

# Godly Wisdom

God requires us to seek godly/good wisdom and get understanding about what we have learned, so that we will be able to make better choices in life. We will continue to go through the same things in different ways, if wisdom and understanding is not gained. Why end up in the same place again, and again?

**Take inventory of your life to see what areas you lack wisdom, and ask the Lord to reveal the necessary ways you need to seek wisdom. Then you can start making a new habit of seeking godly wisdom, and using it daily.**
