

Hot Balm – Warming Relief Ointment

Category: Body Care / Medicated Balm

Our Hot Balm provides soothing warmth to relieve muscle aches, joint stiffness, and fatigue. Infused with natural herbal extracts, this balm promotes relaxation and comfort with its long-lasting warming sensation.

OEM customisation includes herbal blends, strength of heat effect, packaging styles, and scents (classic herbal, peppermint, eucalyptus). Suitable for wellness, traditional remedy, and sports recovery product lines.

8. How OEM Works for Hot Balm

1. Choose Base Formula – Classic, strong, herbal blend.
2. Select Heat Intensity – Mild, medium, or extra hot.
3. Pick Packaging – Jar, tube, tin, or stick.
4. Customise Branding – Logo, labels, and retail box.
5. Sample Development – Heat sensation & absorption testing.
6. Mass Production – GMP-certified, export-ready.
