

CYCLE OF APOSTASY SEQUENCING RELAY

Mark spots on the floor, one for each station. Children will go through the stations doing the motions at each spot. Have them repeat it over and over, just like the Israelite's cycle repeated

1. The Israelites did evil in the eyes of the Lord.

Rub your hands together in an evil, greedy way.

2. God would punish them.

Freeze like you're blocking your face from being hit.

3. The Israelites would cry out to God for deliverance.

Make praying hands to God.

4. When God delivered the people from their oppression, they followed Him again.

Give a double thumbs up.

5. Repeat.
