GLEE CLUBBERS ARE ACTIVE

Sing in Paterson, Brooklyn, Ossining

On Sunday, February twenty-first, the entire school ventured to St. Peter's Church, Peekskill, where the Glee Club sang Evensong. This service was the school's annual get-together with her mother parish.

The Glee Club sang selections from Bach and "Thy Church O God." After the service tea and trumpets were served to the parishioners and parents of the boys. While the boys dived into the special stacks of sandwiches, cookies and cakes, the members of the Glee Club were torn away from this feast to sing selected numbers from this year's concert program. This did not, however, stop the remainder of the school from leveling the mound of sandwiches down to a mere few left-overs which were served at the following supper. Mr. D'Amato was our accompanist for this short concert during which the Glee Club sang numbers such as "Dr. Foster," and that now famous "Blue Tail Fly." After the concert the boys were driven home by the parents.

The following Sunday, March first, the wandering Peers made their fifteenth annual appearance at Trinity Church in Ossining. There they sang Evensong. After the service had been concluded, the Ambassadors of good-will from St. Peter's made a swift exit into the Parish House where they sang a large portion of their Spring Concert. Some "choice" selections that were sung included "Some Enchanted Evening" and "Younger Than Springtime," both from the show South Pacific. The performance having been completed, the Glee Club indulged in a delicious dinner supplied by the women of the parish. While the boys were recuperating from their feast, Father Lloyd, rector of Trinity Church, formally thanked them. Then Father Leeming took his boys in hand and led them back to Peekskill and St. Peter's School.

The longest trip afield this year

led the singing Saints from Peekskill down through Westchester County and into the realms of Brooklyn, New York. Once at their objective, St. Matthew's and St. Luke's Church, the Peers were cordially received. The service selected for the Glee Club was the 11:00 A. M. Mass. While the rector, the Rev. Harold Courtney led the service, the boys of St. Peter's under the sure hand of our headmaster supplied the musical accompaniment. During the service, Father Leeming left his position at the head of the Glee Club to ascend to the pulpit. There he delivered the sermon for the day. Once back at the head of the Glee Club, his little band of singers sang several religious selections. Once more, the painstaking service having been completed, the men of Saint Peter's sat down to their just reward, a hot meal.

(Continued on Page Four)

TRIALS AND TRIBULATIONS

Each year the renowned "Bishop's Men," Saint Peter's own wandering troubadours, make an excursion to Ossining. The event is the Corporate Communion and Breakfast of all the Episcopal Parishes in this neck of the woods. This is an annual event which is held every year on Washington's Birthday, that is, every year except this year, when it was held on February twenty-third. The singers never like to make this trip because they must miss classes.

Despite the fact that they were few in number the service was one of the best heard this year. After the Mass the boys adjourned to the Parish Hall for breakfast which no one was hungry enough to eat, the time now being only 10 A. M. During the meal they sang several light numbers which all present most heartily enjoyed. An excellent address on the problems of the

(Continued on Page Four)

THIRD FORM HOLDS DANCE; FIRST IN RECENT YEARS

The momentous question concerning a dance between midyears and spring vacation was decided several weeks ago. At that time, to everyone's extreme happiness, it was announced that the Third Form would, for the first time in many a long year, stage a hop. For a week following the announcement the Freshmen Class was busy with whispered plans and lavish preparations. The entire student body was in suspense concerning the final outcome of the small-frys' effort. The thirty-eight couples who attended were indeed pleased and surprised.

The St. Mary's girls arrived by bus in plenty of time for the dance to commence at 8:00. The music, consisting of records borrowed from members of the student body, was expertly managed by Kenny Syer. The tunes were varied in a way which would be certain to suit everyone's taste. Decorations, carefully contemplated by an appointed committee, were truly superb. A lavender and beige crepe paper screen,

(Continued on Page Four)

ROOSEVELT CONCERT

The attention of our parents and friends is called to the annual concert and dance to be held in the ballroom of the Roosevelt Hotel in New York City on Friday, May first. In the next week, tickets will be sent out and all parents are asked to be responsible for the sale of ten of them.

The music for the dancing after the concert will again be provided for by Frank Richter and his famous orchestra. This group has played for us for many years and has always been popular.

There will be a long weekend, boys being permitted to leave the Roosevelt after the concert on Friday night. They will return to the school on Sunday afternoon in time for chapel.

Begin now to tell your friends about this gala affair. Neither they nor you will want to miss it. This is always the highlight of the school year.

