

Body Scrub – Exfoliating Glow Care

Category: Personal Care – Body Exfoliant

Our Body Scrub gently removes dead skin cells while nourishing the skin with natural exfoliants and hydrating oils. The result is smoother, softer, and more radiant skin after every use.

OEM customisation includes exfoliant type (sugar, salt, coffee, rice, herbal blends), texture (gel, cream, butter), fragrance, active ingredients (brightening, firming, anti-acne), and packaging style (jars, tubes, sachets).

3. Key Features

- Effectively exfoliates and smooths rough skin
- Boosts circulation and promotes skin renewal
- Infused with nourishing oils for hydration
- Customizable actives (whitening, detox, slimming, aromatherapy)
- Suitable for full-body spa care
- Paraben-free, sulfate-free, cruelty-free
