

Blusher Cream – Natural Flush

Category: Face Makeup

Our Blusher Cream delivers a natural, radiant flush that melts seamlessly into the skin. With its smooth, blendable formula, it enhances cheeks with a healthy glow that lasts all day.

We provide OEM Blusher Cream with full customisation such as formulation, texture, shade range, finish, and packaging tailored to your brand identity.

3. Key Features

- Lightweight, creamy, and blendable formula
- Natural flushed look for all skin tones
- Buildable pigment from soft to bold
- Long-lasting wear with a non-greasy feel
- Infused with hydrating ingredients (optional)

- Nude Brown – Subtle everyday look

8. How OEM Works for Blusher Cream

1. Select Formula Base – Matte, dewy, or skincare-infused.
2. Choose Shades – From natural tones to vibrant colours.
3. Pick Packaging – Sticks, pots, or tubes.
4. Sample & Approve – Adjust pigment strength & texture.
5. Mass Production & Delivery – With GMP, ISO & Halal certification.
