

LEARY ANGUS

Representing 76 years Purebred Angus!

16th Annual Production Sale

Sunday, March 28, 2021

2:00 PM • At the Farm

Selling **45 BULLS** and **15 FEMALES** on March 28th

11171 Angus Drive, Caledonia, MN 55921 • 507-724-2509 or C: 608-797-9723

*W*elcome to our 16th Annual Production Sale. The years have gone by fast since Bill and Harold Leary began the herd in 1945. Currently, Donny and I manage the herd, which consists of 200 cows, and we've enjoyed all the people we have done business with over the years.

As we enter a new year, the herd of beef cows doesn't look too bad in the pasture. With demand up and exports good, I think we are in for some good times ahead. Just don't forget the importance of good ANGUS genetics!

Our Leary Angus operation is run in a practical way that will benefit you with strong genetics. You will notice when looking through our catalog that the bulls are calving ease. The bulls have been fed high roughage rotation on the farm adjacent to the heifer pen and they will be fertility checked. The bulls will be penned as well as sold by sire groups, beginning with Lot 1.

There are 3 options for boarding and delivery; please see the Trucking Options on the following page.

The cattle we are selling are fully guaranteed and the bulls sell with a first year breeding guarantee (90 days after they're turned out). If you wish to view the cattle prior to sale day, you are most welcome anytime at the farm. You can see for yourselves the thickness, hind quarters, and fullness at the tail head.

Thank you for coming to our farm. Regardless if you need an animal or not, come and have lunch with us, enjoy the sale, and visit with your neighbors. We're looking forward to seeing you at the sale!

Richard and Donny Leary, Leary Angus Farm

Leary Angus - 2021 is an important year in the history of the Leary Angus Farm in Caledonia, Minnesota. It marks their 76th year of uninterrupted breeding of Angus cattle.

The Leary herd is now in its 5th generation, and what a great journey it has been over the last 75 years, from the time of the purchase of the first Angus cattle to the Leary's long time association with Rosemere Farms in Maquoketa, IA, owned by Otto Battles and Roland Ehlers, and then the purchase of the great T A Eileenmere 6, a bull that proved to be a historic sire at Leary Angus. He came from the Treasure Acres herd at Blairsburg, IA.

Recently, I had an opportunity to visit the Leary herd, and what a power set of bulls for this year's sale. They are thick, meaty, full of muscle and red meat, and have the most pleasing blend of carcass and calving ease.

You will truly enjoy doing business with Richard and Don Leary because it is where the customers come first and the Angus Cattle are the finest. I look forward to seeing my many Angus friends at this historic event on Sunday, March 28, 2021!

Sincerely, Tom Burke, American Angus Hall of Fame
