- Spa & wellness product lines
- Hotel amenities suppliers
- Eco-conscious & refillable packaging brands

8. How OEM Works for Shower Gel

1. Select Base Formula – Moisturising, brightening, exfoliating, etc.
2. Choose Fragrance & Colour – Floral, fruity, herbal, or custom blends.
3. Add Functional Actives – Aloe vera, vitamin E, plant extracts.
4. Customise Packaging – Bottle type, cap style, refill options.
5. Sample Approval – Review texture, fragrance, and lather.
6. Stability & Safety Testing – Ensure product performance over shelf life.
7. Bulk Production – After approval.
8. Final QC & Delivery – Ready for your branding and market launch.
