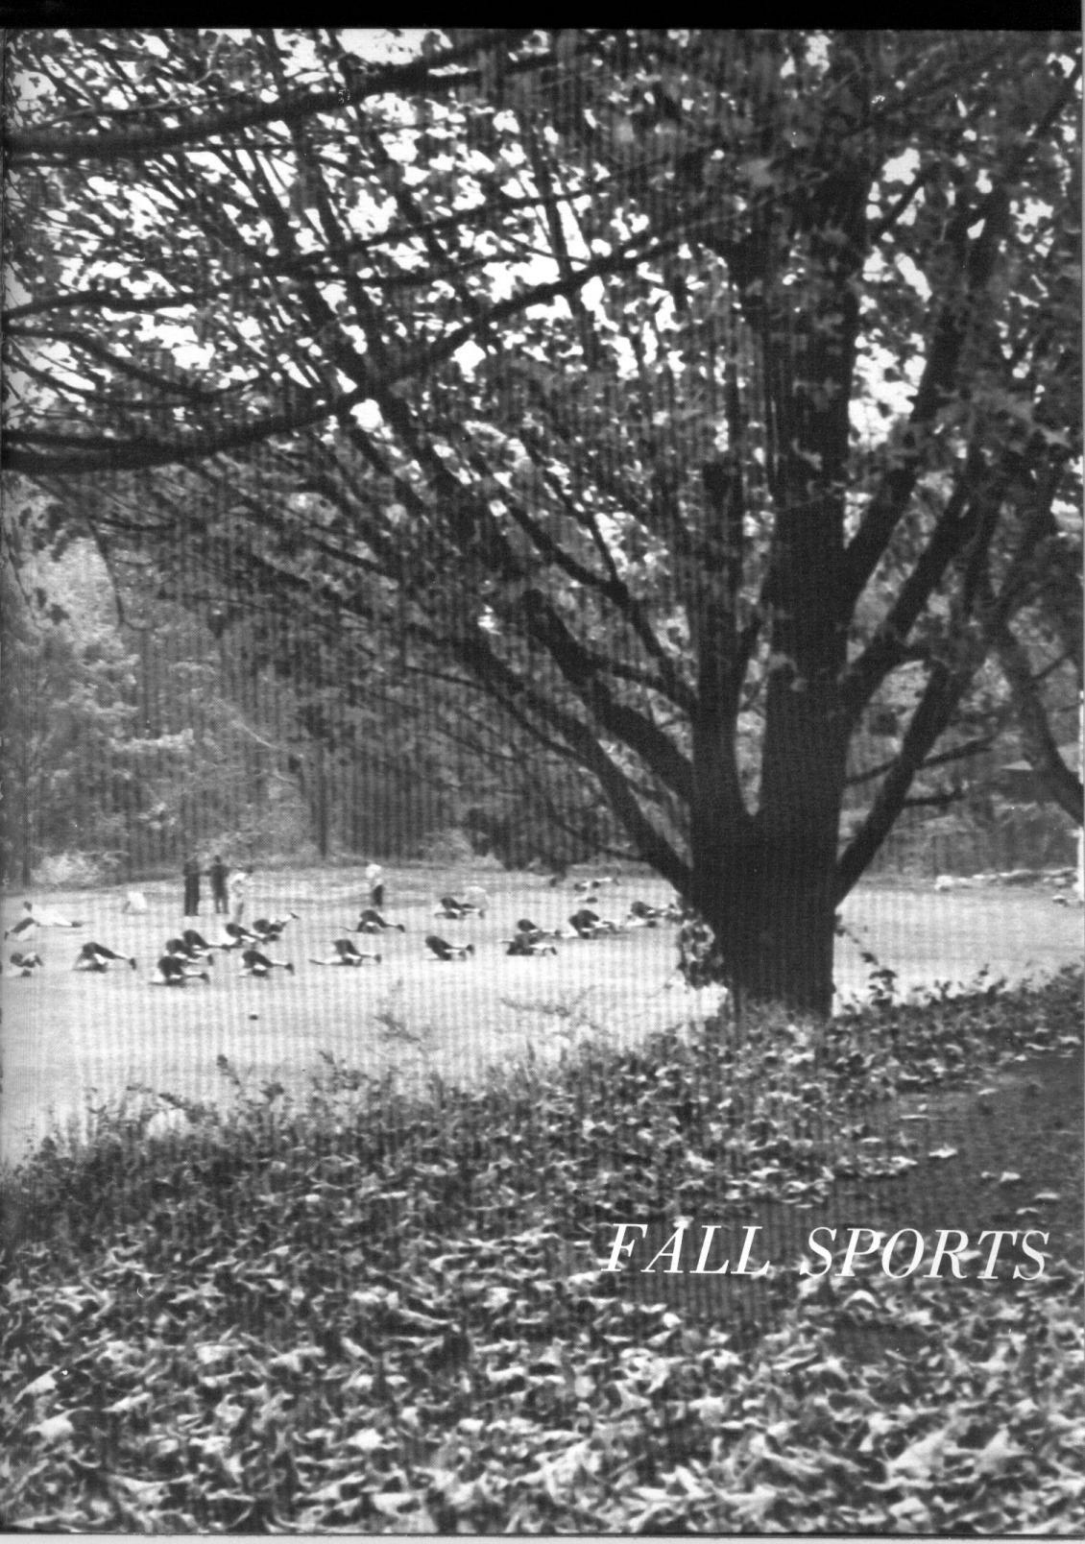

kins. *THIRD ROW:* B. Haskell, C. Markussen, L. DiPierre, J. Melling.

JUNIOR VARSITY BASEBALL

At the outset of the Spring 1964 season, it was a young team that made up the J.V. Most of the members of the team were new boys in the school, and their lack of experience hindered them throughout the season. There was a shortage of pitchers, whose efforts were apparent. only one victory.

Outstanding members of the team were Lloyd J. Buonconsiglio, Steve Tomkins, Chip Markussen, and Randy Giarraputo, who was the only winning pitcher of the season.

Coach Williamson did his best despite the material he had, but all signs point to the fact that some of the boys will make excellent varsity material this year.

FALL SPORTS

FIRST ROW: J. Walsh, J. Morrow, J. Mitton, J. Melling, C. Lombardo, D. deMaCarty, R. Giarraputo. *SECOND ROW:* R. MacRae, D. MaLaren, D. Mohler, M. Keers, J. Acton,

L. Parker, W. Haskell. *THIRD ROW:* Coach S. Louthan, A. Ulmer, G. Turner, J. Crawford, H. Jordan, T. Torrey, R. Fox, P. Ketcham, D. Webster, S. Tomkins, E. Cutler.

VARSITY SOCCER

Saint Peter's soccer team, with an unexceptional record of five wins and five losses, was nevertheless a fairly exceptional team, made up mostly of promising under-formers and new boys. The few returning lettermen were invaluable to the young team during the season, which was certainly much better than the record shows.

The Saints got off to a very slow and depressing start, losing to Yorktown and New York Military Academy. In the next game the school's archrival, Peekskill Military Academy, soundly defeated the team in a well-fought battle, only doing this because they out-hustled the Saints, just as the teams did in the two previous games. The team finally began to show its true worth in the game against a rather mediocre team from Oakland. Against an excellent team from Rockland the soccer players suffered yet another humiliating defeat. With a record of four losses and one win, the Saints at last settled down to do a good job and promptly ran over an excellent Trinity Pawling unit, in one of the hardest games of the season. P.M.A. was next in line for a lesson, and the soccer players beat them in a very strenuous game, that went into overtime. In the last Varsity game of the season, the team beat a much improved team Scarborough, in a well fought encounter.

Under the excellent supervision of Sterling Louthan, the new coach, the team did a good job.