SENIORS' PAGE QUICKENS; COLLEGE WEEKEND GIVEN

The plans for college of the Class of '59 are quickly approaching reality. For many the die is cast; they have chosen their college or university. These past few weeks and the weeks to follow will be perhaps the most eventful in these seniors' careers at Saint Peter's.

When the seniors returned from the Christmas holidays they found awaiting for them what most students consider to be the "worst of all horrible ordeals," College Boards. All twenty-five of the seniors, all being cool as cucumbers, set off for Peekskill High to engage in these little tests of mental gymnastics on January tenth. During the second week of February the long awaited results arrived in Mr. Mac's den. Each senior was called in for an entertaining interview.

Few had cause to fret. The results were most encouraging. A large proportion of the class scored in the six and seven hundreds. A good number of boys scored eighty to a hundred and forty points over their Junior Aptitude Test scores.

Over the last weekend in February most of the class dispersed to view the "Towered Halls of Ivy" to which they particularly aspire. One group journeyed as far afield as Pittsburgh. Another group went north into the wilds of New York. Some ventured down the coast and some up the coast. While the seniors were away the fledglings in the Junior Class tried out their wings.

Time will fly in the weeks to come. There will be the Glee Club Tour, interrupted by more College Boards. Soon it will be May and there will be the Roosevelt Concert, Prom, Senior Banquet, Senior Smoker, Baccalaureate and Commencement.

A large part of the class has already been accepted or been assured acceptance. These are the Universities and Colleges which have at this early date granted the seniors this honor: Yale, Union, Hamilton, Michigan State, Davis and Elkins, Washington and Jefferson, Lehigh, Ursinus, and Kenyon.

MARCH, 1959

Due to the element of time this issue of THE DRAGNET has been published as a cooperative effort between the Senior and Junior Staffs of THE DRAGNET.

THESE WE THANK

Soon the Glee Club will be off once again to the "Land of Sunshine." The Singing Peers leave on the first day of spring vacation and arrive in New York twelve days later. Though the Peers may have at least some opportunity to bask in the sunshine the trip will be a hard one.

Remember that to sing this concert tour the Glee Club must forsake a large part of their time at home. Yet this is not all that the Peers do. Throughout the year they are active on weekends and often do not have a free Sunday for many weeks at a time.

Through their work and travel the Glee Club does perhaps more than any other group of Saint Peter's students in spreading the name and reputation of Saint Peter's.

COLLEGE WEEKEND

This year a college weekend for Seniors was granted. THE DRAGNET STAFF hopes that this will develop into an annual affair. The weekend enabled Seniors to see some of the universities and colleges to which they have applied before they must make a final choice of college. This we feel is important for one cannot really do his best work in a place at which he is not happy.

The Seniors realize the importance of this weekend to their future. They have treated this weekend as a privilege and trust. The Class of '59 wishes that this weekend can be extended to the classes which will follow in the future.

A LACK OF COOPERATION

This year has thus far marked what has been the most successful year in sports at Saint Peter's in the history of the school. Determination and many long hours of practice are all that have made this possible.

At the beginning of the winter sports season the athletic director persuaded the administration to arrange the schedule in a manner which would give each team a substantial amount of extra time on the court. This meant that the Varsity cagers had to attend an afternoon study hall. Few complaints were heard from the ranks. It also necessitated elaborate planning by the administration. This precedent-making system was nevertheless well on the way toward a permanent place in the school routine.

However, a while back, a few "gold-brickers" forced the administration to revert to the old winter schedule. Each team once again had an hour or less on the court. The activities, or rather inactivities, of a small group of lackadaisical boys has again jeopardized what means a great deal to the rest of the student body and should mean as much to them.

SPRING FAIR PLANS ANNOUNCED

This spring, as in years past, St. Peter's will hold its annual Spring Auction. This year's Old-Time Auction will be held on Saturday, May ninth at 10:30 A. M. We hope that all who plan to attend will bring along their friends to enjoy this year's Auction.

To make this the best yet, it is hoped by the Parents' Association that you will help the school. Any items in the following categories will be gladly accepted for use at the Fair: Small Furniture and Antiques, Bric-a-Brac and Lamps, China and Glassware, Prints and books, toys, Silver and any objects D'Art and anything saleable and transportable by car. It would be appreciated if your donations were sent as soon as possible to be cataloged and registered.

In the afternoon a baseball game will be held on McDowell Field. This game will round out the day, adding a little more enjoyment to it. Immediately following the baseball game there is to be a Parents' Association meeting in the new study hall, followed by a delicious smorgasbord prepared by many willing mothers. Also as an added attraction, there is to be a grand prize of a television set.

