

Mouth Wash – Fresh Breath Care

Category: Oral Care

Our Mouth Wash is formulated to provide lasting freshness, reduce bacteria, and promote overall oral hygiene. Alcohol-free options are available for a gentle yet effective rinse that leaves the mouth clean, refreshed, and confident.

We provide customised mouthwash formulations, including fluoride-free, herbal-based, alcohol-free, whitening, and sensitivity care options. OEM services include flavour development, pH adjustment, and flexible packaging design.

8. How OEM Works for Mouthwash

1. Choose Base Formula – Fresh breath, whitening, herbal, or kids.
2. Select Actives & Flavours – Mint, herbal, or fruit blends.
3. Pick Packaging – Bottle size, material, cap style.
4. Sample Development – Flavour and efficacy testing.
5. Mass Production – GMP-certified, export-ready.
