

Hand Sanitizer – Antibacterial Liquid/Gel

Category: Personal Hygiene / Hand Care

Our Hand Sanitizer provides instant protection against germs, bacteria, and viruses. Available in liquid or gel form, it is formulated with 75% alcohol for effective disinfection, while enriched with moisturising agents to prevent dryness. Perfect for on-the-go hygiene.

We offer custom formulations (gel or liquid), with optional moisturisers, essential oils, and fragrances. OEM clients can select packaging sizes (pocket size, family size, or bulk) to fit their market needs.

3. Key Features