GLEE CLUB TOUR SCHEDULE

At noon on Tuesday, March tenth, the Glee Club will leave by Greyhound bus for its annual tour. St. Mary's Hall in Burlington, N. J. will be the first stop. There The Peers will sing a joint concert with St. Mary's girls and then be entertained by the families of the New Jersey girls. The next night will find them at St. Paul's Church, Washington where the group will sing Evensong and entertain briefly before leaving for Oxon Hill, Maryland for an eight-thirty concert. The long nineteen hour trip to Waycross, Georgia will follow and then we move on to Tampa, Florida to sing at St. Mary's Church. The next day we move on to Bradenton to give a concert in the High School auditorium and then the following day sing two services at Christ Church. Sarasota is the next stop to assist in the conducting of a three-day teaching mission at the Church of the Redeemer and to give a concert in the Municipal Auditorium. The last stop will be Holy Innocent's Church in Atlanta, Georgia. Then comes the 900 mile trip back to New York City, ending on Saturday, March twenty-first.

SCHOLARSHIP FUND GROWS

When announcement of the forming of the "21" Club was made last October, our announced aim for this anniversary year was \$10,000 which would be invested and the income used to provide a part scholarship for some worthy boy. We now have a total of \$7200 and some 130 people have subscribed. It is most heartening to be able to report that nearly fifty percent of the alumni of the school have signed up.

If you have not yet pledged, we hope you will do so. 21 cents a day for one year is \$76.65. \$21 a month is \$252. \$21 a year is \$21. 21 cents a week for one year is \$10.92. \$21 for every year of the school's existence is \$441.

A LETTER OF INVITATION

In the January issue of THE DRAGNET an article was published on travel in Europe.

What follows is an excerpt from a letter received from Mr. Thomas Murfin, American Consulate General in Naples, Italy. "Seeing the article on travel in Europe, in the January DRAGNET prompts me to invite any St. Peter's Boys who might go to Europe this summer, and get as far south as Naples, to visit and make our home their headquarters for seeing Southern Italy."

ALUMNI NEWS

The attention of the alumni is called to the Alumni-Varsity baseball game to be held at the School on Sunday afternoon, April 26. Mark the date on your calendar and plan to come back to school on that date. Rumor has it that Bob (Doctor Wallace) will forsake his patients at St. Vincent's Hospital in order to don his catcher's uniform. Pitcher Bob Schlett will of course be on hand with his good right arm. So come along and bring your gals with you. How about dropping Jack Kenyon a note today to tell him you will be here on Sunday, April 26.

A reminder is forwarded to the alumni to send the crests of their various colleges to be placed in the school dining room.

Bob Wallace, '49, and his wife, Betty, brought Robert Bruce Jr. up to the school to be baptized on Sunday, February 15. Father Leeming was the officiant and Bob's two brothers, Bill and Henry, '57, and Bill's wife were the sponsors. Mrs. Leeming entertained the group at a luncheon after the service.

Thomas Barnett, '53, has just completed his tour of duty in Germany. At the present time he is returning to the United States.

Jack Kenyon, '54, who is a Master at the school and his J. V. basketball team share the honors. The J. V.'s have just completed an undefeated season.

Charles Howe, '57, played in the annual North-South Lacrosse game which was held at West Palm Beach, Florida.

Thomas Reeder, '57, ended up his first semester of his sophomore year at Washington and Jefferson on the Dean's List. Congratulations, Tom.

David Dempsey, '57, and his wife, Marjorie, announce the birth of a daughter, Deborah. The Dempseys are living in Hamilton, N. Y. where David is a sophomore at Colgate.

Malcolm McDowell, '58, had a painful knee operation during the holidays but came through it in good shape. Malcolm is doing fine work at Washington and Jefferson.

David Oughton, '58, has begun his tour of duty with the United States Navy.

DATES TO SET ASIDE

March 31	Boys return
April 26	Alumni Baseball Game
May 1	Roosevelt Concert Long Weekend
May 3	Boys return
May 9	Spring Fair
May 31	Baccalaureate
June 6	Commencement

THE UNDEFEATED FENCING TEAM

FOILSMEN DEFEND CROWN

Complete First Undeclared Season

For the second consecutive year the Saint Peter's Fencing Squad has copped the Westchester Championship. The defenders were harassed again this year by last year's runner up, Riverdale. The tournament culminated Mr. Tatham's Champions' first undefeated season in their brief three year history.

