PEERS RETURN TO ROOSEVELT HOTEL GLEE CLUB ENDS SEASON

With Spring entering its adolescence, the end of the school year of 1959-1960 approaches quickly. All at St. Peter's including the faculty, eagerly await commencement. One of the major events which takes place during this festive season is the annual Glee Club Concert. This is the final appearance of the year for the Peers, and is always well-worth attending.

The concert this year was held at the Roosevelt Hotel, on Friday, April 29. There were approximately six-hundred and eighty-five people in attendance and it is a safe wager that nearly all were pleased with the singing. It was evident that a great deal of effort and time had been expended in preparation. The program was essentially the same as that of the tour, but with a few minor substitutions. It was extensive, thirty-four numbers all-told, and varied widely in context. There were spirituals, folk songs, old favorites, sea chanties and well known excerpts from great shows. In all probability, it was inevitable that everyone should have found at least one song to his liking.

During the intermission, Father Leeming announced various business of the Parents' Club and also the results of the most recent meeting of the Board of Trustees. The birthdays of Dr. Geiger and Mrs. Russel Terbusch were also noted by Father. Ronald Perrucci was presented with the *Dominick Rizzuto Award*. This is given to the boy who has contributed most fully and unselfishly to the Glee Club during the last year.

Mrs. Leeming has recently concluded a trip to Turkey to visit her son David, who is now teaching there. The Glee Club welcomed her back home with a song reminiscent of *I Want A Girl*. When the applause had died down, H. Cutler Fall, assistant director of the Glee Club as well as director of the Bishop's Men, presented Mrs. Leeming with a bouquet of flowers. When asked to say a few words to the audience, she

uttered the most appreciated words which had been spoken all night. They granted the weary boys and bedraggled faculty an additional day on the weekend vacation. With this note of inspiration, the Glee Club continued with their program.

There were several soloists who performed during the evening. They and their selections are as follows: Dave Davidson—*The Lord's Prayer*, and *Nobody Knows*, Jack Francis—*Joshua Fit the Battle of Jericho*, Warren Garland—*Land Sighting*, George Lott—*Walzing Matilda*, and Ronald Perrucci—*Rocka My Soul*. James Kemp played a flute obligato in accompaniment to the Glee Club singing *The Ash Grove*. All the soloists gave commendable performances.

Within the Glee Club is a smaller group, *The Bishop's Men*, which specializes in humorous and more difficult numbers. The first group of songs which they presented were light and amusing. *Maiden Fair*, by Hayden represents a dialogue between an amorous serenade and a rather irate father. For the benefit of Bobby Darin fans, they also sang *Clementine*.

When the Concert was over, the Glee Club was exhausted and the audience applaudive. All were glad to relax for a while. At this time the boys had the option of staying for the dance or migrating homeward for a long three day respite.

At 11:00, when the chairs had been removed and tables set up, the dance began. The Frank Richter Combo provided music up until 1:00, when the dance ended. The remaining people signed out with Mr. McDowell. It is agreed that the Concert and Dance were a success; at least everyone had fun. —James Lynch

SCHOOL BOARD MAKES IMPORTANT DECISIONS

The Board of Trustees of St. Peter's School met at the school Friday, April 22, first with the boys at Vespers in the Chapel, and then at dinner at McFadden Hall. It was one of the best attended meetings in years. Members present included Bishop Boynton, Canon West, Fr. Kempzell, Fr. Leeming, Fr. Nordeck, Mr. McFadden, Mr. McDowell, Mr. Bannister, Mr. Dempsey, and Mr. Fleischmann.

In his report to the Board, Fr. Leeming spoke on the condition of the School and made certain recommendations for the future. He explained that one of the greatest needs of St. Peter's was additional space in the Chapel and that Mr. Fleischmann had had preliminary sketches prepared of a proposed new wing. After a discussion, it was finally decided to add the wing and also to build a new sacristy. Canon West kindly consented to advise on the proper arrangement of the sacristy. These new additions will be made this summer.

