

Aloe Vera Gel – Soothing Hydration Care

Category: Skincare / Multi-Purpose Gel

Our Aloe Vera Gel delivers instant hydration, soothing, and skin repair benefits. Made with natural aloe vera extract, it's a versatile product suitable for face, body, and hair, helping to calm irritation, moisturise, and refresh the skin.

We customise Aloe Vera Gel formulas with added actives (vitamin E, niacinamide, hyaluronic acid, centella asiatica, etc.), and offer options for fragrance, texture, and packaging to suit your brand positioning.

3. Key Features

- Enriched with natural aloe vera extract
- Multi-purpose: face, body, hair, after-sun care
- Hydrating & soothing for dry, irritated, or sun-exposed skin
- Lightweight, fast-absorbing gel

8. How OEM Works for Aloe Vera Gel

1. Select Formula – Pure, hydrating, brightening, or cooling.
2. Choose Active Ingredients – Add vitamins, botanicals, or soothing extracts.
3. Decide Texture – Classic gel or water-based jelly.
4. Pick Packaging – Jar, tube, pump, or sachet.
5. Custom Branding – Highlight natural & multi-purpose benefits.
6. Sample Approval – Testing for absorption & stability.
7. Mass Production – GMP-certified manufacturing.
