Black Creek Bulldogs Pet puppy Contract

Health Guarantee

Seller guarantees said puppy/dog is free from genetic disorders and life-threatening hereditary diseases that will render said puppy/dog unsuitable as a pet.

If any life threatening or genetic disorders are identified within the first year of life, they must be confirmed by two practicing veterinarians from two separate veterinary practices. Proof must be supplied in writing on the veterinarian's letter head bearing his/her hand written signature. This written documentation must contain a description of dog/puppy, its date of birth, diagnosis. *Test results or x-rays may be requested by the seller.* In such situation, the seller will replace said puppy with a puppy of equal or greater value as soon as such dog becomes available. No cash refunds will be given.

**Due to the varying kinds of foods and different environmental conditions the puppies come in contact with, and the fact that all puppies have immune systems that take time to mature, the terms of this guarantee will not be honored unless they're given NuVet Plus immune system builder, as directed by the manufacturer for the entire guarantee period. Failure to do so will render this guarantee null and void except where prohibited by law.*