FIRST ROW: M. Hughes, J. VanOrsdell, S. Johnson, M. Frick, L. Buonconsiglio, R. Stankay, J. Sprung. **SECOND ROW:** D. Coe, P. Watson, P. McNeary, J. Creighton, P. St. John, E. Welch, R. O'Gara, R. Immermann, B. Reynolds,

UNIVERSITY FOOTBALL

This season the team faced, from the first day, the problem of lack of personnel. This is a major problem, one that is not easily overcome. As the season progressed, however, the team showed that it at least had potential.

The Saints lost their first game to Oakwood, 18-0, and the second one to Wooster, 18-14. In the second half of the Wooster game, when the Hilltoppers were behind by 18 points, they were able to push over two touchdowns, but were unable to come back all of the way. In the next game, against McBurny, the Saints won by a score of 33-6. For once the line blocked as a unit and the backs ran well and hard. Yet the team never got off the ground after that, and lost their next three games to South Kent, Haldane and P.M.A.

A lot of credit should be given to co-captains Paul St. John and Ed Welch, for their spirit in games and also in practice. Several players showed a lot of ability, but the team rarely co-ordinated itself into a good offensive unit, mainly because of lack of experience and confidence.

UNIVERSITY BASKETBALL

The basketball team of the 1964-65 season had beautiful prospects. There were five returning lettermen from last year's excellent team, and several good new boy hopefuls. Returning stars were captain Pete Watson, Pete McNeary, who was sidelined during the season because of a bad knee, Dave Webster, John Creighton, and Paul St. John. The new boys who made the team and did their share were George Turner, Vlad Wilhousky and Kit Corbin.

The season ended with the team registering a very good record. High scorer and backbone of the team was George Turner, but Dave Webster and Paul St. John were also outstanding. Both individual players and the team as a whole set new school records. Turner broke the old mark of points in a game with 29, and the team set a new record with 91, but in a different game.

This year's team was one to be proud of and the memory of it will be present for some time to come. Coach Kenyon deserves most of the credit for his work with the team this year, and it is hopeful that he will make a habit of turning out similar ones.

SAINT PETER'S SCHOOL
LAUNCESTON, TASMANIA

February 21, 1965

Archibald Wittly Industries, Ltd.
Charlesford Lane
Launceston, Tasmania
AUSTRALIA

Dear Mr. Wittly:

As business manager of Saint Peter School yearbook, the Mitre, it is my responsibility to contact all those firms or individuals who might be willing to purchase advertising space in the Mitre. Consequently, I have written this letter to tell you something about the Mitre and its NEEDS.

The yearbook is published solely by the Mitre Board and the student body or funds raised mainly by the students themselves. These books serve as lasting mementos not only to the members of the graduating class but also to the remainder of the student body. The Mitre will carry a message for us, and, we hope, for you.

Since advertisements are, of course, our major source of revenue, we would be grateful for any contribution you would care to make. Enclosed is an advertising contract with prices and necessary instructions.

We would appreciate any assistance in helping to make the 1965 Mitre a better publication. Thank you for your cooperation.

Sincerely,
J. A. Wright
Business Manager

FAITH

O world, thou choosest not the better part!
It is not wisdom to be only wise,
And on the inward vision close the eyes;
But it is wisdom to believe the heart.
Columbus found a world and had no chart,
Save one that faith deciphered in the skies;
To trust the soul's invincible sunrise
Was all his science and his only art.
Our knowledge is a torch of smoky pine
That lights the pathway but one step ahead
Across a void of mystery and dread.
Bid, then, the tender light of faith to shine
By which alone the mortal heart is led
Unto the thinking of the thought divine.

The professor is my quizmaster.
I shall not flunk.
He maketh me to enter the exam,
He leadeth me to an alternate seat,
He restoreth my fears.
Yes, though I knoweth not the answer,
To the questions,
I shall feel no failure,
For the others are with me.
Class average comforteth me.
I prepare the answers in the presence of my peers,
I annointeth my test sheet with answers.
My time runneth out.
Surely grades will follow me all the days of my life,
And I shall dwell in the same class
