

Feminine Wash – Gentle Intimate Care

Category: Personal Care – Intimate Hygiene

Our Feminine Wash is a mild, pH-balanced formula specially designed for intimate hygiene. Enriched with soothing botanical extracts, it provides freshness, comfort, and long-lasting protection while maintaining the skin's natural balance.

OEM options include custom scents, herbal blends, functional actives (anti-odour, soothing, brightening), as well as packaging sizes ranging from travel-friendly bottles to family packs.

3. Key Features

- pH-balanced formula suitable for daily use
- Enriched with natural soothing extracts (aloe vera, chamomile, tea tree, manjakani)
- Helps reduce odour and discomfort
- Gentle cleansing without irritation
- Free from harsh chemicals, SLS, and parabens
- Dermatologically tested and safe for sensitive skin

8. How OEM Works for Feminine Wash

1. Select Base Formula – Gentle cleansing or extra-refresh formula.
2. Choose Herbal Extracts – Aloe, chamomile, tea tree, manjakani, etc.
3. Pick Scent Profile – Floral, fruity, minty, or fragrance-free.
4. Customise Packaging – Bottle size, pump/flip-cap, eco-refills.
5. Branding & Label Design – Tailored for your market needs.
6. Sample Testing – Foam quality, fragrance, pH balance, skin comfort.
7. Mass Production – GMP-certified, export-ready product.