The next recommendation was the building of two new science laboratories: one for physics and one for chemistry. At the present time, we have only one laboratory built for this purpose and a small auxiliary laboratory in Main House. The two new labs will be built above the four classrooms at the east end of the Schoolhouse as was originally planned. Provision was made for the entrance to the labs two years ago when the new study-hall and recreation room were added. The Board has decided to go ahead with the building of this much needed addition this summer.

Announcement was made of the change in plans for our Commencement on Saturday, June 4. The exercises will begin at 11:00 A. M. and will be held in the gymnasium. The Officiant at Morning Prayer will be the Rev. Malcolm Foster, Rector of St. Peter's Church in Peekskill. The Dean of the School, Richard McDowell will award the scholastic prizes. The guest speaker

will be Mr. Samuel Bartlett the Founder and retired Headmaster of South Kent School. Mr. Bartlett is also a member of our Board of Trustees. Mr. Louis E. McFadden, President of the Board, and Father Leeming will award the diplomas.

After the exercises, a luncheon will be served by members of the Fourth Form. The Fifth Form will remain at the School for the final cleanup and will then have a meeting.

There being no further business to be discussed at this particular time, the meeting was adjourned.

—Father Leeming

FINAL DANCE HELD

The Student Council presented its yearly dance on Saturday evening, May 7. Dances in general usually are psychological battle fronts, where divergent ideas concern the degree of lighting intensity in the Recreation Hall. Father Leeming, Chaperones and Company represent the conservative faction, while the younger set leans toward the more liberal side of the picture. The latter also feels that chaperoning should be done by telephone.

The last dance of the year, having a great bearing upon the Senior Prom, found our Liberal Party seeing eye to eye with Father Leeming, Chaperones and Company. There were bright, yellow side lights and our Headmaster seemed happy.

The Student Council percolated an original motif this year. The decorations lent a Spanish-Mexican type atmosphere to the Recreation Hall, although the American Music did not heighten the effect. As I walked in, I immediately thought of fiestas, bullfights, tequilla, etc. Crossed sabres, hanging on the walls in pairs, were well liked. Chuck Bown procured a pair of old dueling pistols which were interesting (although such items did not receive much attention at the dance). Bruce Slater controlled the record player during the evening, and the waiters were: J. Brown, R. Hanckel, A. Carlson and J. Bedinger. There were approximately fifty couples in attendance.

As is the established custom of THE DRAGNET, each year at this time the Fifth Form assumes responsibility for putting out the remaining issues of the paper. Each issue will have a different editorial staff. On the basis of the quality of each Fifth Form staff's work, the staff of next year's DRAGNET will be chosen.

MAY, 1960

There is one place on campus where strict silence is the rule. This place is a sanctuary for homework-laden students who wish to lessen their burden. The place being discussed is the study hall.

Recently there has been a lack of cooperation in study hall by a few who think that they are such good students that they don't have to work and are privileged to disrupt the work of others. This small group contains the most mistaken boys at St. Peter's. With final exams only a short period away, no one can afford to fool around. If there is a person who wants to throw away his chances for good marks, he doesn't belong in St. Peter's, not to mention the study hall.

The study hall is a room for, as the name implies, study. Surely everyone has enough homework to keep him busy for two hours. Whenever written assignments have been completed, there are plenty of subjects to study in preparation for both daily classes and final examinations. Should one find himself with a few extra minutes on his hands, he should begin reviewing his courses. The more knowledge one attains, the better his marks will be on the finals.

It is often easy to get away with mischief in study hall, but this is as unfair to your fellow students as it is disrespectful to the master or prefect in charge. Every distraction one causes is a hindrance to someone; so if one is sure he knows everything and doesn't need to study, he should have enough courtesy to give others the quiet they need.

EDITORIAL

You are an American! Does this mean anything to you? To many people it means a great deal, but unfortunately, to others it means little. There are so many small things that you tend to take for granted; i.e. when you pick up a newspaper, you never once doubt that what you read is true. However, in some countries a newspaper is just one of many means of spreading false propaganda, and hardly anyone expects to find the truth written in it.

