**SELLING 47 BULLS ON MARCH 24TH**

# WELCOME

**Welcome to our 19th Annual Production Sale.** Donny and I manage the herd consisting of 200 purebred cows. We have enjoyed getting to meet so many of you and are thankful for the trust you have placed in our ANGUS genetics for your herds. Leary Bros Angus began in 1945 by my Dad, Bill, and my Uncle Harold.

Our Leary Angus operation is run in a practical way that will benefit you with strong genetics. We see the value of choosing genetics that bring animal performance, maternal ability, and sound structure. We do not always use the sire with the computer numbers on paper; however, our end result is balanced matings and strong big bulls for your genetics.

We place a great deal of importance on strong maternal foundations impacting the profitability of a cow herd—sound structure, mature size, fertility, good disposition, and performance.

The bulls will be penned as well as sold by sire groups beginning with Lot 1. The cattle we sell are 100% guaranteed and the bulls sell with a first year breeding guarantee (90 days after they are turned out.) You are most welcome to view the cattle anytime prior to the sale at the farm. Donny and I want you to feel comfortable with your visit and would be happy to discuss it with you and provide any additional information you may need.

*Every cow in the herd was bred & raised at Leary Angus*

Our sale will be held at Four Seasons Caledonia Community Center, 900 North Kingston Street. From the farm, go back to Caledonia and take the first left into town. The Community Center is right there. The sale will be in the form of a video auction. You can pick up your bidding number at the clerk's table. Regardless if you need an animal or not, come and have lunch with us, enjoy the sale, and visit with your neighbors.

Thank you for your interest and support. See you at the sale!
