

Face Mist – Hydrating Refresh Spray

Category: Skincare / Hydration

Our Face Mist is a lightweight, refreshing spray that instantly hydrates, soothes, and revitalises skin anytime, anywhere. Perfect as a pick-me-up throughout the day, it restores moisture balance and gives a healthy glow.

We provide customisable OEM face mist formulations from hydrating, brightening, soothing, to anti-pollution variants with full packaging and branding flexibility.

8. How OEM Works for Face Mist

1. Select Functionality – Hydration, soothing, brightening, etc.
2. Choose Ingredients & Fragrance – Floral, herbal, fruity, or neutral.
3. Decide Packaging – Size, material, spray type.
4. Sample Development – Test and approve your preferred formula.
5. Production & Delivery – Manufactured under GMP, ISO, and Halal standards.