Freedom of the press is just one of the many privileges we are lucky enough to have in America. We are also free to worship God in the way we see fit, and we are free to voice our opinions not only by the press, but by public speaking.

We also have the right to vote; an opportunity to choose the people we think will serve us best. Saint Peter's students recently exercised this freedom in the election of their new prefects. No favoritism was shown to any particular voter. Each student, no matter what grade he was in or what his marks were, had the opportunity to vote for the four boys of his choice.

You are an American! Isn't it time you got down on your knees and thanked God? —R. S. Bailey

ALUMNI NEWS

April 24 —In a game with plenty of action and free lance substituting, the St. Peter's Alumni returned to clash head-on with the Varsity today. Three Varsity pitchers tramped to the mound: T. P. Draper, Coach Adkins, and third baseman Jack Francis. Jack Kenyon '54 pitched all the way for the "returners."

The Varsity struck first as lead-off hitter Joel Randolph walked and came around on two passed balls and a stolen base.

In the third inning, the determined Alumni stormed back to take the lead, 3-1. With Bob Burrows, who played for the Alumni, on first and Jack Butler, '57 on second, batter Charles Howe, '57, was hit by a wayward pitch to load the bases. Clean-up man, George Rothermel, '58 smashed a two run single, and later, Howe scored from third on a passed ball.

In the seventh and final inning, the Alumni touched pitcher Francis for two runs, but the game came

to an unfortunate end for them when Howe lined to first. The final score stood 8-5.

Honorable mention also goes to Ted Baker, '58 and Fr. Phil Nordeck, '44 who held down positions in the field.

April 29 — One of the highlights of the Spring Term for both the Students and the Alumni of St. Peter's was the annual Spring Concert, which was held at the Roosevelt Hotel tonight. At the end of the performance, the Alumni were called to the stage. Among those who took their places to sing the school hymn were brothers Ted and Harold Baker, '57, Andy Clark, '57 The Rev. Philip Nordeck, Earl Lundin, '52 Jack Butler, '57 John Hann, '53 and Russ Falvey, '51, who is now the head of the Music Department at Rutherford, N. J.

Unfortunately, the DRAGNET does not have a complete list of all those who were present at the Concert, and therefore, we would like to thank those who were not mentioned above for their participation.

ST. MARY'S PROM

The evening of April 23 found a group of tuxedo-clad, flower-carrying gentlemen from St. Peter's headed for the St. Mary's Prom with hopes high for a glorious week-end. Upon arrival, the boys met their dates and proceeded to the "ballroom", which was decorated in a Greek motif, for an evening of dancing highlighted by the music of a Lester Lanin band. The couples interrupted their dancing only long enough to accept the refreshments served by the sophomores of St. Mary's, who were costumed in togas.

Toward the end of the dancing, Lester Lanin hats were passed out, adding a party effect to everyone's attire. 11:30 was the witching hour and at this time the men from St. Peter's hurried to their coaches so that they could get home before the vehicles turned into pumpkins.

The men returned to St. Mary's at ten the next day for services in the beautiful St. Mary's chapel. After this, most of the couples changed into lighter clothes for the events to follow. A picnic lunch was served at noon on the point overlooking the Hudson. After lunch each couple went its own way; some took hikes and some played softball. The festivities ended at two o'clock, much to everyone's dismay. The good time that was had by all will certainly be remembered for a long time.

—Jerry Taft

I WANT TO LIVE

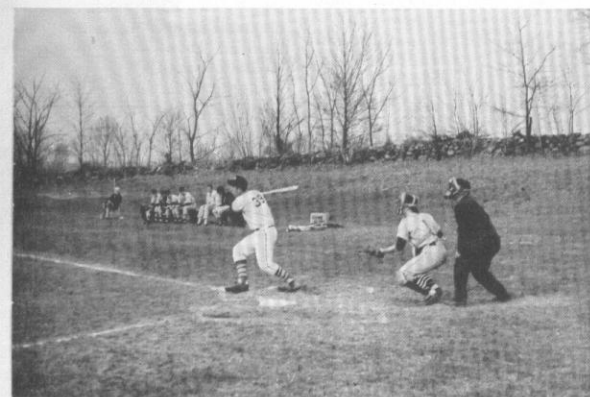

As Commencement slithers toward us with a slow, but steady pace, look back on the events of the year and I am choked with tears. Soon it will be all over: for a select few, for good; but for us underformers, only three months of vacation separate us from a renewal of the present situation. How shall we bear the separation from our studies? Quite easily, I am sure!