The championship matches were held in the new recreation room at Saint Peter's on March fourth. It was not until the last bout of the third round of the Riverdale - Saint Peter's match that the Saints were assured of victory. Ted Tatham broke a four-four deadlock with a five-two win over Riverdale's number two man. Though the Riverdale - Saint Peter's match was the first of three matches to be fenced it in reality decided the outcome of the tournament, for the third team, Hackley, was a decided "dark horse."

John Cunningham took the strip in the first bout of the Riverdale match and squeezed by Riverdale's number one man with a five-four victory. From this point on Saint Peter's never trailed but was frequently tied. Rick Fletcher lost his bout to tie up the match. Ted Tatham won to put the Saints ahead at the end of the first round.

In the second round Cunningham lost, Fletcher won, and Tatham lost their bouts. The match was tied. Cunningham won the first bout of the third round and Fletcher lost the second. Again there was a tie. Ted Tatham completely outclassed his opponent to win his bout and to clinch a 5-4 victory of Saint Peter's.

The second match of the afternoon was between Riverdale and

Hackley. Riverdale easily won by the score of 8-1. Saint Peter's also easily defeated Hackley by the score of 7-2. Hewitt Rivera and Ed Billmire also participated in this match for Saint Peter's.

Mr. Alan Kwartler was the director of the tournament. Mr. Kwartler is a member of the U. S. A. Olympic Sabre Team as well as a well-known foilsmen.

FENCERS SWEEP LAST FOUR

When the Fencing Team began its strenuous training, there was one wish in the minds of all boys; this was to have an undefeated season. Now, three months and many difficult matches later, that hope has been realized. Saint Peter's may proudly display its undefeated Fencing Team for the '58-'59 season.

Although hard work and determination were important factors toward the success of the fencers, without the constant help and instruction of Mr. Ed Tatham, the coach, they would never have achieved their goal. He perfected the skill of the fencers and instilled in them the confidence to go on to a victorious season. However, to the top ten fencers, John Cunningham, Rick Fletcher, Hugh Rivera, Ted Tatham, Edwin Billmire, Peter Illiff, James Kemp, Joseph Giarraputo, Charles Fox, and Craig Roberts, must go the first consideration for although they fenced many worthy opponents, they triumphed for S.P.S. winning seven and losing none.

The last three matches were all
(Continued on Page Four)

CAGERS FINAL RECORD 14-1

Post Best Record, High Scoring Mark

SAINTS DOWN SALISBURY

On Wednesday, February eighth the Saint Peter's basketball team played host to Salisbury. This was the first and only meeting of the year between these two squads and ended in a 40-22 victory for the Saints.

As has been the norm throughout out the season, the opening period was the least successful, score-wise for the Saints. They managed to accumulate only seven points during the eight minute stretch, but surprisingly enough, found themselves at the beginning of the second quarter with a three point lead. The second quarter, was much the same as the first.

It was in the third period, though, that the "gold" came to life. They equalled their first half output by netting sixteen points. This rally continued on until the final minutes as they outscored the opposition by 24-14 in the half to win the game.

The high scoring honors were individually shared by three players. Tom Wilberton led the team with twelve points, Dick Relyea had ten, and Jack Finegan, who played a fine game on both offense and defense, followed the front-runners with nine.

UPEND ST. CHRISTOPHER'S

The Saint Peter's cagers raised their record to twelve wins with one loss against St. Christopher's School by the score of 62-32. The game was played in McFadden Gym on February twenty-first.

The first quarter was fast moving with both teams hustling after the ball and attempting to keep it. The Saints' superior playing pushed St. Peter's ahead to allow them to close the quarter with a strong seven point lead.

During the second quarter the Hilltoppers started to move the ball and succeeded in putting nineteen points through the hoop despite the valiant efforts of the bewildered Saint Christopher's five. The half ended with the Saints holding onto a well-earned lead, 32-17.

After the halftime, the Saints clinched the game with both Don Church and Jack Finegan contributing to make the quarter a twenty point runaway putting the Saints far ahead, 52-28. The fourth period was slower than the previous but still the Saints controlled the ball and held onto it. The game ended with the Saints ahead in a thirty point rout, 62-32.

ROMP OVER HALSTED 74-25

The Saints journeyed to Halsted to play what proved to be the highest scoring game in our school's history on February twentieth. It was not until after the first three quarters had been played that the Saints really opened up an attack on the Halsted five.

