

Aromatherapy Oil – Calm Essence

Category: Wellness & Personal Care

Our Aromatherapy Essential Oil is crafted from pure natural extracts to relax the mind, uplift mood, and promote overall well-being. Suitable for use in diffusers, massage blends, baths, or topical roll-ons, this oil is perfect for stress relief, better sleep, and daily rejuvenation.

We provide custom essential oil blends, packaging formats, and fragrances tailored to your brand concept for ranging from relaxation, energising, focus, to sleep blends.

8. How OEM Works for Aromatherapy Oil

1. Choose Oil Base – Single essential oil or custom blend.
2. Select Fragrance Concept – Relaxation, energy, sleep, focus, etc.
3. Pick Carrier Oils – Jojoba, sweet almond, coconut, olive.
4. Packaging Choice – Dropper, roller, amber glass.
5. Custom Branding – From minimalist wellness to luxury spa style.
6. Sample Testing – Fragrance intensity, skin safety.
7. Mass Production – GMP-certified, global export capacity.