No longer will we hear the gentle tinkling of the rising bell caressing our ears, heralding dawn. No longer will we hear the soft mellow blast of the siren, nor walk the gentle slopes of our campus. We will look back on the times when we could indulge in intellectual conversations with our inspiring companions in our spare time. We will draw away from our longings for knowledge and be attracted to physical things. Yes, vacation is on its way.

Our summer activities are very pleasant for us, but if school did not resume again, our parents would be driven out of their minds (out of their homes if parties are frequent enough). When we return with our summer tans, pleasant memories, full address books and complete exhaustion, we will realize how much better off we are at school.

Before leaving, one may comfort himself with "I'm so exhausted by my vacation, that I have to return to school for a rest!" But be reasonable; you could really keep it up, couldn't you? —Warren Giarraputo

Saints Sail Smoothly—Record at 6-3

TAFT'S HOMER HELPS HILLTOPPERS TO 4-2 VICTORY OVER KING

VARSIITY NEWS

S. P. S. MEETS KING AND TRINITY-PAWLING

April 21 — King School became the Saints' second victim in a row by the score of 4-2 today. The scoring started in the first inning when Don Church took first on a catcher's error, stole second, went to third on a passed ball, and, to everyone's amazement, stole home. In the fourth inning, Church added another run to the Saints' total by clouting a long home-run. King tied the score up at two all in the top of the fifth, but Jerry Taft's round-ripper in the bottom of the inning put S.P.S. ahead to stay. The Saints iced the cake in the sixth when Dave Butler scored on Jack Finegan's triple. Finegan picked up his first victory of the season in a splendid effort.

The Varsity evened out its record at 2-2 when it was defeated by Trinity-Pawling on April 23. The Saints scored first on Jack Francis' triple and a passed ball, but fell behind in the fourth when T.P. scored five runs. This lead was cut to one run when Francis scored Church on a double, and Joel Randolph hit a two-run homer. Trinity-Pawling scored once in the sixth, and twice in the seventh to take an 8-4 lead. In the bottom of the seventh, Finegan scored Larry Cook on a long triple, cutting T.P.'s lead, but when the final out came, the Saints' hadn't scored again and thus Trinity-Pawling won 8-5.—*Jerry Taft*

HILLTOPPERS TAKE FIFTH WIN

May 4 — The sun shone brightly today as the Varsity took their places against Oakwood on McDowell Field for their fifth win of the season.

Mike Urquhart started off the first inning with a single and got to second on an overthrow. Slugger Joel Randolph then connected for a sharp single to left field, bringing Urquhart home for the only run of that inning.

The second inning produced four runs for the Varsity, due mainly to poor playing by Oakwood.

In the third inning, a double by Thayer Draper, two walks, an another hit were responsible for four more tallies.

With Oakwood's scoreboard still empty, the Saints made the fourth their biggest inning by scoring five runs.

The fifth saw Oakwood sneak across one run on three hits, but the Saints struck back in the sixth. A beautiful home-run, hit by Jack Finegan, with two men on base, highlighted this inning.

In the seventh, with the score standing 17-1, the team from Oakwood made a desperate attempt to catch up. They managed to score only one more run, however, before St. Peter's ended the game with two runs, bringing the score to rest at 19-2. —*Mike Urquhart*

BASEBALL TOURNAMENT MARKS A FIRST

May 6 — For the first time in the School's history, Saint Peter's Varsity participated in a baseball tournament with Peekskill Military Academy, Trinity School, and Concordia.

