

Firming Cream – Lift & Tighten

Category: Body & Skincare / Anti-Aging & Firming

Restore skin's elasticity, smoothness, and youthful resilience with our Firming Cream. Powered by collagen boosters, botanical extracts, and advanced peptides, this cream helps lift, tighten, and tone skin for a visibly firmer appearance.

We specialise in tailored firming solutions from anti-ageing facial creams to body firming lotions. Customise ingredients, fragrance, texture, and packaging to suit your brand's unique market needs.

- Airless pump packaging (premium option)

7. Fragrance Ideas

- Fresh Rose
- Herbal Green Tea
- Relaxing Lavender
- Unscented (dermatologist-tested option)

8. How OEM Works for Firming Cream

1. Select Function Focus – Anti-ageing, lifting, body firming, or repair.
2. Choose Key Actives – Collagen, peptides, retinol, herbal extracts.
3. Customise Texture & Feel – Rich cream, lightweight gel, or luxury blend.
4. Pick Packaging Style – Jar, tube, or premium airless pump.
5. Brand & Design – Logo, claims (e.g. "Visible results in 2 weeks").
6. Sample Development – Test texture, absorption, and results.
7. Mass Production – GMP-certified facility.
