

Gentle Baby Oil – Soothing & Nourishing Care

Category: Baby Care – Skin Moisturising Oil

Pamper and protect delicate baby skin with our Gentle Baby Oil, enriched with natural plant oils to lock in moisture, prevent dryness, and keep skin soft and smooth. Perfect for baby massage, after-bath care, and even gentle makeup removal for adults.

We offer customisable baby oil formulations that are dermatologist-tested, hypoallergenic, and free from harsh chemicals. Choose from a variety of natural oils, scents, and packaging designs to align with your brand's vision.

3. Key Features

- Dermatologist-tested & hypoallergenic
- Gentle, non-greasy formula for sensitive skin
- Free from parabens, mineral oil, and artificial colours (optional mineral oil variant available)
- Enriched with Vitamin E & natural botanical oils
- Multi-use: baby massage, after-bath care, adult skincare
- Available in scented or unscented versions

- Hospital maternity packages
- Baby spa and massage products

8. How OEM Works for Baby Oil

1. Choose Oil Base – Based on your brand's target benefits.
2. Add Enriching Ingredients – Vitamins, botanical extracts, soothing agents.
3. Select Fragrance – Baby-safe, mild scents or fragrance-free.
4. Customise Packaging – Bottle shape, size, colour, and label design.
5. Sample Approval – Test feel, absorption, and safety.
6. Stability & Safety Tests – Ensuring baby-safe quality.
7. Bulk Production – After final confirmation.
8. Delivery – Ready for your brand launch.