This tournament marked the middle of the Saints' season. Their 6 and 3 record against powerful opponents makes the possibility of a winning season bright. It was held today at the latter's school. The Saints first adversary was the host team, Concordia Prep.

The Hilltoppers struck for three runs in the first inning on a single by Mike Urquhart, a double by Don Church, a single which brought in two runs by Jack Francis and an error by the catcher, scoring Francis, who had stolen third. The Saints tallied again in the second as Mike Urquhart singled, was pushed to second on Randolph's walk, stole third and raced home as the catcher's pick-off throw sailed into left field. Concordia closed the gap to 4-2, scoring runs in the third and fifth innings. Saint Peter's came back with two in the sixth on two walks and a two run double by Jack Finegan. In the bottom half of the sixth, Concordia sturck for four runs to tie the score, 6-6. A hit-batsmen, a walk, three straight singles and a double highlighted this inning. In the top half of the seventh, Jack Francis led off with a walk, stole second and third in succession and sped home on an interference play, making the score 7-6. In the last of the seventh, Concordia put men on second and third with two out, but Jerry Taft, the winning pitcher, got the last batter to pop up to first, thus putting the Saints in the afternoon championship game with Trinity School.

May 6 — This afternoon, Saint Peter's vied with Trinity School for the Concordia Tournament Championship.

As the Saints had done to Concordia, Trinity drew first blood by scoring two runs in the first inning. An error, a walk, a passed ball and two singles produced the two runs. With the bases loaded, Trinity might have scored again if Jack Francis hadn't come up with a sparkling double play to put out the fire. The Saints came back with a run on a

sacrifice by Jerry Taft to make the score 2-1. Trinity scored again in the third, but the Saints showed their muscle power in the bottom half of the inning. Joel Randolph led off with a triple, Finegan and Church singled in succession, and Francis walked, filling the bases. Butler then walked, forcing in the tying run and leaving the bases still filled. The next batter was Taft. On the third pitch, Taft lined a booming shot into deepest right-center field, for a grand slam round tripper, the first of the year, making the score a bright 7-3. Things were quiet until they exploded in the top of the sixth. Trinity combined walks, two triples, a double and five singles for a nine run inning and a 13-7 lead. In the bottom half of the seventh, S.P.S. had a spirited rally going. But with bases loaded, Trinity got a double play on a fly and a putout at the plate, thus foiling the Saints last ditch effort for the Championship. —*Dennis Murr*

TENNIS — SCARBOROUGH

May 5 — Today the Saint Peter's Tennis Team opposed the team from Scarborough. The match, which was played on the Hilltoppers' court, was scheduled for 2:30, but the opposition didn't show up until four o'clock, and the match was delayed.

The first match of the day was a contest between Tom Brinkerhoff of S.P.S., and Steve Epstein of Scarborough. After some hard playing, Epstein pulled out the two sets required for victory by identical scores of 6-3. The next match was a victory for the Saints, with Peter Adler taking it in three sets. The scores for these sets were 6-2, 6-4, 6-0. The deciding match of the singles series proved to be an eas victory for Dick Cobb of Saint Peter's. The scores of 6-0 and 6-1 are indicative of the type of game played.

As the students of Saint Peter's sat down to supper, with the match still continuing, Cobb and Brinkerhoff stood up to face their opponents in the doubles matches. The two men from Scarborough were putting their all into these matches and fought down to the wire. The scores of the sets. 6-1, 3-6, and 7-5, showed how hard both teams played. Cobb and Brinkerhoff proved superior and won. The Saints won the other doubles match 6-2 and 6-1. Forbes and Ostegren took this one, bringing to a close the first tennis victory of the year.

—*Woody Hannum*

STORM KING TRACK

April 20 — certainly turned out to be a black day for the Storm King School Track Team. In the meet, which took place at St. Peter's, our team led in every event from start to finish.

In the hurdles, star jumper Dick DeLisser placed first, running the 120 yards in 15.4 seconds. The hundred yard dash was won by Tom Wilberton in 11.2 seconds. Wilberton also managed to jump 55" into the air and in doing so he won the high jump event.