In the first two quarters the Hilltoppers played an even scoring game with everyone of our boys hitting well. At the half the score was 29-10. In the third quarter Halsted scored eight points, which was almost as many as they had scored in the first half. The Saints still played their usual cautious game, with everyone handling the ball well and making only the sure shots. Thus, at the end of the third quarter it was S. P. S. 42, Halsted 18. In the fourth quarter the Saints went wild. Even though the subs played most of the quarter it seemed as though the ball was "charmed" for us as it sailed through for 32 points. The game ended with the score Saint Peter's 74, Halsted 25. Gunzer was high scorer with 17 points.

EDGE STORM KING

The final game for Captain Dick Gunzer and the two other seniors on the Hilltoppers' Varsity ended in a well earned win for a team which had, with only one game left, bettered the record of any other Varsity basketball team at Saint Peter's.

The game started out very evenly with both teams playing, for the most part, defensive basketball. At the end of the first quarter the score stood 10-9 with the Saints in the lead. As the second period developed, the action became faster with more shots being taken by both teams. By the end of the first half the Saints still held a slim margin, 19-17. During the third quarter the Storm King Varsity took advantage of sloppy defensive play using "the give and go" offense to add twelve points to their total so that at the end of the third quarter the score read 30-29, the Saints still retaining the lead. The fourth quarter saw the pace quicken considerably with the Saints outshooting their opponents, 17-12. The final score read 47-42, a Hilltop victory.

SAINTS WIN FOURTEENTH

The S. P. S. Varsity played a visiting Wooster team on February twenty-eighth. This was the final game of the season. The first quarter opened up slowly. Both teams were fairly evenly matched at the beginning. The score at the end of the period was 10-7 in Saint Peter's favor.

Due to the fine defensive and offensive work of the Hilltoppers during the second period, Wooster was able to make only two points, while S.P.S. made fourteen. The Varsity in the second half handily outplayed their opposition.

For the final quarter, an entire J. V. Team was substituted in the game. This was done because part of the Wooster team was constituted of J. V. players due to sickness. The Hilltoppers, under the able coaching of Mr. Hughes had concluded a fine fourteen and one season with a 56 to 21 victory.

UNDEFEATED FENCERS

(Continued from Page Three)

fenced away from the campus. On February fourteenth, the Saints motored to Ossining for a meet with Pleasantville High School. Cunningham started things off with a 5-0 victory over Pleasantville's number one man. Fletcher scored a 5-1 victory paving the way for Rivera's win, 5-1. Billmire, Iliff, Kemp, and Giarraputo all continued this trend with decisive wins. The final score of the match was 14-2.

The next match with McBurney proved to be the sixth triumph. We unfortunately got off to a bad start, losing our first two bouts to the McBurney foils. Fletcher placed us back on the right track with a 5-3 win. Cunningham and Rivera came back and triumphed over their opponents 5-0 and 5-4. McBurney kept the Saints hopping every minute but they succeeded in conquering them by a final score of 6-3.

The twenty-fifth of February saw the Fencing Team arrive at Blairstown Academy to fence the New Jersey foils. The match opened with Cunningham scoring, as usual, a decisive victory for the Saints 5-3. The strip next played host to Rick Fletcher who emerged the victor from his bout. Rivera, the third man, fenced and grasped an exciting victory, 5-2. Most of the fencers had a chance to show their ability in an actual match. Thanking the Blair Fencers for the fine meal served to them, the Saints headed back to Peekskill. Proud of their undefeated record, the Fencing Saints ended their third season.

JV SAINTS UNDEFEATED

HALSTED ROUTED

The Junior Saints traveled to Halsted to defend their 7-0 record there. They again emerged victorious by the score of 32-4. The first quarter saw neither team putting the ball through the hoop consistently. This quarter ended with a slight lead for the Saints of 4-2.

In the second quarter fine teamwork helped the J. V.'s put some punch into their shooting. In this quarter S.P.S. scored twelve points while holding the opposition to only one. During the third quarter the Saints scored sixteen points with Tom Brinckerhoff cutting the net for nine. The score now stopped at 32-4. Since neither team managed to score in the final quarter the Junior Varsity posted its eighth victory.

MARK SET AT NINE

January twenty-fifth was the date of the ninth straight victory for Jack Kenyon's J. V. five, but Storm King had to be overtaken late in the final period. The game began with Storm King's number "27" putting them out in front by a 7-4 score at the end of the first quarter.