In the other running events, Neil DeVvyer ran the 220 in 26.3, Don Urquhart ran the 440 in 58.1 seconds and the 880 in 2:15, and wily Reilly Lewis took the mile in 5:26.5.

The shot put and discus proved to be very weak points for Storm King; they did not even place in these events. Handsome Jim Lynch had the longest throws in both events. He threw the shot 34'4" and the discus 115' 3". The javelin, which is a relatively new event was thrown 119'4" by Lauren Schwartz. He also placed second in the high jump. Brian Bond jumped 17'8 1/2" and won the broad jump, making the final score of the meet, St. Peter's 93 1/2 and Storm King 10 1/2. The power which the Saints showed in this meet makes the future look very bright. —Richard Bailey

TRINITY-PAWLING TRACK

April 23 — This hot afternoon, the Varsity Track Team traveled to Trinity-Pawling School for the third track meet of this year. It ended in a loss for the Saints with the final score reading 57-36.

Dick DeLisser and Lauren Schwartz started the meet off by placing second and third respectively in the hurdles. Bob Lacey, of Trinity-Pawling School, who is trying for the decathlon, and was in many of the events, took first place.

Tom Wilberton then took third place in the one hundred yard dash.

Neil DeVvyer was able to win the two-twenty and to take third place in the four-forty, while Don Urquhart won the latter. Urquhart also captured first in the eight-eighty with a time of 2:05.1, and Vail Frost backed him up by coming in third.

In the mile event, Howard Lundin placed third and Reilly Lewis took second. Jim Lynch, throwing the discus, placed third. As for the high jump, Wilberton broke his former record of 5'5" by jumping 5' 6" to take second.

Peter Iliff won first place in the broad jump by leaping 17'7 3/4". Elliot Ward was also able to score for St. Peter's by taking third in this event. —Philip Baldwin

TRACK LOSES THIRD MEET

April 27 — Journeying to Haldane High in Cold Springs today, the Saints' Track Squad lost their third meet this year with the final score being Haldane 65 and Saint Peter's 48.

The meet started off with the hurdles in which Dick DeLisser took first place in 15.8 seconds.

DeVvyer then followed by taking second in the 440, while Reilly Lewis placed second in the mile with a time of 5:10.9.

Don Urquhart, undefeated in the half-mile, kept his record by taking that event in 2:03.8. This time, as of May 4, was the record time for the 880 in Westchester County.

In the 880 relays, the Hilltoppers were able to win both the Varsity and J.V. events, doing them in 1:43.2 and 1:44.7 respectively.

In the field events, Wilberton took second in the high jump with 5'3", while Brian Bond and Lauren Schwartz tied for third. Jim Lynch took first in the discus with a throw of 104'7 1/4".

Pete Iliff, after a short lesson in pole vaulting before the meet, was able to tie for first in this event, jumping 7'6". The final event of the meet was the javelin in which Howard Lundin took second and Schwartz backed him up with a third. —Philip Baldwin

TRACK: WOOSTER WOUNDED

May 4 — The Saint Peter's Track Team chalked up its second victory of the season by beating Wooster, 59 1/2 to 35 1/2. Our score was augmented considerably by the number of second places which we took, only missing out on two. It happens very often that these second and third places win a meet.

Helping to take our share of the first places, Don Urquhart scored his usual 10 points by winning the quarter and one half mile races. He did the half in 2:13, which is very good time for our track. Other firsts were scored by these S.P.S. participants: Brian Bond jumped 17'8" in the broad jump, Reilly Lewis ran a 5:15.2 mile, and Sandy Pearn threw the javelin 120'10". The relay team also did a fine job, taking another first place.

Most of our first places were scored in the running events. Wooster seemed to have a very efficient set of field men. This left some of our better performers out of first places.

Now that the weekend is past, and there are no more lapses in the training schedule, the prediction is that the remaining meets will be quite propitious for the team, since through practice, the team has been steadily improving!

SEARING SCHOOL SEARED

May 6 — Today the J.V. Baseball team met Searing School for the first time. The J.V.'s defeated them by the close score of 4-3, for their fourth straight victory this season.