In the third quarter the team sparked to life. Brinckerhoff and Schwartz added terrific shooting while Dave Butler continuously stole the ball. As a result the Saints were down by only one point at the end of the third period. In the fourth quarter the Junior Five forged ahead. When the final buzzer sounded the Saints had beaten Storm King 38-32.

RIFLE BOWS TO N.Y.M.A.

On February twenty-first, the sharpshooters once again ventured to Cornwall, N. Y. in hopes of winning a match against N. Y. M. A. Having shot against them before, the sharpies were calm and intended to show the Army some good shooting. Roberts, Creed and Bown started the match off with a bang and turned in fine scores. The rest of the St. Peter's team did well, but once again N. Y. M. A. showed us that shooting is their specialty. We were in the lead for the first half of the match but gradually the boys in grey took the lead and held it until the end. The final score was 905 to 868, St. Peter's losing by a margin of 37 points.

THIRD TEAM BASKETBALL

The J. J.'s, having split on their last four games, have a record of four wins and six losses. This record rounds out their '58-'59 campaign.

Friday, February thirteenth was bad luck for them. The Hilltoppers were edged by Drum Hill 24-16. The Saints played a fine defensive game but they could not seem to get the necessary points to win.

On February seventeenth the Junior Quintet was found on the court of Lindsey School. The Saints routed Lindsey by the score of 35-18. In the scoring department the Hilltoppers had Bruce McClintock, Bill Bedinger, Charles Sarich and Art Piani tied for high scoring with six points apiece.

The Third Team traveled on February twenty-fifth to Millbrook

OSSINING EDGES MARKSMEN

The sharpshooters held their first match on home ground on February nineteenth. This was the second match with Ossining this year, the first being at their range. The match got off to a quick start in the range, which is located under the porch of Father Leeming's humble abode. The Saints had lost the nervousness present in the first match with Ossining and much better scores were the results. Unfortunately, one of the Saint's top five was sick and unable to shoot, but even so the two teams were well matched, with the Saints holding their own throughout the meet. The final score was 864 to 855 in favor of Ossining showing only a nine point loss.

where disaster struck in the first half. The Saints found themselves on the short end of a 13-0 score at the halftime. The Hilltoppers caught fire during the second half. The defense limited Millbrook to ten points while the offense scored twenty points. Due to their lack of scoring in the first half the Saints found themselves edged 23-20.

On February twenty-sixth, Mr. Adkins' J. J. Team posted its fourth victory by defeating Linsey School 37-25. The Hilltoppers were overconfident in the first half even though they only lead by the score of 10-8. The Saints started to roll, however, in the second half by scoring ten more points to Lindsey's four. With the score at 20-12, at the beginning of the second half the quintet still did not let up.

PEERS ON ROAD

(Continued from Page One)

The meal over and a vast store of food having been consumed, the Glee Club offered to sing. After a brief concert of light, joyish songs, the Peers departed for Paterson with their accompanist, Mr. Grant Smith of St. Matthew's and St. Luke's Church. Mr. Smith has generously given both time and effort to this year's Glee Club, and has consented to travel with the Peers during the Spring Tour.

Once on the road, the Singing Peers aimed their sights for the Church of the Holy Communion in Paterson, New Jersey. The purpose of this mission was to sing Evensong at a 4:00 P. M. service. The Peers were received with open arms and ushered into the Church where they offered, for the second time that day, their singing ability. The concert that followed the service was received with a burst of applause.

TRIALS AND TRIBULATIONS

(Continued from Page One)

Church on the Lower East Side of New York was heard.

'Round about eleven o'clock the snow began to fall. By the time the famed Bishop's Men left there was quite a storm raging. The not so routine trip back to school took an hour and fifty minutes. At one point the twelve husky gentlemen were forced to dismount and persuade some thirty odd mobiles up a steep hill which was endowed with at least a 75% grade. The State is to receive a bill for the cleaning of twelve Navy blue suits. However, despite everyone's efforts, all but one arrived back at school for a free afternoon.

THIRD FORM HOP

(Continued from Page One)

strung tastefully across the stage and accented with dim lighting, cast a melancholy air across the room. Cut out gondolas paddling serenely around the walls added a touch of Venice to the atmosphere.

Refreshments, consisting of varied small cakes, cookies and brownies, set off by a delightful grape punch, were served under the culinary hands of Jim McCue, headwaiter. The rest of the waiting staff consisted of Denny Murr, Doug Terwilliger and Art Piani.

As this is the first dance which the Third Form has held in a long while, and since it has been so outstandingly successful, we, the rest of the school, are waiting attentively to know if we will have more of the same. How about it Third Form?