Art Piani ventured from his usual position at second base to turn in a masterful pitching job on the mound.

This was the closest game that the Jayvees have played this year. They held Searing to only three runs, which is the least the opposition has scored up to this point. Eddie Rouse did a great pitching job for Searing School, holding the Saints to only four runs, which is also the least they have scored.

The Saints first run came in the first inning when Chris Smith doubled to right, went to third on a wild pitch, and scored on an infield error. The Saints tallied two more runs in the third when Piani singled, stole second and went to third on a wild pitch. Smith then walked and stole second. Chuck Bown followed with a single to left to drive in the pair of runs.

The score was then tied up by Searing. Bob Burrows came to bat in the bottom of the fifth and proceeded to hit a homer, which proved to be the winning run.

—Joseph Giarraputo

J. V. PITCHER WINS THIRD GAME

May 4 — The Saint Peter's J.V. team traveled across town to play P.M.A. today. The Saints scored five times in the first inning and by the end of the second, they had produced a 7-1 lead. The Hilltoppers then coasted on to a 10-4 victory. Pitcher Huey Rivera had nine strikeouts and won his third game.

Saint Peter's scored five runs in the first inning on three hits, two walks and a little help from P.M.A.'s defense. P.M.A. rallied in the bottom of the inning for one run, cutting the Saints' lead to 5-1. The J.V.'s gained two more in the second on Dick Reilly's triple and Bob Burrow's homer. In the fourth inning, the Saints picked up another run to lead 8-2. The break came in the bottom of the fourth, when P.M.A. had two men on base with two out. A late swing on Rivera's fast ball caused it to bounce down the right field line. The ball would have been a base clearing triple, if it had not been foul.

Returning to the plate, the tense batter hit a fly ball to retire the side. P.M.A. did not score any further in the fifth and sixth innings and the Saints took the game, 10-4. —Chris Smith

J. J.: LOST TWO — WON ONE

April 27 — the J.J.s won their first game of the season today in a game played with Wooster School. The climax of the game was a triple play by the Little Saints which left the score at 6-1. This victory gave them an added lift for the Concert weekend.

May 5 — the J.J.'s next game was a contest with King School. John Platt made his pitching debut in the game and did very well. Unfortunately, he did not have the power behind him to win. It was a close game however; in a few spots the little Saints could have taken the lead, but they lacked the necessary hitting.

In the fifth inning the score was 2-1, and it was anybody's game. At this point, Platt developed arm trouble and had to be relieved by Keen McDonald. Before McDonald had a chance to settle down, King School scored two runs to lengthen their lead to 4-1.

The Little Saints rallied in the last of the fifth, almost scoring, but King School nailed two men at the plate, thus ending the inning. The game ended in a 4-1 loss for St. Peter's.

May 6 — Today the J. J.'s met their archrivals, the Ossining team. Ossining showed their strength in the first inning when they tallied a quick run, giving them a lead which they never lost. The Little Saints had their work cut out for them, but they could never muster enough power to put across the runs they needed. Keen McDonald pitched this game and took the loss. The Hilltopper's hitting attack, led by Jay Brown's triple, was strong enough to score only two runs. Ossining showed their skill in the field with a beautiful double play and a spectacular stab of Andrew Gordon's line drive in the final inning. The final score was 8-2 with S.P.S. on the losing end. —J. Bedinger

T. P. TENNIS MATCH

April 23 — The Saints played their second tennis match of the season against Trinity-Pawling today.

Hard matches were played by all the Saints and the crucial points that were lost cost the victory. After a hard battle Trinity-Pawling edged through with a 7-2 victory.

The entire match consisted of six singles and three doubles. Playing singles were Tom Brinckerhoff, Peter Adler, Dick Cobb, John Forbes, Allan Ostegren, and Charles Sarich. Posting wins in the singles were Adler and Cobb. The doubles teams for S.P.S. included first, Brinckerhoff and Adler, second Cobb and Forbes, and third, Sarich and Steve Hinkle. —Richard Cobb
